Representative Gardner Insists on Less "Conservative" Legislation

Washington, D. C., Jan. 25.—Abandonment of the policy of undeviating conservatism and the enactment of legislation on the modern lines of other great nations were urged on the conference of Republicans at the House of Representatives last night by Representative Gardner, of Massachusetts. As a concrete legislative program for the party Mr. Gardner submitted the following items:

- Unemployment insurance.
- Old age insurance, either state or national.
- Minimum wage for women and children.
- Eight-hour day for women and children, with no overtime.
- Compulsory arbitration of all transportation disputes.
- Compulsory military training.
- Immediate preparedness.
- The budget system.
- Elimination of "pork" in river and harbor acts and public buildings acts.

**Ex-Senator Bourne Flays Opponents of Adams as National Committee Official**

Washington, D. C., Jan. 25.—Making a plea for issues and not for individuals, and scoring attempts of certain men to dictate the personnel of the management of the Republican party, former Senator Jonathan Bourne, Jr., president of the Republican Publicity Association, came out in defense of the selection of John T. Adams, as vice-chairman of the Republican National Committee in a statement yesterday.

**NOTED CONVICT OUT OF SOLITARY CONFINEMENT**

Boston, Mass., Jan. 25.—Jesse Pomeroy, who has been for forty-three years in solitary confinement in the state prison at Charlestown, was granted equal privilege with other prisoners by the State Executive Council yesterday. Convicted of murder at fifteen, Pomeroy two years later was locked in a cell lighted from a window in the ceiling so that he might not gaze on his fellow men. He was exercised apart from other prisoners and barred as far as possible from human companionship. Two years ago the sentence was enforced less rigorously to accord with modern ideas of prison reform. Pomeroy was convicted of the brutal murder of two children.

**\$1,934 SHORE TAXES SAVED FOR BROTHER OF PENROSE**

Atlantic City, N. J., Jan. 25.—Reductions in valuations upon three large tracks of Meadow land and a block of beach frontage adjoining the Hotel Ostend, in Chelsea, amounting altogether to \$2,364, have been granted to Dr. Charles B. Penrose, of Philadelphia, brother of Senator Penrose, by the county board of tax equalization. The county board, despite protests from city assessors, who contended their ratings were justified by the increasing value of meadow property, due to contemplated harbor improvements, cut Dr. Penrose's Meadow assessments from \$134,700 to \$84,536. The reduction in the unimproved beach front property was from \$253,300 to \$221,100. Dr. Penrose's saving in tax is \$1,934.

**HUGE COAST DEFENSE BILL**

Washington, D. C., Jan. 25.—More than \$60,000,000 for strengthening and maintaining coast defense would be provided by the fortifications bill reported favorably yesterday to the House. New defenses for New York, including great works at Far Rockaway and batteries at Fort Michie, at the eastern entrance to Long Island Sound, are included.

Boston, the entrances to Delaware Bay, Chesapeake Bay, San Francisco, Puget Sound and other strategic points are provided for in the manner previously outlined to the military committee of Congress. The bill appropriates \$4,800,000 for purchase and maintenance of a number of squadrons of hydroaeroplanes for use in connection with the seacoast defenses.
