There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists, 75c.
Take Hall's Family Pills for constipation.

MEDIATION WORK VERY ACTIVE NOW

State's Bureau Has Participated in Settlement of Numerous Disputes

Pennsylvania's Bureau of Mediation and Arbitration, a branch of the Department of Labor and Industry, has participated in the settlement of fifty labor disputes involving 7,831 workers in various sections of Pennsylvania during the months of November and December. Those figures were submitted to-day to Commissioner John Price Jackson by Patrick Gilday, chief of the Mediatorial Bureau, which acts, for the Commonwealth, in a neutral conciliatory manner to ajust labor disagreements that result in wage losses to employes and production losses to employers.

Patrick Gilday has personally aided in the settlement of thirty-seven separate disagreements involving 6,320 employes in the bituminous mining fields of Pennsylvania, during November and December. He also has been endeavoring to settle seven other disagreements involving 1,623 workers arising during those two months, and still pending.

The Bureau of Mediation and Arbitration has been heavily taxed virtually from the time of its creation in the Department of Labor and Industry, as the bureau is composed of Patrick Gilday, who has been assisted by James A. Steese and other department members assigned to the work from other bureaus by Commissioner Jackson.

During the months of November and December of 1916 members of the Labor Department, assigned to the Bureau of Mediation, participated in efforts to adjust fifty-nine labor disagreements involving 10,556 workers.

Other labor disagreements in various sections of the State, and in the adjustment of which representatives of the Mediation Bureau of the Labor and Industry Department aided, were four strikes in tanneries involving 754 men; three strikes of electrical workers, involving 35 men; two strikes of brickmakers, involving 250 men, and one strike in others.

TWO-CENT MILE LAW STANDS

Chicago, Jan. 6. — Judges Evans, Carpenter and Landis of the United States District Court to-day denied the petition of twenty-eight railroads operating in Illinois to restrain the Illinois State Public Utilities from enforcing the Illinois two-cent fare law.

OPEN CAMPAIGN

The Rev. L. S. Chafer last night opened a ten-day campaign in the Market Street Baptist Church. Special music is being arranged for each service. To-night the Rev. Mr. Chafer will speak on "How Can We Walk in the Light? What Does It Mean to Walk in the Light?"

BONUS FOR EXPRESSMEN

All employes of the Adams Express Company will receive a bonus amounting to almost a month's salary, according to a statement given out this morning by H. G. Ransburg, superintendent of the Atlantic division of the Adams Express Company. This bonus will affect every employe of the company.

RUPTURE Sufferers!

Spend One Cent to Send Me Your Name

It May Mean Your CURE

I claim to have the most simple, yet the most **wonderful**, most **comfortable**, most **beneficial** rupture appliance ever invented. It has produced results heretofore unheard of. I want to tell you **how and why**, want to show you how to **Lock** your ruptures so it can't come down, and how to obtain greater **comfort**, greater **benefit** than you have ever known since you were ruptured. I want to send you my illustrated

Rupture Book FREE

I want you to know **why and how** the wonderful **Schulling Rupture Lock** produces astonishing results, want you to know **what it has done** and **is doing** for **others**, what it will do for you.

Test It Yourself For 30 Days

I send this Lock on **trial**. I let you put it on and **wear it, test it**—run, jump, pull, tug, lift, strain, squirm, cough, sneeze and **see** for **yourself**. I want to send you my book, particulars of my trial offer, letters from scores of people who say the **Schulling Rupture Lock** has actually **cured** their ruptures, and full information, **free**. Send me your name and address plainly written, send it now, today—you'll thank me later, sure as you're born. Address: Director,

SCHULING RUPTURE INSTITUTE

USELESS LAWS TO BE STRICKEN OFF

New Bills Prepared to Clear the Statute Books of Acts Long Since Dead

Bills providing for striking of close to 1,000 obsolete, duplicate and otherwise useless laws from the statute books of the State are being prepared at the State Reference Bureau and will probably be completed the latter part of the month. During the session of 1915 an "omnibus repealer" was passed which would have taken about the same number of laws from the books, but it was vetoed for the reason that there were some doubts about the procedure in including laws of various subjects in one repealer.

