Discuss High Cost of Living and Reductions

Schenectady, N. Y., Jan. 4.—The high cost of living with suggestions regarding procedure to bring about a reduction in the price of foodstuffs, furnished the topic for discussion at the New York State Conference of Mayors here to-day.

Voluminous data covering every phase of the food problem had been prepared for the information of the conference and the subject was studied from all angles. The advisability of preparing a bill, designed to result in lower food prices, for submission to the Legislature, also was considered.

CONQUERS RHEUMATISM IN A VERY FEW DAYS

It is an established fact that one-half teaspoonful of Rheuma takes once a day has driven the pain and agony from thousands of racked, crippled and despairing rheumatics during the last five years.

Powerful and sure; quick acting, yet harmless; Rheuma gives blessed relief almost at once. The magic name has reached every hamlet in the land and there is hardly a druggist anywhere who cannot tell you of almost marvelous cures.

If you are tortured with rheumatism or sciatica, you can get a bottle of Rheuma from H. C. Kennedy or any druggist for not more than 50 cents, with the understanding that if it does not completely drive rheumatic poisons from your system—money back.

ALL THE NEWS OF THE RAILROADS

Veteran Engineer Is Buried This Afternoon

The funeral of William H. Filling, retired passenger engineer of the Middle division, Pennsylvania Railroad, was held this afternoon. Services were conducted at the home of the son, William, 1335 North Sixth street, at 1:30 by officers of Harrisburg Lodge, No. 12, Benevolent and Protective Order of Elks, and later by the Rev. Henry W. A. Hanson, pastor of Messiah Lutheran Church. Burial was made in East Harrisburg Cemetery. The pallbearers were from the Elks, Brotherhood of Locomotive Engineers and the Good Will Fire Company. Engineer Filling died Monday at the Keystone Hospital as a result of uremic poisoning.

STILL CRITICISING NOTE

London, Jan. 4.—Further criticisms of President Wilson's note are printed in some of the morning papers in connection with Spain's refusal of the overtures from Washington and the impending reply of the entente.

VETERANS JOIN P. R. R. HONOR ROLL

Engineer William B. Shover of This City Retires; Two on Philadelphia Division

William B. Shover, 1529 North Sixth street, has been placed on the retired list of the Middle division of the Pennsylvania Railroad. He was a passenger engineer and has a record of service of forty-six years. Engineer Shover retires on the age limit. He started as a trainman and after serving as fireman was given a freight run. Eight years ago he was promoted to passenger service. He is a member of the Brotherhood of Locomotive Engineers.

Other pensioners who are well known in Harrisburg and join the honor roll this month are Stephen D. McCalla, passenger conductor on the Philadelphia division, and Benjamin C. Hoon, track foreman, residing in West Fairview.

Former Harrisburger

Conductor McCalla served forty-nine years and four months. He was at one time a resident of Harrisburg, attended school in this city and removed to Philadelphia when a young man. His father was the late Stephen McCalla, a contractor, who was prominent in Harrisburg for a number of years and built the second Pennsylvania Railroad passenger station, part of the old Capitol buildings which were removed when the present structure was built and other buildings in the city.

Foreman Hoon served forty-six years and eleven months and was in charge of the section between Lemoyne and Marysville for a number of years. He was at one time identified with the Middle division. His retirement was on age.

Pennsylvania Conductor Dies at Home of Daughter

WILLIAM D. REESE
William D. Reese, aged 80 years, retired passenger conductor of the Pennsylvania Railroad, died this morning at the home of his daughter, Mrs. M. B. Foster, 606 Seneca street. Death was due to organic heart trouble. The survivors are two sons, William A. Reese and Walter E. Reese; one daughter, Mrs. M. B. Foster; three grandchildren, Margaret E. Reese and Eddie and William Foster, all of this city. The funeral arrangements will be announced later.

Mr. Reese began railroading in 1861 as a fireman. Later he was given a position as passenger brakeman, which he held for two years, and was made a conductor. The latter position he held at the time of his retirement fifteen years ago. He served during the Civil War as a member of company E, Two Hundred and First Regiment, Pennsylvania Volunteers, and was a member of Division No. 143, Order of Railway Conductors. A short time after Camp Stewart was established at El Paso, Texas, Conductor Reese made

Work on Chicago Terminal Is Tied Up by Strikes

Chicago, Jan. 4.—Work on the new union passenger and freight terminal which is to cost \$47,000,000 has been tied up for six months because of a series of strikes called last summer by the Chicago Building Trades Council and efforts to get the construction under way have been fruitless. It was learned to-day. Work on the terminal was begun early last year.

The building trades council, leaders asserted, is clinging to original demands that the four railroads interested in the new station should agree to use only union labor on all construction work in Cook county. Officials of the road say it is impossible for them to yield.

Wife to Blame if Husband Drinks, Says Druggist Brown of Cleveland, Who Tells Wife What To Do

Cleveland, O.—No wife has a right to blame her husband because he drinks, says Druggist Brown of Cleveland. It is her fault if she lets him drink and bring unhappiness and poverty to her home and she has no right to complain. A woman can stop a drinking husband in a few weeks for half what he would spend on liquor, so why waste sympathy on a wife who refuses to do it? Druggist Brown also says the right time to stop the drink habit is at its beginning unless you want drink to deaden the fine sensibilities of the husband you love. Begin with the first whiff of liquor on his breath but do not despair if he has gone from bad to worse until he is run-soaked through and through. Druggist Brown knows the cause of strong drink because he himself has been a victim. He was rescued from the brink of a drunkard's grave by a loving sister who, after ten years' time, revealed the secret to him. She saved him from drink—rescued him from his own depravity, self, by giving him a secret remedy, the formula of an old German chemist. To discharge his debt to her and to help other victims out of the muck and mire he has made the formula public. Any druggist can put it in the hands of any suffering wife, mother, sister or daughter. Just ask the druggist for prepared Teacum powders and drop a powder twice a day in tea, coffee, milk or any other drink. Soon liquor does not taste the same, the craving for it disappears and lo, one morning drinker is saved and knows not when or why he lost the taste for drink.

Note.—Teacum, referred to above, should be used only when it is desirable to destroy all taste for alcoholic drinks of every kind. The wife who approves of drinking in moderation and believes her husband safe should give it only when she sees, as most do in time, that the danger line is near. Since this formula has been made public H. C. Kennedy, J. Nelson Clark, and other druggists have filled it repeatedly.
