### Closed Circle Meeting of Story Tellers League

Interest in the ancient art of story telling is growing rapidly throughout the city. The president of the Harris-burg Story Telling League is constantly besieged with requests for members to visit various churches, institutions and clubs as entertainers. The league, which numbers nearly 50, held closed circle meeting in the

closed circle meeting in the board room of the City Library last evening, Mrs. Harry G. Keffer, the president, presiding. Following routine business the names of three new members, Mrs. Piper, Mrs. Lawrence and Mrs. Mahoney were proposed.

The subject for the occasion, "Voice Control in Story Telling" was most capably explained and demonstrated by Mrs. Roberta Swartz Harling, whose years of experience as an elocutionist and public reader made her exceptionally capable of handling such a theme. So beneficial did the members find her talk that a resolution was passed securing Mrs. Harling's services for a series of lessons along this line for the members at the circle meetings during the winter.

Mrs. W. C. Enterline of Camp Hill told the beautiful story, "An Angel in the House," with a pathos and charm that brought to a close a most successful and delightful meeting.

### HOT TEA BREAKS A COLD-TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of bolling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vege table, therefore harmless.
