

TWO IMPORTANT GAMES TO-NIGHT'S CITY AMATEUR LEAGUE SCHEDULE

TROUBLE BREWS FOR BLUE RIDGE

Dissatisfaction Over Action on Sunday Games and Salary Limit

Chambersburg, Pa., Jan. 23. — The life of the Blue Ridge League, as it now stands, seems to be greatly threatened by a clash which has occurred between the teams from south of the Mason and Dixon line and those north over Sunday baseball. At a meeting held in Hagerstown, Md., after heated arguments, a motion to prohibit Sunday games and the transfer of regular games to Sunday was passed previous to the admission of Cumberland and Piedmont.

Much dissatisfaction has now arisen in the Southern cities, especially in the two which recently entered the league, because Sunday ball is not permissible.

Want Sunday Games

They claim that their chief source of revenue is from these games and that they must have them to run their teams. The Southern cities favor them as well, for they feel the finances of the league will be greatly strengthened by Sunday ball. Chambersburg has declared that if a resolution permitting Sunday ball passes the next meeting they will at once withdraw from the league. It is expected that Gettysburg and Hanover would follow suit.

Dissatisfaction has also arisen among the cities because of the fact that the salary limit was cut from \$1,200 a month, excluding the manager, to \$1,000 a month, including the manager, at the recent meeting. Chambersburg and Hagerstown will fight at the next meeting to have this limit rescinded and the old one again adopted.

A schedule was adopted at the recent meeting, which consists of 98 games and opens on the May 10. President Jamison was re-elected as head of the baby circuit.

Football Fobs For Players on Tech Football Team

Members of the graduating class of the Technical high school who were members of the football team last fall received football watch fobs yesterday. Dr. C. B. Fager, principal of the school, made the presentation. In addition to Captain Eddie Harris, and Manager George L. Stark, other players to receive the award were: Frank Gipple, James McFarland, Harry Eyster, Forrest Philippi, George Fitzpatrick, Joseph Todd, LeRoy Gouzier, John McGinn, Charles Shaver and Edwin Garman. Martin Miller and Carter Yearchose contracts for themselves. The fobs are made of gold with the name and position of the recipient engraved on them. On the other side is an enamel "T." While there were other students in the school who made the Varsity last season, only the graduates are given the choice between football fobs and car-cigars.

SOX IN LINE-UP

Boston, Jan. 23. — Harry H. Frazier, president of the Boston American League Baseball club, announced that he had nine players under contract, including Manager John J. Barry, who were signed a few weeks ago and Ruth, Short and Arnew whose contracts held over from last season. He expected five more players to send in their contracts Thursday. At the club's offices, it was stated nearly all members of the team are members of the Baseball Players' Fraternity.

Make this suggestion to your auditing department, or whomever takes care of the premiums on your corporation insurance policies: Make a monthly charge of 1-12 of the annual premiums the company pays and open a special account where these premiums may earn 3 per cent interest while accumulating. This will avoid overloading any one account or department in any one month, and spread the cost of your corporation insurance over the entire year. "FIGHTING BEN" OF YORK ON BIG FIGHT PROGRAM

On the big boxing bill at Chestnut Street Auditorium to-morrow night will be "Fighting Ben" of York. He will meet Herb Hunter of this city in a six-round bout. He has fought a number of good men. On the bill will also be Al Murphy of Scranton, who will meet Frankie Erne, of Lancaster. This pair gave a great exhibition last May and will be a feature to-morrow night. Seats are selling rapidly and indications point to a large crowd.

Bits From Sportland

Camp Hill five will journey to York Friday for a game with the York Collegiate tilters. George Whitted, outfielder on the Philadelphia National League team, whose home is in Durham, N. C., has refused to sign his contract.

Camp No. 309 P. O. S. of A. will send its champion quilt team to Harrisburg January 31 for a first of a series of games with the team from Camp 3 of Harrisburg.

