## LIVELY BOUTS ON BOXING PROGRAM

### Frankie McGuire Has Best of "Kid" Alberts; Local Boy Wins on Foul

Boxing enthusiasts last night witnessed two bouts that eclipse anything in ring exhibitions ever seen in Harrisburg. In a ten-round mill Frankie McGuire of Williamsport had the best of Kid Alberts of Frederick, Md. This was something like a ring battle should be. Both men were in evidence from start to finish.

### McGuire Uses Left

In the ten-round windup Alberts had a punch and proved a strong fighter. McGuire was cool and worked his left to an advantage. The Maryland lad showed slightly better infighting experience. He had the best of four of the rounds. The other six were unquestionably McGuire's.

### Short Preliminaries

The preliminaries ended early. Referee Jack Zundell of Reading stopped the bout between any Williams of Coatesville and Kid Murphy of Lancaster in the third round. The boys were using their heads frequently and Williams received a hard blow in the stomach that put him almost into dreamland.

Meredith outfooted Higgins and Caldwell in order in the special 600-yard race, which stirred the record crowd. It was a great victory for the Quaker City, which was represented by a large body of track and field adherents. Meredith finished five yards ahead of Higgins in 1 minute 14 seconds.

### Chief National Bank Examiner Is Removed

Washington, Jan. 25.—Removal of Charles Starek from office as chief national bank examiner for the Second Federal Reserve District with headquarters at New York and the appointment in his place of William P. Malburn, assistant secretary of the treasury, was announced to-day by Comptroller Williams.

Mr. Starek has been absent on leave without pay since November 15. Charles F. Richmond, chief of the reports division of the comptroller's office has been acting chief examiner since October 15. The reasons for removing Mr. Starek were not made public in the comptroller's statement.

Officials of the Treasury Department declined to comment upon reports that charges had been filed against Mr. Starek or that he had been requested to come to Washington to answer them. Some officials said privately that the comptroller's office has been dissatisfied with Starek's general conduct of his position.

### News at a Glance

#### SAN FRANCISCO.

"Kiss Her" is the subject of a poem of two stanzas written by Judge Thomas P. Graham, of the Superior Court and mailed by him to-day to John Schuler, who is being sued for divorce and who asked the court how he could keep out of rows with his wife. The text conforms to the title, and answered the question.

#### TRENTON.

#### NEW YORK.

#### CIVIL WAR VETERAN DIES

Allentown, Pa., Jan. 25.—After a long illness with paralysis, which for seven years prevented him from doing any work, Frank Quinn, one of Allentown's best-known Civil War veterans, died, aged 78 years.

Mr. Quinn was born at Manor Hamilton, County Leitrim, Ireland, and came to Gettysburg when he was three years old, where he learned the trade of jeweler and watchmaker.

In 1860 he came to Allentown, entering the employ of the late Charles Massey, the city's leading jeweler, and on the outbreak of the Civil War a year later he went to Philadelphia, where he enlisted in the Fifteenth Pennsylvania, known to fame as Anderson's Cavalry, commanded by General William Jackson Palmer, who later built the Denver and Rio Grande Railroad. He had a brilliant war record.

## Postpone Baseball Suit Until April Court Term

Baltimore, Md., Jan. 25.—The trial of the \$900,000 damage suit of the Federal Baseball Club of Baltimore against organized baseball was postponed until April by Judge Thompson in the United States district court on the agreement of counsel representing both sides. The case was called yesterday before Judge Thompson for the purpose of fixing a date for trial at the February term of court.

Counsel informed the court that, by agreement of both sides, the case would be postponed until April. The statement of claim in the suit was filed on March 23 of last year.

The suit is directed against the National League, the American League and all clubs within those organizations, August Herrmann, B. B. Johnson and John K. Tener, of the national baseball commission, and James A. Gilmore, Charles Weeghman and Harry Sinclair, formerly of the Federal League.

The Baltimore club charges that the defendants formed a combination or conspiracy to injure or destroy the Baltimore Federal League club and the Federal League, in violation of the federal antitrust laws.

## Coach Folwell Still Out; Must Wait For Committee

Philadelphia, Jan. 25.—The scheduled meeting yesterday between Bob Folwell, last year's coach of the Penn football team, and Wharton Sinkler, chairman of the Red and Blue football committee, was postponed indefinitely because of the latter's illness. He is suffering with a heavy cold and left his office early in the afternoon. Folwell and Sinkler were to have discussed the matter of the former's salary for the 1917 gridiron season and on the result of such a conference hangs the possibility of Folwell's return this year.

Folwell is said to ask for \$3,000 increase over his present salary, which rumor fixes at \$5,000, and over the salary which the football committee is willing to pay.

Not only is there a hitch over the matter of salary, but it is not entirely certain that the Jersey agriculturist is certain about returning to Penn as coach. If he is and a considerable increase in his salary is made, it is thought that Folwell will be asked to go the route alone without the services of any assistant coaches.

