DELL BILL WILL CLEAR SITUATION

Requires State Department to Maintain Improved Borough Roads

The situation in regard to State highways will be cleared up if a bill presented in the House by Representative James C. Dell, of Huntingdon county, becomes a law. This bill requires the State Highway Department to construct and improve any highway in a borough to maintain it and also makes provision whereby it is to be regarded as part of the State's main system. In the boroughs in this section of the State the designated highways have not been improved by the State because of fear that the funds would not reach the amount of work that would be demanded from care of with the funds in sight for years to come.

Under the provisions of the Dell bill a general scheme could be worked out whereby the roads that are in need of improvement can be taken charge of and put into shape so that they will not be a reproach and a byword among automobile travelers. The advantage would also be obtained of having the maintenance on a standard basis, such as the Highway Department has provided.

For Quick Action.—The application of the city of Philadelphia for certificates of approval of the plans for the Philadelphia subway and elevated lines presented to Commissioner Alcorn yesterday will be considered by the Public Service Commission at an executive session on Monday, but whether a decision will be given at that time is unknown. The plans are being studied by the engineers.

To Send Estimate.—Governor Brumbaugh will communicate to the Legislature his ideas in regard to the improvement of Capitol Park and the park extension within a short time. An estimate of the preliminary cost will be made at that time.

Discuss Roads.—County commissioners of Greene county arranged yesterday at a conference with Highway Commissioner Black to make changes in State highway routes in that county. A bill will be presented to the Legislature.

Blair Is Low.—According to the figures of the State Milk Price Commission, Blair county is able to produce milk cheaper than other counties of the State and the scale of prices is rather against the county.

Refer to Commission.—The county refers especially to the county, Nelson Respite.—The respite for John Nelson, the Wyoming county man convicted of murder and whose name attracted much attention, has been made to the week of March 12.

Complaint On Rates.—The Millfin Creamery Company has complained to the Public Service Commission against the rates of the Milltown Water Company.

To Meet Wednesday.—The board of the State Village for Feeble-Minded Women will meet here Wednesday to prepare its budget.

Holding Hearings.—Commissioner Brecht is at Pittsburgh holding a hearing to-day. To-morrow Commissioner Ainey will hold hearings and Commissioner Alcorn at Philadelphia in the telephone case.

Ritter Retires.—Harry E. Ritter, of Liverpool, for years a clerk in the State Insurance Department, will retire on February 1 to engage in the insurance business in this city. It was stated to-day that the retirement was voluntary.

Commissioner III.—Commissioner Jackson is confined to his home with the grip.

Application Approved.—The application for approval of the additional tracks to be built by the Pennsylvania Railroad at Steelton has been approved by the Public Service Commission. It has also approved the Liverpool electric companies. The Specieville bridge matter has been held over for next week.

Appointed Deputies.—Herbert A. Thomas, of Peckville, was to-day appointed a deputy State fire marshal to succeed H. I. Seidman, Scranton, who retires on February 1. M. Luther Mason, of Reading, was to-day appointed a deputy, was immediately assigned to investigate the fires at Reading. James G. Hazlett, of Carnegie, has been appointed a special deputy at \$300 a year to have supervision of construction matters.

Merger Presented.—Application for approval of various lines into the Western Maryland system was made to-day to the Public Service Commission. It will be considered next Monday.

To Build Armories.—The question of an armory program for the construction of armories for organizations of the National Guard which are not provided with buildings will be considered at a conference of the State Armory Board, the military committees, the appropriation chairmen and others with Governor Brumbaugh. There has been some suggestion of adopting a plan discussed some years ago of providing one all to be built within six years or so.

National Officers to Visit Howard L. Calder Post

At the next regular meeting of Howard L. Calder, Post No. 31, Veterans of Foreign Wars, Wednesday evening, February 7, in G. A. R. hall, the post is to be visited by Inspector General Hugh L. McLaughlin and other national officers.

The post is preparing to assist in the reception to the boys of the Eighth Regiment, ordered home from the border.

NEWS OF STEELTON

WORDS OF PRAISE FOR LIEUTENANT TROOPERS GET WELCOME HOME

Governor's Troop Officer Given Special Mention For Efficiency at Border

LIEUT. GEORGE W. H. ROBERTS

That Lieutenant George W. H. Roberts is prominent in military circles, was influential in placing Steelton to the fore during his stay on the border and that he should be held in high esteem by every borough resident was proposed in toasts at the firemen's banquet at the Bessemer House, Main streets, last night to the returned men of the Governor's Troop.

The talks given by borough officials, troopers and firemen gave Lieutenant Roberts much credit for his work in the borough, as a soldier along the border, and as a good fireman.

Many incidents in Lieutenant Roberts' life were brought out and many tales were related as to his good work in the borough. The troopers had nothing but praise to offer in their leader's behalf. The keynote of all speeches made by the troopers was that Lieutenant Roberts brought them back in good spirit, good physical condition and better citizens.

Lieut. Roberts Speaks

In introducing Lieutenant Roberts, J. H. Gerdes, who was toastmaster of the evening, said that the "man that put Steelton on the map" would talk.

After thanking firemen and citizens for their welcome home in behalf of the troopers, he told of their experiences along the border. He declared that not one of the Steelton lads had a blot on his military record.

Steelton Snapshots

Fair to Open.—The annual fair of the Paxtang Hook and Ladder Fire Company will be open in its hall in Front street this evening. February 2 is the closing day.

