The educational department of the Civic Club met in special session at the clubhouse at 2.20 p. m. yesterday, Mrs. H. G. Keffer, the chairman presiding. Prof. J. J. Brehm, supervisor of the city schools, addressed the members on the benefits derived by the pupils from the visits of the Civic club speak-

from the visits of the Civic club speakers and advised continuance of the work. He told of the new Penn Community Clubhouse, in Seventh street, and urged the personal interest of the Civic club on its behalf.

A motion was made and carried to the effect that the educational department would meet the first Monday of every month, beginning March 5, at 2 p. m., instead of the third Monday at 2.30 as heretofore. This is in order that the department meeting need not be hurried to allow its members to attend the regular open session.

Next Monday, January 23, the Civic club entertains as its guest the College club of Harrisburg. There is to be a program of great interest followed by a social hour and all members of the two organizations are urged to attend.
