"THE DIANA OF THE SURF"

William Fox, it is said, has become the biggest plunger of the motion picture world. On Monday night, for one week, the patrons of the Orpheum theater will be given an opportunity to see the feature on which he staked a million dollars, and won. The theme is a fascinating flight of the imagination, narrating the vicissitudes of the souls of a baby boy and girl who left this old "wayside inn of earth" at a very tender age.

Miss Annette Kellermann, "A Daughter of the Gods," is truly termed "The Diana of the Surf." No Dryad of Pan's Mountain was ever more wonderfully fashioned, more really akin to the verdant forest, no Triton's daughter was ever closer to the moods and bosom of the great sea.

Chinese by Tunnel Lawful, They Say

Kansas City, Mo., Jan. 13.—A novel defense was offered in the Federal Court in Kansas City, Kan., by Lorne Stoneberg and Edward Hook, who filed habeas corpus proceedings to obtain their release from the Federal penitentiary, where they were sent on a charge of bringing a Chinese into the United States.

To evade the Federal statute, which says Chinese must not be brought into the country "by land or by water," they brought Mah Chong, alias Mah Gwon Wy, through a tunnel under the Detroit River, to Detroit from Windsor, Canada. After hearing their defense, Judge Pollock took the matter under advisement.

The men were fined \$1,000 each and sentenced to two years in prison, in Chicago last July.

WELLY'S CORNER

The National Baseball Federation in session at Toledo yesterday changed the rules to permit professional players to get back into the amateur ranks. He will have to play in the semiprofessional class.

James W. Coffroth is making a strong bid to have Les Darcy meet Mike Gibbons for the middleweight championship. Darcy, however, is picking up easy money even if his manager is losing money in a theatrical venture, and it looks as if there would be no real battle with the Australian until fall.

The Pennsylvania Pipe Shop League has broken into the bowling game. Good scores are recorded in every contest. Wilhelm is one of the Pipe Shop stars. Finnen is another good man.

Mumma and Spikes are fighting hard for honors in the Allison Hill League. Schriver of the Leopards and Richmond of the Cubs are also doing great work.

HOME FOR VETERAN PLAYERS

Chicago, Jan. 20.—Establishment of a "home" for major league players is a proposal that in all probability will be submitted to club owners of the American and National Leagues, E. B. Johnson, president of the Amateur League, announced last night.

"Such a home could easily be established and maintained," he said. "It might be feasible to give a part of the world's serried receipts to such a cause, and club owners probably could be induced to contribute to the fund. Several benevolent organizations have homes for the aged, and I think baseball players should have one."

ALL CLEVELAND PLAYERS SIGN

Chicago, Jan. 20.—Virtually every member of the Cleveland Americans has signed a 1917 contract. Dunn said that Bobby Roth, a member of the baseball players' fraternity, had not signed, but that he expected to come to terms with him within a week.
