## Annual Pre-Inventory Sale

*The Winter's Big Selling Event With Its Stirring Economies Took Harrisburg By Storm To-day*

**M**ANY who were not served in the selling activity will be glad to know that stocks will be re-arranged by to-morrow morning — and that in addition to a large portion of to-day's offerings — added values that are striking will be brought to the fore for another tremendous day.

This is an unusual event and demanded extraordinary preparations — and only because we did make unusual plans is it possible to thrill you each day with new hosts of bargain specials.

For to-morrow — the unfailing magnet centers upon the list of under-price attractions below — and with those already given publicity the store will present a stirring scene of business activity.

**Embroidery**