In all probability there will be grouping of old laws according to subjects so that all of the same class will be under a similar heading. There may be fifty or sixty such bills, all depending upon the number of bills to be repealed. No attempt will be made to repeal any bills except those which have been declared unconstitutional by the courts, which have been repealed, but not stricken from the books; which have been superseded or duplicated. The work is in charge of James N. Moore, director of the bureau.

Big Questions Up.—Questions involved in alleged encroachment upon territory of a public utility company will be heard by the Public Service Commission during the coming week, the points being raised in Lawrence county, while numerous other cases will be argued, including the complaint asking for changes in the Bala-Cynwyd station of the Pennsylvania railroad and the rerouting of cars on some sections of the Pennsylvania Rapid Transit system. The new Hazleton, Tamaqua and Schuylkill County Railway company will ask approval of its charter application.

Big Pear Crop. — Pennsylvania, which is forging to the front as a producer of pears, has reported a crop of 494,000 bushels, according to the bulletin of the State Department of Agriculture. Increased prices were obtained for the pears in almost every county.

Fewer Farms. — Philadelphia's farming districts slumped twenty per cent. in the area under cultivation in 1916 as compared with 1915, according to some crop reports received at the Capitol from the farms of Philadelphia. Inability to get labor for the intensive farming which marks the agricultural region in the northeastern part of the city is given as the reason.

Town and Canal.—A case involving a contract between the only incorporated town in Pennsylvania, which happens to be Bloomsburg, and the Delaware, Lackawanna and Western railroad is scheduled to come before the Public Service Commission on Monday. The town and the railroad want to arrange to fill up the old canal bed and lay tracks. All other municipalities in Pennsylvania are either boroughs or cities.

Good Attendance.—Large attendance marked the first week of the new year's sessions of farmers' institutes, according to what has been reported to the Department of Agriculture. The meetings were held in Lebanon, Somerset, Crawford, Pike, Susquehanna, Luzerne and Wyoming and will be held next week in York, Luzerne, Columbia, Sullivan, Susquehanna, Erie and Indiana.

Borough Gets Orders.—The borough of Avonmore has fallen afoul of the State health authorities. It applied for approval of some plans for sewer extensions and was notified that it must make plans for a comprehensive sewer that would provide for the future in an adequate way.

Governor Away.—Governor Brumbaugh is spending the week-end in Philadelphia and Secretary Ball and Executive Clerk Deininger are also taking a little time off.

To Ask Right to Sell.—The East Hanover Telephone Company, which owns the pole line from Progress to Linglestown, has asked permission of the Public Service Commission to sell the line to the Cumberland Valley Telephone company.

After More Crooks.—Dairy and Food Commissioner Foust's men are getting after more rotten egg crooks in Philadelphia, the city administration having given its help in a number of instances.

Compliment For Francies.—Considerable space is being given by newspapers to the excellent work being accomplished by Warden John Francies, of the new western penitentiary, in making the prisoners adhere to rules without standing over them. Mr. Francies has put the men on a commonsense plane and the men are showing they appreciate it.

Visitors to Capitol. — The subsidience of the interest in legislative matters which followed the adjournment of the legislators caused a big drop in the number of visitors to the Capitol. On some days the number was very small indeed.

Printing Adjusted. — Difficulties over the authority to order printing for departments of the State government and the Legislature during a vacancy in the office of superintendent of public printing and binding were adjusted to-day and orders given for some needed printing, while a formal opinion will be given by the Attorney General's Department on Monday. There has been no holdup of any printing for the Legislature and it was stated to-day that the general assembly will not be inconvenienced when it reconvenes.

Cattlemen to Meet. — Arrangements were made here to-day for a meeting of breeders of Jersey cattle to be held here on January 15 to discuss measures to improve the stock. Other cattle breeders will hold conventions here later in the month.

Wants $4.50. — Z. C. Gillespie, a statistician, living at Mt. Oliver, to-day made formal complaint that the Baltimore and Ohio Railroad had failed to pay for a sack of potatoes lost in shipment from Meyersdale to his home. There were six sacks and he got five and the total claim is $4.50. A hearing will be held and the commission give a decision.

Pardons Board List. — The list for the meeting of the State Board of Pardons' January session, to be held on the seventeenth, was closed to-day. It contains a score of cases, including two appeals for commutation of death sentences. An adjourned session to consider cases deferred from December will be held January 11.