The Globe Right Posture five will play the Keystone A. C. on Technical High School gymnasium floor Thursday night.

The Big Five of Camp Hill wants a Saturday game. Call Bell phone 3072. The Seniors and Sophomores of Tech High School played this afternoon.

The Steelton Independents defeated Middletown A. C. last night, score 30 to 14.

LEBANON VALLEY TEAM HOME Annville, Pa., Jan. 23. — Lebanon Valley's basketball team returned from their Southern trip yesterday, having won one and lost one game. They defeated Mt. Saint Mary's at Emmitsburg on Friday, 27 to 16 and lost to Washington and Lee University on Saturday, 24 to 14. Considering all the circumstances, Coach Guyer is well pleased and believes that the team has hit its stride for the season. To-night they meet the strong Juniata quintet on the Alumnus Gymnasium floor and a fast game is expected. Dannie Walters the strong defense guard is still suffering from the injury received to his knee in the Temple game and will be unable to play. Instead his place will be filled by Atticks or Shetter, both able aggressive guards.

LEO HOUCK COMES BACK Lancaster, Jan. 23. — There was a big attendance at Ernes' Physical Culture club last evening, attracted by the reappearance of Leo Houck after an absence from the ring since last season, when he defeated Jack Beck at the Lancaster A. C. In his fight with Eddie Reynolds the Lancaster boy showed he was far from all in and was entitled to the verdict at the end of six fast rounds. There were no knock-downs. In the semifinals Jule Ritchey, substituting for Dave Shank, who was ill, met Willie Horn and was the victor.

CHARGE WELSH WITH FAKER Milwaukee, Jan. 23. — Freddie Welsh, champion lightweight boxer, was summoned to-day to appear before the Wisconsin Athletic Commission here, February 5, to answer charges preferred by the commission that he "stalled and shammed" in his bout with Richie Mitchell here last Tuesday night.

"NO STRIKE" SAYS BAN B. JOHNSON

Reports From Teams Indicate Loyalty in American League; Doyle on List

Chicago, Jan. 23. — "The backbone of the baseball players' strike is broken." This was the parting shot of Dave Fultz, president of the Baseball Players' Fraternity, dealt by President Ban Johnson, of the American League, yesterday, on the eve of his departure for Dovers Hall, Ga., on a pleasure trip. Reports from American League managers and players, coming to the headquarters of the circuit, tend to prove that a strike is not wanted by the players, says the A. L. chief. It proves, he contends, that the strike propaganda is being fostered by Fultz principally.

President Dun, of the Cleveland Indians, was an American League magnate who brought in an optimistic report. He said to-day: "Practically all of my players have signed contracts to play for Cleveland in 1917. The only one of the regulars who has not come to terms is Bobby Roth, and I anticipated no serious hitch with this player."

An optimistic report from Manager Clark Griffith, of the Washington club, was forthcoming. "Griff" said he had seen a number of players and they seemed to be loyal to their club. Four of his regulars, including Walter Johnson, were already under contract, "Griff" said, and he anticipated little trouble rounding up his other regulars.

The American League chief also was optimistic over the chances of starting the season with all the clubs of the American League playing their regulars, even if a strike was called on February 20, as threatened. He refused to take the strike seriously. White Sox players have lined up almost unanimously in favor of their club, as opposed to the Fraternity, and the St. Louis team also seemed strong for its club.

President Johnson exhibited a communication from Samuel Gompers, of the American Federation of Labor, in which he asserted a walkout of the major league players would not be at the instigation of the organization of which he is head. Larry Doyle is one Cub ball player who will not respect the laws of the Baseball Players' Fraternity.

WELLY'S CORNER

Bids are being made by the Players' Fraternity for union league players. This is taken as an indication that Dave Fultz lacks strength. Time will tell who is who. The ultimatum is not far off.

