FRUIT BELT HAS BROKEN RECORDS

(Continued From First Page)
In the past year or are in storage for shipment for the next few weeks.

BELL-ANS
Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

From the district served by the Gettysburg and Harrisburg line a total of 724 cars of apples have been shipped already, with many more in storage, as compared with a total of 492 for the year previous. In addition to this 208 cars of canned apples were sent out as compared with 98 cars the year before, not including 512,770 pounds of evaporated apples and 551,200 pounds of apple cider. The Philadelphia, Harrisburg and Pittsburgh branch has handled 77 cars of apples the past year as compared with 53 the year previous, not including apples of last year's crop still in storage. The apple crop in pounds reaches tremendous figures, a total of 36,260,632 pounds of apples and apple products having been shipped over

the two lines the past year or held in storage in warehouses ready for early shipment. The grand total of all fruits shipped or in storage from the South Mountain district amounts to 35,475,327 pounds for the year over the Philadelphia, Harrisburg and Pittsburgh lines alone as compared with a total of 28,484,855 pounds the year previous. "The days of short crop years and long crop years in the South Mountain apple belt are over," said Mr. Hilleary, "The growers will have a constant crop, except under very extraordinary weather conditions, for the reason that they have reduced apple production to a scientific basis, with new orchards coming in so rapidly that there is little danger of a falling off of the

general crop to anything like serious proportions." **John C. Nesbit, Who Built Many Structures Here, Dies**
John C. Nesbit, noted architect, builder and contractor, died Sunday afternoon at Roanoke, Va. He was well known in this city. Many prominent buildings in cities throughout the State, including a number of the buildings of the State Insane Hospital this city are of his construction. He also designed and built public buildings, churches, schoolhouses, colleges, banks and office buildings, theaters and manu-

facturing plants in Harrisburg, Lewisburg, Milton, Muncy, Sunbury, Shamokin, Shippensburg, Danville and elsewhere in Pennsylvania, and the general office buildings of the Norfolk and Western Railroad. He is survived by his wife, two sons and two daughters. **DIES AT SENECA FALLS**
Mrs. Alaida Welch, 60 years old, a sister of Mrs. Cora Trowbridge, of this city, died Tuesday at her home in Seneca Falls, N. Y. Burial will be made Friday morning at Borden, New York. **SERVICES FOR RAILROADER**
Funeral services for David S. Eby, who was killed in a railroad acci-

dent at Reading, will be held from his home, 233 South Fourteenth street, Saturday afternoon at 2 o'clock. Burial will be made in the Baldwin Cemetery, Steelton. Mr. Eby was a member of the Trainmen's Brotherhood and of the Knights of Pythias. **MRS. MARY ANN GROVE DIES AT AGE OF 85 YEARS**
Mrs. Mary Ann Grove died early this morning at her home, 2030 North Fourth street, aged 85 years. Funeral services will be held from the home Monday afternoon at 2 o'clock. The Rev. Alvin S. Williams, pastor of the Camp Curtin Memorial Church, officiated. Burial will be made in the Paxton Church Cemetery. Mrs. Grove was the oldest member

of the Camp Curtin Memorial Church. She is survived by one son, William E., one daughter, Mrs. Ida J. Meekley, two grandchildren, Elroy E. Meekley and Mary E. Meekley.