COKE SHORTAGE SERIOUS

Pittsburgh, Pa., Jan. 6. — Scarcity of coke was reflected in the market here to-day when it became known that furnace interests which have contracted for their coke supply for the first half of 1917 were only able to get it on a basis of $8 to $8.50 a ton, Connellsville. This compares with $2.25 to $2.75 for the first half of 1916. Spot coke sold during the first part of this week at $11 a ton, but increased car supply and moderate temperatures increased the supply and brought the price down to $8. Some blast furnaces in the Pittsburgh district banked several weeks ago be-

NEWS OF STEELTON

"HOW ABOUT THE NEW APPARATUS?"

Many Residents Are Anxious to Know About Motor Fire Apparatus

"What are the latest moves being taken towards completing the authorized purchase of Steelton's motor fire apparatus?"

This is a question that is the topic of daily discussion among firemen, businessmen and residents of the town. Every wide-awake resident is becoming anxious to know what action Council has taken in the matter.

The loan was passed at the spring election and since that time the procedure of Council in the matter has not been made public. However, it is understood, unofficially, that bids have been received and whether or not Council will act on this matter at the meeting Monday night, is anxiously awaited by residents of the borough.

Many persons are asking Fire Chief Malehorn about the matter. Heads of the different fire companies are daily requesting some explanation in regard to Council's action, but the Chief states he does not know what move will be taken next.

The fire chief said to-day he did not know why Council was lagging, but that he believed it was for some good reason. He continued that if the matter is not soon given attention, it will be next summer before the apparatus arrives. He declared that it generally takes at least ninety days after purchasing before the apparatus can be shipped.

To Hold General Meeting of School Faculty Monday

The third general meeting of teachers in the borough schools will be held Monday evening in the main room of the high school at 7.30 o'clock. The following program will be presented:

"Modes of Discipline of Doubtful Propriety," E. A. Drawbaugh, principal, Fothergill school; "Wholesome Discipline for the Teacher's Sake," May B. Osman, central grammar school; 'The Discipline of Tact," Linnie A. Hess, A primary grade; "Skill as an Element of Strength in a Disciplinarian," J. L. Folker, director of manual training; "The Course in Morals and Manners for the Second Grade," (a) "The Seven School Virtues," (b) "Truthfulness," (c) "Kindness to Animals," (d) "Gratitude," (e) "Fidelity to Duty," Jessie M. Wright, C primary grade; general discussion; a story illustrating the quality of gratitude, Honora M. Gaffney, C primary grade.

Paxtang Hook and Ladder Company Elects Officers

At a meeting of the Paxtang Hook and Ladder Company last night the following officers were elected: President, Silas Railing; vice-president, Jacob Capella; secretary, J. E. Keim; assistant secretary, John Aurentz; treasurer, James Coleman; trustee for three years, John Hamilton; trustee for two years, John Wallet; foreman, Edward Heil; first assistant foreman, Harry Tuptanoski; second assistant, James Murphy; directors, Ruben Darr, Charles Attick, Romidis Ganzales, Oveidis Casterno, John Hoerner, Daniel Wolf; fire patrol, John Murphy, John Attick, John Hoerner; representative to Firemen's Relief Association, Silas Railing, John Hamilton, Edward Hile; assistant drivers, Ruben Darr, Charles Attick, Harry Martzon; representative to State Firemen's Association, Robert R. Attick; alternate, John Hamilton; auditing committee, William Reider, Harry Shannon, Charles Callaghan.

STEELTON SNAPSHOTS

To Preside at Meeting. — Mrs. W. A. Keister, president of the Epworth League of the First Methodist Church, will preside at a devotional meeting to be held to-morrow evening at 6.30 o'clock. "Lifting Our Hearts Godward," is the topic for discusion.

License Applications. — Although not rushed with civic work, Justice of the Peace Dickinson and Justice of the Peace Stees, are busily engaged issuing applications for automobile licenses. Together this pair has issued nearly 100 applications.

Remove Tree. — Steelton's Community Christmas tree was removed from its position in the Steel company lawn in Front street this afternoon by a force of men.