## WILL COMPENSATE FOR ACCIDENTS

### Palmyra Athletic Club to Pay Injured Players in Accordance With Law

Palmyra, Pa., Jan. 25.—In compliance with the provisions of the State workmen's compensation law, the Palmyra Athletic Association, it was disclosed at its annual meeting last night, paid one of its football players during the time of his incapacitation, suffering with a fractured collarbone.

The association, in furthering its compensation plan, at this meeting voted to put aside 20 per cent. of its annual receipts for the purpose of meeting all demands resulting from injuries to its members in baseball, football or basketball.

### To Build Gymnasium

The association favored co-operation with the Palmyra high school authorities in the equipping of the gymnasium in the building for basketball games, thereby removing the necessity of leasing a hall at Hershey for the purpose. Steps also are to be taken toward the purchase and laying out of an athletic field. These officers were elected: President, G. H. Moyer; vice-president, Dr. C. L. Marks; secretary, John Snively; financial secretary, Irwin Fried; treasurer, Harvey R. Seltzer. A board of twelve directors also was elected.

### JAPANESE AGAIN WINNER

Philadelphia, Pa., Jan. 25.—Koji Yamada, the youthful Japanese billiard star, captured the fourth block of his 1500-point match at 18.3 balk-line billiards with Ora Morningstar, former world's champion billiard player, by an eleventh-hour rally yesterday afternoon after Morningstar had totaled 298 points. Yamada was 47 points away from his needed 300 when the former champion missed a comparatively easy shot after making four, and the young Japanese came from behind for the second consecutive time and won, 300 to 298, winding up with an unfinished run of 47. The two men went into the final block of play last night with the score standing, Yamada, 1208; Morningstar, 1111.

## WELLY'S CORNER

Some day in the very near future Harrisburg will have a real athletic field with a modern building and everything up-to-date. It may be something near like a stadium. The projectors are Samuel G. Hepford, director general of athletics for the Philadelphia division of the Pennsylvania railroad.

At a conference to-morrow night railroad officials and members of athletic associations will discuss with Director Hepford plans for bringing about that athletic field and building since General Secretary Hepford has taken charge unusual activity is being shown by railroad athletes. No branch will be overlooked and next year it is a safe bet that Harrisburg will get the big outdoor system meet of the Pennsylvania railroad.

Les Darcy has at last consented to enter the ring. He will meet Al McCoy in Madison Square Garden about March 5. Darcy will receive \$30,000 as his end of the purse. He will close his theatrical engagement in time to train for this battle.

Reports from New York say the American Association has joined the Players' Fraternity and that 85 players have already been made members who have agreed to join in a general strike.

### Darcy Agrees to Battle; Meets Al. McCoy in March

Pittsburgh, Jan. 25.—Les Darcy, middleweight champion of Australia, has been matched to meet Al McCoy in a ten-round bout at the Madison Square Garden in New York on March 5, according to an announcement made here. Darcy will receive \$30,000 as his end of the purse.

The announcement was made following the receipt of a telegram from Darcy's manager saying the match had been closed with Grant Hugh Browne and the fight could be held either on February 12 or March 5. Darcy selected the latter date and announced that he would close his theatrical engagement several weeks before that time in order to train for the bout. Darcy is appearing at a local theater.

Montreal backers of the International League team will move to bar all players who belong to the fraternity. This action will start at a meeting of the league to be held next month. President Lichtenhan proposed to ask all players to keep out of fraternity. If they refuse he will offer them all contracts which they are not expected to sign and new men will be secured to take their places.

Action by the board of governors of the City Amateur League in arranging for season tickets was a wise move. Local enthusiasts in order to keep the game going and assure high class sport should get busy and buy up all the tickets offered for sale.

The Hassetts tossers will meet a number of college teams between now and the close of the basketball season. Starting to-night with Lebanon Valley College the Hassetts have the following to contend with:

February 1, Loyola College of Baltimore; 3, Bucknell University, home; 8, Ursinus College, away; 15, Susquehanna University, home; 22, St. Francis College, home. March 3, Susquehanna University, away; 7, Indiana, away; 9, Altoona, Triangles, home; 16, Albright College, home; 23, Johns Hopkins, pending; 30, Juniata.

### Academy Prepares For Game With Tech Team

Technical High and Harrisburg Academy basketball teams will meet on the Cathedral Hall floor to-morrow evening in the first of their series of two contests in the triangular fight for the city championship. Tech will use the same lineup at the start of the game as it did in winning from York on the Army floor last Friday.

The Academy tossers have come in for some extra work this week by Coach Schlichter. The contest will start at 8 o'clock. The second teams are also scheduled to play. The probable line-ups will be:

Academy	Tech.
Phillips, f.	Harris, f.
Wren, f.	Bell, f.
Bruce (capt.), c.	Beck, c.
Froelich, g.	Ebner, g.
