This fanatic had a fancied grievance against the head of the firm and somehow had gotten by the outer offices without being seen.

Emily knew he had no business there and in a second she realized the situation. She asked him if he wished to see Mr. Grimshaw, and he answered yes and held a package he was carrying a bit tighter. Cleveland, O.—No wife has a right to blame her husband because he drinks, says Drugglst Brown of Cleveland, it is her fault if she lets him drink and bring uphappiness and poverty to her home and she has no right to complain. A woman can stop a drinking husband in a few weeks for half what he would spend on liquor, so why waste sympathy on a wife who refuses to do it? Drugglst Brown also says the right time to stop the drink habit is at tis beginning unless you want drink to deaden the fine sensibilities of the husband you love. Begin with the first whiff of liquor on his breath but do not despair if he has gone from bad to worse until he is rum-soaked through and through. He was rescued from the brink of a drunk ard's grave by a loving sister who, after ten years' time, revealed the sec-

at times threatened to go to greater extremes.

The present predicament of the society, which is a combination of the American Life and Annuity Society and the Order of Unity, is due to the failure of the Pension Mutual Life Insurance Company, which acted as trustee and whose assets are now in the custody of the State Banking Commission.