TO APPLY FOR APPROVAL

Application will be made to the Public Service Commission for the approval of a contract between the borough of Steelton and the Pennsylvania Railroad company, providing for the construction and maintenance by the railroad company of five additional railroad tracks in the borough. Application will also be made by the railroad company for a certificate of public convenience evidencing the commission's approval of the construction of three additional railroad tracts crossing Trewick, Franklin and Conestoga streets. The hearing on the applications will be held in the rooms of the commision January 17.

OFFICERS INSTALLED

At a meeting of Sergeant Lascomb Post, No. 351, Grand Army of the Republic, in its hall this afternoon officers elected recently were installed. The installation ceremonies were in charge of Past Commander George W. Rhoads, of Post 58, Harrisburg.

TO ELECT OFFICERS

The annual meeting of the stockholders of the Middletown, Highspire and Steelton Street Railway company for the election of president and directors and the transaction of other business will be held at the offices in Harrisburg, Monday morning at 10 o'clock.

Receiver Appointed For Famous "Jigger Shop"

Trenton, Jan. 6.—The Court of Chancery has appointed James E. Mitchell, of Trenton, receiver for the "Jigger Shop," of Princeton and Lawrenceville. The firm owes about $14,000 worth of merchandise in stock and book accounts.

The "Jigger Shop" has become famous through fiction of college life, and came into national prominence some years ago, when it was frequently mentioned in a series of stories appearing in a weekly periodical.

Midvale Steel Gobbles Up Nine-Million Coal Tract

Pittsburgh, Jan. 6.—The Midvale Steel Corporation has bought out the Pittsburgh-Westmoreland Coal Company for $9,000,000. The transaction involves 16,000 acres of gas coal and choking coal in Westmoreland and Washington counties. The property joins the 5,200 acres of the Marianna Coal Company, which the Midvale Company purchased about two months ago from the Union Trust Company, of Pittsburgh, the receivers, for $3,500,000.

cause of a shortage of coke, have resumed operations but production of pig iron is still below the maximum.

CONGREGATION TO REBUILD CHURCH

St. Peter's Lutheran Edifice Destroyed by Fire Will Be Replaced

At a meeting of the St. Peter's Lutheran church congregation of Highspire last night it was decided to rebuild the edifice destroyed by fire several weeks ago. Whether or not the new structure will go up on the same plot where the other was destroyed will be a question to be decided at a meeting of the congregation next Wednesday evening.

Several sights on which to erect the church are under consideration by church officials but it is likely the church will built on the old plot, according to one of the officials to-day.

No architect has been selected and no estimates as to what the new structure would cost could be secured. However, it was learned that the church will be somewhat larger than the old one and will be built on an up-to-date plan.

A building committee composed of eight church members was appointed to select an architect and report at the next meeting. Hiram McCaulley was appointed chairman of this committee. S. A. Brehm, was appointed chairman of the financial committee composed of eleven members. This committee is to look after the financial end and devise methods to raise money for the construction of the new building and report at the next meeting.

Highspire Council Takes Step to Purchase of New Fire Apparatus For Town

A movement for the purchase of better fire fighting facilities was put on foot at a meeting of the Highspire council last night.

The recent fire in the borough is the cause of much agitation for adequate fire protection. According to plans, a motor apparatus costing in the neighborhood of $2,000 will be purchased.

Clarence Shelly, chairman, C. Baker and J. Wise were appointed on a committee to devise a plan to number the borough residences. The committee will report at the next meeting of the body.

The following committee chairmen were appointed for the year: Highway, J. Wise; ordinance, Martin Cumbler; finance, Martin Cumbler; sanitary, C. Shelly; fire, C. Baker; printing, R. Brown; town property, C. Shelly.

Sell 28,300 Red Cross Seals During Xmas Season

During the 1916 Christmas season there were 28,300 Christmas Red Cross seals sold in the borough, according to reports of the result made by Mrs. J. M. Heagy yesterday. The school children turned in $178, a large increase of the profits over those of last year.

Mrs. Heagy, in a statement given out for publication last night, says: "The local committee is grateful for the support received in the borough. Steelton people have again shown themselves ready to sustain a movement for public welfare."

STEELTON CHURCHES

First Methodist—The Rev. W. C. Sanderson, pastor, will preach at 10.30 and 7.30; Sunday school, 2; Epworth League, 6.30.

