## CAMDEN LEADERS HERE SATURDAY

Speed Boys the Attraction at Auditorium; Locals Expect Hard Battle

The Camden speed boys will be here Saturday night for a game with the local Independents. It will be the second appearance here of the Eastern League leaders. Assurance has been given that Jackie Adams and the regular line-up will be here to-morrow night. Manager Ike McCord expects the hardest game of the season.

The local squad practiced yesterday and to-day at the P. R. R. Y. M. C. A. gymnasium. The passing and team work was good.

### Lebanon Valley Takes Close Victory From Hassett

The Hassett five lost to Lebanon Valley last evening in the Cathedral gymnasium by the score of 29-27. The game was filled with thrills and was in doubt until the whistle blew. The first half ended 10-10; the foul shooting of Gerdes being largely responsible for the tie.

### Wilkes-Barre Wants Strait; Scranton May Not Agree

Scranton, Jan. 26.—According to one of the Wilkes-Barre sporting writers, Manager Calhoun, of the Barons, is sweet on Lee Strait, of the Miners, and would like to get him for this season. It was reported that Calhoun intended to demand Strait in return for Callahan, but now it is said that the Barons are satisfied to take Dave in the deal and that no trouble will be experienced in closing the transaction.

### Indianapolis Bidding For Second Baseman Yerkes

Jack Hendricks, manager of the Indianapolis club, is going to make an effort to get Second Baseman Steve Yerkes, of Reading, from the Chicago Cubs. The Atlanta club was figuring on getting Yerkes back to that team next season, Steve having made a highly creditable record with Manager Frank's club last season. Steve was recalled by the Cubs after the close of the Southern Association season.

# TECH TRACK ATHLETES TO TAKE UP WORK NEXT MONTH

An Abundance of Material Gives Promise of Another Successful Year; Seek More Trophies

With an abundance of material in the freshman class and 19 stars from last season's victorious team, Coaches Hill and Peet will make their first call for track candidates for the Technical high school track team next week. Training starts directly following the midyear examinations during the first week of February.

Harry Eyster, manager of the team, while "Pete" Sutch will captain the aggregation. Both are members of the relay team that will visit Philadelphia in April. Manager Eyster will likely drop the meets with the Mercersburg Academy reserves at that place, and the annual visit to the State College for the interscholastics will also be canceled for this season.

This year will settle the final leg on the cup that is held jointly by the Gettysburg Freshmen and Tech. Each team has won a leg on the cup. The next winner will hold it permanently. The meet will be staged at Gettysburg. Tech will again be after Central for the annual track meet on the island.

One of the endeavors of the Tech coaches will be to land the high school championship of the United States at the annual track meet in Philadelphia in May. If "Barkis is willing" there will be a match between Tech and Central. Of course Tech expects to again make a clean-up on the island in the State interscholastic meet in May.

WELLY'S CORNER		
----------------	--	--

Friends of Herb Hunter in Harrisburg were a little disappointed Wednesday night. There is no denying the fact that Hunter was fouled, but it was as much the fault of the local fighter as his opponent. Hunter is a good boy and has a promising future, but needs some different teaching.

It is just such occurrences as were in evidence Wednesday night, that show the need for State and local boxing commissions. Impartial referees are a scarce article in Pennsylvania. They go beyond their authority too frequently. The official in charge Wednesday night had a right to declare a foul, but he went too far when he created an impression that the York man was in the wrong.

### Bits From Sportland

The Tech High and Academy quintets will meet this evening on the Cathedral floor. The Rosewood Athletic Association will meet at the clubrooms, Thirteenth and Market streets, next Monday evening.

### Wilkes-Barre Wants Strait; Scranton May Not Agree

Scranton, Jan. 26.—According to one of the Wilkes-Barre sporting writers, Manager Calhoun, of the Barons, is sweet on Lee Strait, of the Miners, and would like to get him for this season. It was reported that Calhoun intended to demand Strait in return for Callahan, but now it is said that the Barons are satisfied to take Dave in the deal and that no trouble will be experienced in closing the transaction.

### Indianapolis Bidding For Second Baseman Yerkes

Jack Hendricks, manager of the Indianapolis club, is going to make an effort to get Second Baseman Steve Yerkes, of Reading, from the Chicago Cubs. The Atlanta club was figuring on getting Yerkes back to that team next season, Steve having made a highly creditable record with Manager Frank's club last season. Steve was recalled by the Cubs after the close of the Southern Association season.

While the team will contain many individual stars, the two men who stood out prominently last season were Captain John Demming and Captain-elect Sutch. John Demming ran the 440 at Mercersburg last spring in 53 seconds; at Lehigh he stepped the half mile in 2:05 1-5. "Pete" Sutch set a record for the mile at Lehigh, negotiating the distance in 4:55; at State he traveled the mile in 9:01 1-5. With this season's team, new records are sure to be made.

Members from last season's team who remain as a nucleus for this year are Captain Sutch, one and two-mile events; Manager Eyster, a clever performer at the dashes and broad jump; Demming, quarter half mile; Evans, dashes and quarter; Harmon, one and two-mile; Davies, dashes; Gipple, distance events; Koons, dashes and quarter; Hachnien, high jump and weight events; Lloyd, hurdles and pole vault; Mell, pole vault; Harris, weight events; Ebner, high jump and pole vault; J. Beck, quarter mile; McGinn, distance events; Eoyer, high jump and hurdles; Sherk, distance events; Seibour, distances; Moore, pole vault, and Gastrock, one and two-mile.

Add to this array, several stars from the grammar schools who are now attending Tech as members of the freshman class. Carl Back, winner of the shot put and hurdles, should be a star for the Maroon this year. Beck is credited with tossing the 12-pound shot farther than the winner in the high school meet on the island last May. He should strengthen the weight department, in which Tech was weak last year. Another star is Weigle, who was the grammar school winner in both of the dash events.

Frank, former of Lincoln, is expected to make a good showing for Tech in the half mile. He won this event over 50 candidates in the grammar meet. Other winners in Tech are Philippelli, 100-yard dash; Peano, 220-yard dash; quarter mile, Melick and Philippelli; Miller, high jump winner, with Lingle, Hoffsonner, Strawhecker and Heikin, who also scored in this event. Bowersox, another star, who set a new record in the broad jump, with a leap of 1 feet 5 1/2 inches, is now pursuing the scientific course at Tech. Wenrick and Garner were also winners in this event. In the hurdles, Beck, Zimmerman and Wilsbach figured. In the weights, Beck and Wilsbach each won honors.

The Pennsylvania Railroad Young Men's Christian Association will play the Carlisle basketball team on the Indians' floor to-morrow evening. The Globe Eight Postures split even last night on the Tech floor, winning from the Keystone five, 39 to 18, and losing to the Silver Juniors, 29 to 28.

The Camp Hill basketball team will play the York Collegiate Institute five on the latter's floor to-morrow evening. The York lads won from the 'cross-river boys earlier in the season.
