Realizing For Profits Cause a General Setback; Steel Forfeits Gain

New York, Jan. 12. — Initial prices failed to hold, realizing for profits causing a general setback before the end of the first half hour, after which trading steadily dwindled.

Marine, Ltd., was among the first of the active issues to succumb, its advance of 1 1/2 points soon being changed to a loss of as much. Steel also forfeited a greater part of its gain and prominent equipments and specialties manifested similar tendencies.

MILLER ARREST NEEDLESS SAY HIS NEIGHBORS

Poor Director Snavelly and Others Wrought Up Over Action of Authorities

County officials and a number of the neighbors of Harry Miller of near Hummelstown, were indignantly wrought up to-day over the arrest of Miller, charging him with the murder of his son, Clayton, aged 21. Young Miller's death, coroner Bekinger claims, was caused by starvation.

Rumors to this effect were current to-day, but so far no action has been sworn out for Mrs. Miller only served to further incense them.

County Commissioner H. M. Stine declared his willingness to begin a subscription list to engage an attorney to defend Miller or his wife, Chief Clerk Ed. H. Fisher declared he'd go along and Chief Clerk W. J. Bayles was another who expressed his willingness to subscribe.

Why I was astonished when I saw the story in the newspapers that a neighbor of mine had been charged with the murder of his son," declared Poor Director Snavelly.

"The family is poor indeed, but so far as I've ever been able to learn it is a highly respected family and I can't for the life of me understand why the husband and father or any of the rest of the family should be arrested for bringing about the death of his own son."

Miller in a cell in the county jail begs and begs to be released only for long enough to attend the funeral of his son. The funeral, however, was held yesterday. "Yet not, didn't lessen the resentment."

Secretary Yates, upon his return from the Miller home said he was positive ignorance of the proper care that should be given when the youth probably was largely responsible for the death of the invalid. He also promised the co-operation of the Aid societies, declaring he did not believe the alleged starvation of the youth was intentional. Neighbors have also promised their help in caring for the children if necessary.

D. D. Hammelbaugh to Lead Red Cross Campaign

Harrisburg's Red Cross Christmas seal campaign for 1917 got its initial boost last evening when the general committee, which conducted the 1916 crusade elected, D. D. Hammelbaugh, secretary of the School Board, to succeed Dr. C. R. Phillips as chairman.

Dr. Phillips, who has served so successfully in the past several years, declined to serve again because of private business affairs. The committee met at the home of Mrs. William Henderson, 25 North Front street.

Both Henry W. Gough and John Y. Aron, former president and secretary of the Associated Aids Society, respectively, were re-elected treasurer and secretary of the committee.

York Mother Finds Ideal Cold Treatment For Her Little Boy. Nothing to Swallow—You Just Rub It On.

Mothers everywhere will be interested in the experience of Mrs. Chas. I. Smith, 623 West Gas Alley, York, Pa. Mrs. Smith tried the Southern remedy—Vick's VapoRub Salve, when it was first introduced in York, and writes—

"Our little four year old boy had a cough for about a week. We gave him everything we knew, and nothing seemed to do any good. So when we got Vick's VapoRub I rubbed it on his chest well for two nights and I have not heard him cough since. I think it is the best medicine I have ever had in the house."

Vick's VapoRub comes in salve form, and when applied to the body heat, the ingredients are released in vapor form. These vapors are inhaled with each breath, opening the air passages and loosening the phlegm.

Why not get the Best? THE judges at the Panama Pacific Exposition awarded the highest score for tone quality to the Sonora. These men who made this decision are musical experts. It doesn't take a trained ear to observe the decided superiority of Sonora, however. You have simply to hear it.

THE INSTRUMENT OF QUALITY Sonora CLEAR AS A BELL. "The Highest Class Talking Machine in the World"

SOME of the features which made the Sonora pre-eminent are, the correctly designed sound box which does not deteriorate with age; the scientifically accurate horn which prevents sound wave distortion or "muddy" notes; the Swiss-made motor which runs almost twice as long per winding as does any other; the extremely graceful cabinet design; the splendid workmanship, etc.

THE TROUBADOUR, \$75. This is the characteristic Sonora tone and the records are played with a distinctness, accuracy and expression that will make you most enthusiastic over this remarkable instrument. The equipment includes the Tone Modifier, Automatic Stop, Sapphire Needle, Needle Cups, Multi Playing Needle, etc. Plays all makes of records perfectly. Every Sonora is guaranteed for one year.

Russia's "Sacred Devil," Who Was Assassinated. Gregory Rasputin, called the "Sacred Devil of Russia," whose influence over the royal family, particularly the Czar and high officials, was one of the most striking characters who have floated through all Russian history. Rasputin had gained such power over the royal family that he feared he would interfere seriously with the conduct of the war. At any rate he interfered with the officials of such importance that the Russian police tried to prosecute the men who killed him.

COPPERS IN A NUTSHELL. Above Book Now Ready. In no publication on copper securities that has ever been written have investors been told such important essentials as:

1. What should the particular stock yield as an investment, 8%, 10%, 15%, 20%? 2. What part of the earnings of the Company are available for dividends, or may conservatively be reckoned as available for dividends? 3. What likelihood of change in capitalization? 4. What is earning capacity per share on varying copper metal prices? 5. Market career of the stock, its ups and downs, and reasons therefor, etc. The present booklet, "Coppers in a Nutshell," has been prepared especially for us by a well known authority who has personally visited most of the American properties discussed. The aim of the booklet is to disseminate reliable and dependable information on seasoned copper securities. Copies free upon request. HOWARD ARLEY & CO. 221 Market St., Harrisburg, Pa. Telephone—C.