Centenary United Brethren — The Rev. A. K. Wier, pastor, will preach at 10 and 7.30; Sunday school, 2; Christian Endeavor, 6.30.

First Presbyterian—The Rev. C. B. Segelken, pastor, will preach at 11 on "Hiding God's Word in the Heart" and at 7.30 on "A Parah of Grace;" Sunday school, 9.45; Christian Endeavor, 6.45.

Main Street Church of God—The Rev. G. W. Getz, pastor, will preach at 10.30 on "Revive Us Again" and at 7.30 on "Your Own Salvation;" Sunday school, 2; junior Christian Endeavor, 6; senior Christian Endeavor, 6.30.

St. John's Lutheran—The Rev. G. N. Lauffer, pastor, will preach at 10.45 on "The Flight Into Egypt" and at 7.30 on "Saver;" Sunday school, 9.30; intermediate Christian Endeavor, 6.30.

Grace United Evangelical—The Rev. J. M. Shoop, pastor, will preach at 10.30 and 7.30; Sunday school, 9.15; Christian Endeavor, 6.45.

Central Baptist Church—The Rev. H. D. Germer, pastor, will preach at 10.30 on "Abraham" and at 7.30 on "Joy;" Sunday school, 2; B. Y. P. U., 6.30.

United Brethren—The Rev. A. K. Wier, pastor, will preach at 10 and 7.30; Sunday school, 2; Christian Endeavor, 6.30; junior Christian Endeavor, Saturday, 2.

SCHOOL ELECTS OFFICERS

Officers elected for the ensuing year by the First Methodist Sunday School are as follows: Assistant general superintendent, John Bethel; superintendent of primary department, Mrs. W. B. Franke; assistant, Miss M. Brandt; superintendent of home department, Mrs. G. O. Kilmore and Mrs. George Crump; superintendent cradle roll, Mrs. Walley; secretaries, William Crump and Mark Sansom; treasurer, George Kilmore; organist, Miss Margaret Franke; assistant, Miss Marion George; committee on temperance, John Holbert; committee on missions, Mrs. F. V. Sellers.

OBERLIN SCHOOL ELECTS

At a meeting of the Memorial United Brethren Sunday School of Oberlin the following officers were elected: Superintendent, W. H. Horner; assistant superintendent, Taber E. Stengle; secretary, Raymond Nissley; assistant secretary, Roy Osman; treasurer, William Look; pianist, Tredith Eichleberger; assistant pianist, Mrs. Alfred Holmes; librarian, Franklin Paul; primary superintendent, Clair McLaster; junior superintendent, Bertha Eby.

Suffragists Cheated of 5 States Says Mrs. Catt

Washington, Jan. 6.—A charge that the suffrage cause has been "cheated of five and perhaps more States by wilful fraud or fraud perpetrated within the law," was made by Mrs. Carrie Chapman Catt, president of the Natioal American Suffrage Association, in an address advocating more stringent corrupt practice laws delivered last night before the National Popular Government League.

"In twenty-five States," said Mrs. Catt, "no provision has been made by the election law for any form of contest or recount on a referendum. Political corrupters may, in these States, bribe voters, colonize voters and repeat them to their hearts' content and redress of any kind is practically impossible. A case might be brought to the courts and the guilty parties punished, but the election would stand."

RUSSIANS MAY ABANDON LINES

[Continued From First Page]

"With God's Help Our Arms Will Enforce Peace."—The Kaiser

Amsterdam, via London, Jan. 6.—A Berlin telegram says that the following order of the German emperor to the army and navy has been officially published:

"Conjointly with the allied (central powers) rulers I proposed to our enemies to enter forthwith into peace negotiations. Our enemies refused my offer. Their hunger for power desires Germany's destruction. The war will be continued. Before God and humanity I declare that on the governments of our enemies alone falls the heavy responsibility for all the further terrific sacrifices from which I wished to save you.

"With justified indignation at our enemies' arrogant crime and with determination to defend our holiest possessions and secure for the fatherland a happy future you will become as steel. Our enemies did not want the understanding offered by me. With God's help our arms will enforce it.

"WILHELM I. R."

town now is menaced by a Germano-Bulgarian movement across the Danube from it in Dobrudja, made possible by the Russian evacuation of the province.