To Elect Officers.—Officers for the ensuing year will be elected at a congregational meeting of the St. Mark's Lutheran Church, Sunday evening. Previous to the business session an illustrated song service will be held and a musical in the Y. M. H. A. hall Sunday evening.

Street Commissioner III.—Jacob Meshey, street commissioner, is ill at his home, 429 Pine street.

Band Dance.—The Bulgar Balkan band will hold a dance in the band hall, 261 Franklin street, in February.

To Hold Musicals.—The Young Men's Hebrew Association will hold a musical in the Y. M. H. A. hall Sunday evening.

To Muster Out H'B'G BOYS IN THIS CITY

(Continued From First Page)

fantry to Philadelphia to be diverted from there as follows:

Field and staff headquarters company, band section, supply company, mess and kitchen company, sanitary detachment and companies E, K, L and M to be mustered out in Philadelphia.

Company A will be mustered out at Potstown; companies B and C at Potstown; Company D at Philadelphia; Company F at Norristown; Company G at Doylestown; Company H at Media and Company I at West Chester.

Diverted From Altoona

The Eighth Pennsylvania infantry will go to Altoona to be diverted from there as follows:

Field and staff headquarters company, supply company, mess and kitchen company and Companies D and I to Harrisburg.

The sanitary detachment will be mustered out at Summit Hill; Companies A and K at York; Company B at Tamaqua; Company C at Chambersburg; Company E at Mahanoy City; Company G at Carlisle; Company H at Pottsville; Company L at Bedford and Company M at Lewistown.

Company C, Pennsylvania engineers will be mustered out at Pottsville and the Second Pennsylvania field artillery, at Philadelphia.

The Fifth Maryland infantry will go to Baltimore.

Steelton troopers who recently returned from the border with the Governor's Troop were given a rousing reception by firemen and borough residents in the Bessemer House and Paxtang Hook and Ladder fire hall last night.

The banquet in the Bessemer house was attended by the general committee from the fire companies, borough officials and prominent borough residents. Following this affair the troopers were escorted to the Paxtang Hook and Ladder house where they were welcomed by firemen of the department as individuals. Several hundred firemen greeted the boys on their appearance in the lousehouse.

Gerdes as Toastmaster

J. H. Gerdes, chairman of the general committee on arrangements, was master of ceremonies of the evening, and made the address of welcome.

Frank B. Wickersham who was the principal speaker of the evening talked on "The Debt of Gratitude to the Troopers."

Bent Unable to Attend

John Shupp, secretary of the committee, read a communication from Quincy Bent in which he expressed his regrets at not being able to attend. He extended his congratulations and best wishes to the troopers for the future.

Captain Charles P. Meck, of Harrisburg, for many years an officer of the Governor's Troop, told of his experience with Steelton lads during his service. He said that a good volunteer fireman always made a good soldier. The soldier likewise was ever ready to give his services to his fellow citizens.

Burgess Fred Wigfield after extending greetings gave the boys a key to the town for a night and invited all persons in the banquet hall to stand and give three cheers.

Troopers Speak

The following troopers gave toasts in which they expressed their appreciation for the banquet and their loyalty to Lieutenant Roberts in the future:

Sergeant Max M. Rider, Corporal Clyde S. McCauley, Joseph K. Derr, Daniel J. Crowley, John L. Hobbs, Frank W. Hoffer, Roy L. Lower, William H. Shipp, Charles H. Weikel, Howard W. Leshler, J. E. Wansant, of Steelton; Sergeant Charles E. Harclerode and Edgar Leshler, former residents.

Sudden Attack Brought Threat of Operation

Sent For a Bottle of Fruitola and Was Quickly Relieved of Gall Stone Trouble

MR. T. L. SHERMAN

After doctoring with several different doctors and getting no relief, Mr. T. L. Sherman, 17 Crocker Ave., Johnson City, N. Y., says he was taken very suddenly one night with severe pains and on calling the doctor was told he had gall stones and that an operation was necessary. Mr. Sherman writes, "I had heard of Fruitola so sent for a bottle and took it. I was relieved of a large quantity of gall stones, and continued the treatment. Now I am quite well, and have regained over forty pounds lost weight."

Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus laboratories in Monticello, Ill., and can be purchased at drug stores; a doctor's prescription is not necessary. Fruitola is a pure emulsion of olive oil and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-aperative that is most effective to rebuild and restore the weakened, rundown system.

A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.

URGENT CONSCRIPTION OF WEALTH

Manchester, Eng., Jan. 25.—Immediate conscription of accumulated wealth to lighten the financial burden of the war is demanded in a resolution adopted unanimously at the annual meeting of the Labor Party. The resolution calls for taxation of not less than fifteen shillings in the pound on unearned incomes, direct taxation of land and nationalization of the banking system. In introducing the resolution Ramsay MacDonald, labor member of the House of Commons said after the war the country would be left with a debt of £4,000,000,000 with an annual fixed charge of more than £200,000,000.

Pennsylvania's Coal Mines

produce an abundance of coal of all kinds, good, bad and indifferent.

It's the coal dealers' business to determine which grades of coal will give his customers the best results.

After years of rigid tests we have located the mines on the Pennsylvania R. R. and Reading Railroad producing a uniform quality of high grade coal.

To distinguish our grades from the many other kinds of coal on the market we have named our high grade variety
