Beidleman Elected Over Washers by Party Ballot of 37 to 10

Mr. Baldwin took occasion to say something against the recent campaign by remarking: "I am glad to hear so many kind words about my old colleague, Mr. Baldwin. I had heard and read so much of the other kind the last few days that I had begun to doubt his virtue."

Senator Beidleman was elected president of the Senate by a party vote, receiving 37 votes to 10 for Henry Washers of York, his Democratic opponent.
