A Selling Event Comprising the Highest Standard---the Better Kind of Furniture. That's the Important Feature We Want to Impress On Our Patrons' Minds

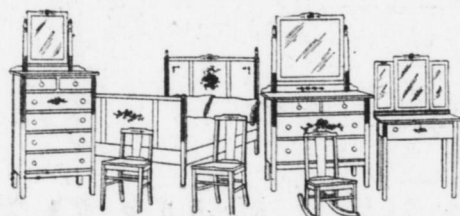

Regardless of advancing prices and higher cost of production when you see the values we are offering in furniture you cannot help marvelling at our modern methods of bringing to the people of this community genuine economies that we believe are unmatchable.

Every piece or suite is representative of the highest artistic effort of one or another of the master furniture-makers of America. The woods are carefully selected specimens, beautifully matched and exquisitely finished. The hand carving and the trimming are done with the most finished skill known to the craft. The collection would make an artistic exhibition anywhere and to find such superb furniture under price will indeed be gratifying.

You can pick up bargains for every room in the house in this sale. Every article has artistic merit and value, proving an excellent investment.
