Erie Woman Killed and Boarder Stabbed

Erie, Pa., Jan. 19. — Unconscious of the fact that her mother had been stabbed to death, a baby, one year old, played an hour beside the body yesterday in the home of Mr. and Mrs. John Turrano. When the police reached there they found the youngster fast asleep, with her arms tightly clasped about the neck of her dead parent.

Another child, less than four years old, had been frightened speechless and at a late hour to-day had not recovered its power of speech.

Upstairs a boarder named Thomas Mundean was found suffering from stab wounds, which are so serious that his death is expected. Meanwhile the police of this city asked the authorities of the surrounding cities and towns to search for a former boarder and his wife. Mundean told the husband of the slain woman that he had been stabbed with a file of razor-like sharp-

ness, which had evidently been used to kill Mrs. Turrano. He believed he recognized the man as the missing boarder.

RAILROAD NEWS

DRY STATE SOON IS PREDICTION

Alba B. Johnson, President of Baldwin Locomotive Plant, Gives Timely Talk

DRY STATE SOON 5 Predictions of a "dry Pennsylvania" were made by Alba B. Johnson, president of the Baldwin Locomotive Works, at the annual meeting yesterday of the Pennsylvania Railroad Retired Men's Association at the Railroad Y. M. C. A., Philadelphia. Progress and efficiency are allied with temperance, said Mr. Johnson, adding:

It is unfortunate that Pennsylvania is behind other States in liquor reform. But we can look forward with great confidence to Pennsylvania's joining her sister States which have eliminated liquor. This elimination of liquor from the Keystone State is inevitable.

One Incident Describing the results of his observation of the men who drink and those who do not, Mr. Johnson said: "I can recall a saloon which was frequented by workmen from our plant. They drank and played cards and used the place as a clubhouse. But the habit of going there never got along, because it is the man of steady habits who forges to the front."

Nearly all the members of the association are more than seventy years old, and "the kid," John W. English, an engineer, is sixty-five years old. Harrisburg veterans are a large part of the membership. Among the speakers were Bayard Henry, director of the Pennsylvania Railroad; S. C. Long, general manager; George V. Massey, retired general counsel, and William B. McCaleb, superintendent of the Philadelphia division.

Here is Proof by Women who Know.

Lowell, Mass. — "For the last three years I have been troubled with the Change of Life and the bad feelings common at that time. I was in a very nervous condition, with headaches and pain a good deal of the time so I was unfit to do my work. A friend asked me to try Lydia E. Pinkham's Vegetable Compound, which I did, and it has helped me in every way. I am not nearly so nervous, no headache or pain. I must say that Lydia E. Pinkham's Vegetable Compound is the best remedy any sick woman can take." — Mrs. MARGARET QUINN, Rear 259 Worthen St., Lowell, Mass.

She Tells Her Friends to Take Lydia E. Pinkham's Remedies.

North Haven, Conn. — "When I was 45 I had the Change of Life which is a trouble all women have. At first it didn't bother me but after a while I got bearing down pains. I called in doctors who told me to try different things but they did not cure my pains. One day my husband came home and said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound and Sanative Wash?' Well, I got them and took about 10 bottles of Vegetable Compound and could feel myself regaining my health. I also used Lydia E. Pinkham's Sanative Wash and it has done me a great deal of good. Any one coming to my house who suffers from female troubles or Change of Life, I tell them to take the Pinkham remedies. There are about 20 of us here who think the world of them." — Mrs. FLORENCE ISBELL, Box 197, North Haven, Conn.