It is not only here, however, that the Sereth line is threatened for despite a tenacious defense by the Russians and Rumanians, the line northwestward beyond the Buzeu river is not holding well against the Teutonic pressure, while the efforts to keep the Teutons in check in the Moldavian frontier valleys is apparently proving still less successful.

A break in this line on the southerly front would imperil the Moldavian frontier portion while the piercing of the frontier line itself not an apparent improbability, would endanger the entire line running southwest ward to the Danube.

In these circumstances, commentators in entente capitals are considering the possibility of the Russians being compelled to abandon the line of the Sereth and withdraw to the Russian frontier, or beyond it to Bessarabia.

The French, British and Italian premiers and important military subordinates in several entente ministries are holding a war council in Rome for consideration of the general situation.

Emperor William is quoted as declaring in an order issued to the army and navy that as Germany's offer of peace negotiations had been refused the war would be continued with a view to an understanding forced by arms.

BELGIAN CHIEF OF STAFF DEAD

Havre, France, Jan. 6. — General Maximilian Wielemans, chief of the Belgian general staff, is dead of pneumonia contracted in the trenches.

GERMANS DENY SHOOTING OF WOMAN AND BOY

Berlin, Jan. 6. — (By wireless) — "Foreign newspapers report," says an Overseas News Agency announcement to-day, "that recently in Hasselt, Belgium, a woman and a boy 16 years of age were sentenced to death and shot by the Germans as spies.

"The report is absolutely untrue. No boy of this age was sentenced at all. A woman was sentenced to death by a court on conclusive evidence, but was pardoned."

REPAIR OIL WORKINGS

London, Jan. 6. — A Reuter dispatch from Amsterdam votes Berlin dispatches as saying that the work of repairing the damage in the Rumanian oil districts has advanced so far that some works may resume production within a few weeks.

GREEK REVOLT THREATENS

London, Jan. 6. — News dispatches from Athens depict the situation there as threatening for the entente and assert that power is passing into the hands of the reservists who are expected to break out again as on December 1. Most of these dispatches have arrived by way of Syria and are more than a week old, but the Morning Post's correspondent, under date of January 3, claims that the position in the Greek capital then was such as to indicate that the Athens government is meditating some desperate stroke. The reservists are being secretly enrolled and notified to hold themselves in readiness to join specified regiments at an hour's notice while measures regarding artillery and munitions are being extensively taken.

Railroad Notes

Superintendent J. J. Rhoads of the Schuylkill division of the Pennsylvania Railroad with other officials and rooters attended the elimination contests.

Frank E. Williams, freight agent for the Pennsylvania Railroad at Coatesville, has been transferred to Lancaster. John A. Oehm of Middletown, succeeds Mr. Williams at Coatesville.

President A. T. Dice of the Philadelphia and Reading Railway who is in Augusta, Ga., recuperating, is reported to be gaining strength rapidly and will return north about January 15.

Freight conditions on the Reading are again reported to be normal.

An average of 1,400 cars of anthracite coal are shipped daily from the Reading mining districts.

George A. Saltsman to Open Insurance Office

George A. Saltsman has resigned as paying teller of the Mechanics Trust Company, in order to devote his whole time and attention to a general insurance business and has opened offices in the Arcade building. He has purchased the business of the General Accident and Health Company of Perth, Scotland, for this district, from Isaac Miller, and will act as general agent for this territory, handling in addition thereto life, fire, automobile and compensation insurance.

Mr. Saltsman has been connected with the old Mechanics Bank and the new Mechanics Trust Company for a period of 25 years.

Mr. Saltsman was a former member of city council, being president of the body in 1900 and 1901. He represented the New York Life Insurance Company (Harrisburg branch) at the convention, held at Old Point Comfort several years ago.

BETTER THAN SPANKING

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her to-day if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.—Adv.

Railroad News

PENNSY PLANS LARGE TERMINAL

Abandons Subway Idea in Philadelphia; to Spend Million on New Broad Street Station

Philadelphia, Jan. 6. — Complete renovation of Broad street station and the erection of a large addition to the present building, so that the terminal will front on the new parkway when that project is finished, are being planned by Pennsylvania railroad officials. The improvements will cost several million dollars.

