### Italy and Russia Now Considering Joint Reply

London, Jan. 2.—12:45 P. M.—The final draft of the reply of the entente to President Wilson's peace note, which already has been approved by France and Great Britain, has been forwarded

to Italy and Russia, and as no changes have been suggested thus far from these quarters it is not improbable that the note will be delivered to the American Ambassador in Paris, William G. Sharp, within a short time. It is understood here that the note may possibly be handed to Mr. Sharp to-morrow. However, Belgium made her request at the last moment that the statement of her case be added to the reply to the cen-

tral powers in similar additions or delays may occur in the case of the note to President Wilson.

### WHEAT JUMPS UPWARD

Chicago, Jan. 2.—Wheat prices shot upward to-day in response to the answer of the entente allies to the offer of the central powers to negotiate for

peace. Initial quotations showed a raise of nearly five cents a bushel.

May Wheat touched 179 at the opening as against 174 1/4 at the close on Saturday. July leaped to 146, whereas, the latest figures Saturday were 141 1/4 to 141 1/2.

### WAR ISSUES IN DEMAND

New York, Jan. 2.—Prices jumped upward on the stock market at the opening to-day, the so-called war and semi-war issues being in special demand with trading active. Twelve thousand shares of U. S. Steel sold at 108 to 108 1/2, up to 1 1/2 to 2 1/2. Other issues were from 1 to 5 1/2 points higher.

Unfavorable prospects for peace seen in the entente note published since the market closed Friday were generally assigned as the reason for the upward movement.

### TO ACT ON PROHIBITION

St. Paul, Minn., Jan. 2.—The Minnesota legislature convened to-day with

the prospect of acting on State wide prohibition, woman suffrage, reorganization of various State departments and repeal of the boxing bill before adjournment by time limitation on April 15. Governor J. A. A. Burnquist will be inaugurated to-morrow for a two years term.
