Just Unpacked--New Satin Hats: Advance Spring Styles Ideal ForMid-WinterWear

Satin millinery is having an unprecedented vogue!

Women who are tired of their first Winter hats of velvet, gladly turn to these newcomers which are so modish and charming, because they go so well with any costume.

The shapes are so refreshingly new. Every model is noted for some dashing line or fascinating curve of brim. The sailor effect is dominant but such picturesque sailors you never saw before.

The military and oriental influences are apparent, too, in the soldierly stickups and the mystic Chinese touches. We know of no other millinery

showing in town that approaches this in style, variety and exclu-siveness. And talk about advance styles — we actually sold straw hats during the Christmas holidays.

For accurate style information as to fashionable millinery, keep in touch with our new models. See the magnificent hat shapes and

veils imported direct from Paris. Satin and satin and straw-trimmed

INTERESTING CARD NIGHT AT COLONIAL COUNTRY CLUB

Dr. Edwards' Olive Tablets—the sub-stitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the re-sult of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the guns. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spir-its. 10c and 25c a box. All druggists. AT COLONIAL COUNTRY CLUB Five Hundred seemed to be the pre-ferred game last evening at the Colonial Country Club although a few played bridge. Among those in attendance were Mr. and Mrs. Harry Delmotte, Mr. and Mrs. R. D. Pratt, Dr. and Mrs. Cad-wallader, Mrs. James D. Hawkins, Miss Clara Segelbaum, Mr. and Mrs. Brooke Trout, Dr. and Mrs. M. V. Hagen, Dr. and Mrs. Robert E. Holmes, Mr. and Mrs. W. R. Houser, Dr. and Mrs. C. A. Sheeley, Mr. and Mrs. J. Ask the drug store man for a quarter of an ounce of freezone, which costs very jittle but is sufficient to re-move every hard or soft corn or cal-lus from one's feet. This drug is an ether compound and dries in a moment and simply shrivels up the corn without inflam-ing or even irritating the surrounding tissue or skin. Clip this out and pin on your wife's dresser.