News of this latest addition to the number of public and private buildings that are to line the parkway became known yesterday afternoon, and was immediately confirmed by officials of the company. Plans for the project are being completed now by Pennsylvania engineers.

The addition to the present terminal building will be along the lines of the Pennsylvania railroad's handsome terminal in New York City, and when completed will make the station here not only one of the largest in the country, but also one of the most beautiful.

Frontage on Parkway

Under the plans the new front to the station will run along the lower side of the parkway from Fifteenth street to Sixteenth and will be erected on ground that now is owned by the company. Negotiations are now pending between the city and the company for the erection of the building.

News of the railroad's intention to renovate Broad street station and erect a handsome addition on the parkway came to light in connection with the application filed last week by Transit Director William S. Twining for a certificate of public convenience authorizing the city to proceed at once with the construction work on the new Broad street subway.

Stop Original Plans

Originally it was intended to have the Pennsylvania railroad use this tunnel jointly with the city for the operation of its trains between North Philadelphia and Broad street station. Subsequently a plan was outlined for a Pennsylvania railroad owned subway in Filbert and Thirteenth streets and Ridge avenue. This was considered for several weeks by Pennsylvania railroad officials, but its cost was said not to be justified by the demands on the company at this time, and this plan was abolished, too. The rebuilding of Broad street station and the addition thereto were considered more practicable.

Director Twining let it be known yesterday that the railroad company practically had given up all intentions of building a subway in this city.

Standing of the Crews

HARRISBURG SIDE

Philadelphia Division—106 crew first to go after 4 p. m.: 101, 103.
Engineer for 101.
Fireman for 106.
Flagmen for 106, 106.
Engineers up: Gable, Sellers, Brubaker, J. N. Gable.
Fireman up: Shandler.
Conductor up: Fink.

Middle Division—234 crew first to go after 3:30 p. m.: 215, 7, 221, 6, 205, 207, 222.
Ten Altoona crews to come in.
Laid off: 103, 21, 18.
Flagman for 7.
Engineers up: Albright, Kline, Asper, Baker, Peightal, A. C. Burris, Grove, Buckwalter, Rensel, Corder.
Firemen up: Coyle, Warner, Steele, Gray, Trout, Landis, Sellers, McDonald, Tippery, Jr., Peters, Pensyl, Newhouser, Bretz, Orr.
Brakemen up: Kowatch, George Campbell, Doyle, Jr., Gebhart, D. L. Sweger, Blessing, Garlin, Reea, Schmidt, Heck, Carl.

Yard Crews—
Engineers for 6, second 8, third 8, 16, second 22, fourth 24, 26, 40, 76.
Firemen for first 8, second 8, third 8, 12, 16, first 22, second 22, third 24, fourth 24, 48, 56, 62.
Engineers up: Yinger, Starner, Morrison, Monroe, Beatty, Feas, Kautz, Leiby Fulton, Felis, McMorris, McDonnell, Runkle, Wise, Watts, Sieber.
Firemen up: Sheaffer, Kiner, Whichello, Peiffer, Weigle, Burger, Wagner, Richter, Keiser, Six, Cain, Warner, Myers, Steele, Hardy, Wilhelm, Walters, Bruaw, Vuchity.

ENOLA SIDE

Philadelphia Division—233 crew first to go after 4:15 p. m.: 224, 232.
Engineers for 224, 232.
Conductor for 33.
Brakemen for 33 (two).
Conductor up: Logan.
Flagman up: Umholtz.

Middle Division—228 crew first to go after 1:30 p. m.: 251, 249, 217, 225, 240.
Six crews laid off at Altoona.
Laid off: 101, 112, 106.

Yard Crews—
Engineers for second 124, 128, 134.
Firemen for first 126, 122, 128, 130, 112, first 102, second 102.
Engineers up: Bretz, Kauffman, Kepford, Passmore, Troup, Anthony, Neumyer, Rider.
Firemen up: Brandt, Reed, Backenstoe, Hinkle, Pickhart, Rice, McIntyre, Walsh, Books, Eichelberger, Guilman, C. H. Hall, Clark, M. S. Hall, Myers.

EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to flush Kidneys if bladder bothers you.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

A plate without a roof, which does not interfere with taste or speech.
