DON'T BE BALD

If the hair root is absolutely dead, permanent baldness will be your lot, and you might as well cheer up as to be moan your fate.

If your hair is falling or thinning out, don't wait another day but go to H. C. Kennedy and get a bottle of Parisian Sage, the truly efficient hair grower.

out, don't wait another day but go to Hi C. Kennedy and get a bottle of Parisian Sage, the truly efficient hair grower.

Don't say, "it's the same old story; I've heard it before," but try a bottle at their risk. They guarantee Parisian Sage, to grow hair, to stop falling hair, to cure dandruff and stop scalp itch, or money back.

Parisian Sage contains just the elements needed to properly invigorate and nourish the hair roots. It's a prime favorite with discriminating ladies because it makes the hair soft, bright, and appear twice as abundant. It is antiseptic, killing the odors that are bound to arise from excretions of the scalp and, as everyone knows, sage is excellent for the hair and scalp.

Parisian Sage is inexpensive and easily obtainable at drug and toilet counters everywhere.