With eight of the games on the schedule already played by the Tech basketball quintet, Coach Miller has eliminated the players who will not participate for the Maroon this season. While there will be several cases in which candidates who "star" on the class teams will be promoted to the first and second team squads, there will be but few changes in the future games.

Friday night Tech will oppose the Academy five. The contest was scheduled for the Academy floor according to the Tech management, but through a misunderstanding the up-river lads expected to play on the Armory. The matter will be settled to-night, when the place for the contest will be announced.

It is said Charles Weeghman will spend \$14,000 to train the Chicago Cubs in the South. Fred Mitchell and his men will go to Pasadena, Cal., early in March.

The Hassett five will play Lebanon Valley college tossers Thursday night at Cathedral Hall floor. This game promises much interest.

Scranton had a basketball game last night that looks like a record-breaker for fouls. The Y. M. H. A. Varsity and Y. M. H. A. Victors played for the championship of the association. Ellis Riskin, one of Scranton's leading referees, called 81 fouls; 48 on the Varsity and 33 on the Victors. The Varsity threw 23 of their fouls, while the Victors landed eleven fouls. The Victors won, 37 to 32.

Since 1910 Jack Barry has earned \$18,708.04 extra. He shared in six bonuses. Notwithstanding, it is said ball players are poorly paid.

Elmira owners of the New York State League franchise are anxious for a sellout. Notice has been given the people of Elmira that baseball must be backed by a new association, or they will quit. Mortimer Sullivan says he lost \$6,500 last season and \$11,000 in eight years.

TWO BIG GAMES FOR LOCAL BOYS

Hard Fight in City Amateur League to Close Up Gap

Important games are scheduled for to-night at the Armory in the City Amateur League. The Galahad R. C. will meet the Y. M. H. A., starting at 8 o'clock. One hour later the Rosewood A. C. will line up against the West End A. C. In view of the fact that there is a close race for second honors in order to get in the running for the lead, both these contests promise unusual interest.

For to-night and all future games an admission fee of 15 cents will be charged. The board of governors desires a still larger patronage and has reduced the fee to meet a demand from the younger basketball enthusiasts. Another rule in force to-night will be starting the game on time.

Winn is Real Leader

Gebhard, a member of the Galahads, playing forward, has played in one game and leads with a total of 15 points. The real leader is Arthur Winn, of the Methodist team, center and guard in four games, having scored 13 field goals and 33 goals from fouls. His nearest competitors are Ross, of the Y. M. H. A., forward, 44 points; Kline, Rosewood, forward, 41; Holland, West End, forward, 37. Other players have shown good form, but have not appeared in games regularly.

PASKERT IS PEEVED

Cleveland, Jan. 23. — "Dodge" Paskert, veteran center leader of the Phillies, has just received a letter from Fultz, telling him to "stick." "Stick I shall," says Paskert. "I want to test the strength of the fraternity and see if it is doing me any good to pay in \$18 a year. I also got my contract back from Philadelphia. It was the same one that I returned to President Baker. There was no advance in salary. Baker told me to suit myself about signing, and I will."

NEW YORK, JAN. 23. — The nude in the ban of the National Board of Review, it was announced here. All producing companies that are members of the National Association have agreed, it was said, not to permit the production in their studios of photographs using such a figure. Instructions to this effect have been sent to directors and scenario writers. Action was taken after "widespread disapproval" of such pictures was disclosed by an investigation covering the entire country.

DANCE OF OVERPRODUCTION OF SEX PROBLEM PLAYS ALSO HAS BEEN RECOGNIZED BY THE BOARD OF REVIEW, A STATEMENT ISSUED BY THE BOARD OF REVIEW ADDED, HOWEVER, THAT "DISCUSSION OF SEX PROBLEMS, WHICH ARE BEING CONDUCTED THROUGHOUT THE NATION, BELONG TO A DISTINCTLY DIFFERENT CATEGORY AND DESERVE DRAMATIC TREATMENT ON THE SCREEN AS WELL AS ON THE STAGE."
