## “One Try” Is Not Often Enough in Anything—Especially in Want Advertising

A lot of “one-time” want ads DO accomplish things, of course. But the thing that's worth advertising for is usually worth advertising for until you get it. That might mean one, two or ten insertions of your ad.

In any event this is sure: A reasonable amount of “keeping at it” always wins in advertising. Not sometimes—but always!

## Situations Wanted—Female

**WANTED** — White woman desires maternity nursing; prices reasonable. 1443 Vernon street.

## Real Estate For Sale
