# IMPORTANT ANNOUNCEMENT

- ¶ EVERYBODY KNOWS about the extraordinary advances in the cost of natural products, raw materials and manufac-
- Almost everything, from the most insignificant article, is costing more. In many instances the prices have become almost unbearable.
- The NEWSPAPERS have been hit, and hit hard.
- Recent advances in the price of white paper, in many instances, have more than doubled. On account of the enormous increase in cost, a number of publications have been compelled to go out of business.
- ¶ At present the WHITE PAPER on which it is printed, will average in cost more than the Star-Independent sells for to the public.

## **NOTABLE TOPICS** FOR BIG MEETING

Farmers Will Talk Over Many of the Problems Which Have Arisen Recently

sorbing the attention of the farmnd the general public of the State various agricultural associations progre which will be in session at Harrisburg

ment agricultural societies will have important meetings and joint sessions have been arranged at which some of the most vital of agricultural topics will be thoroughly discussed. Among the associations that will be in convention during the week are the State Board of Agriculture, State Horticultural Association of Pennsylvania, State Breeders' and Dairymen's Association. State Veterinary Medical Association, Holstein-Friesian Association of Pennsylvania, Pennsylvania, Sheep Breeders' and Wool Growers Association, State Vegetable Growers, Association, State Vegetable Growers, Association, and many allied societies.

The meetings of these organizations.

Minch, vice-president of the State Horticultural Association of New Jersey will talk on "Orcharding and Its Side Lines." Professor A. Freeman Mason, of State College, will speak on "Possibilities of Community Orchard Management."

There will be two sessions devoted to milk production, dairy inspection and topics of vital interest to the cattle end of the agricultural industry. At the joint meeting on Wednesday evening some of the subjects to be discussed are:

"Should the State Pay Indemnity for Animals Destroyed to Prevent the Spread of Disease?" State Dairy In-Spection; and the Pennsylvania.
