Secretary Redfield Tells C. of C. of U.S. Munitions Orders Are Being Supplanted

Washington, Feb. 2. - Secretary Redfield told the Chamber of Com-merce of the United States in an address to-day that "the period of tranconditions in our industries has altions orders are being supplanted by demands for products which componormal exports in peace times. "The change has come almost un

very time when many voices were

ry time when many voices we ised to say it could only come wi shock. The drift on this side e sea has been toward placing mun orders in Canada rather the three in the same of the corden was a superior of the same of the sa tion orders in Canada rather that with us. In our own land the orders have changed from finished munitions to demands for the materials out owhich munitions can be made. These materials are in chief part our nor mal product in times of peace.

"Furthermore a saner view has come of what we may call future was conditions. It is now well under stood that belilgerent nations are looking rather toward guiding their ooking rather toward guiding their nports than toward pouring forth pon our feeble and unprotected eads a vast volume of finished pro-ucts, accumulated with well intent."

Cette Only French Port Through Which Swiss May Get Food Supplies

Berne, Switzerland, Feb. 2. - via Paris - The note in which the German government informed Switzerland of the inauguration of an unrestricted submarine war named Cette as the only port in France through which Swiss traffic is authorized. The Bund says that this will involve a different arrangement for the conveyance of supplies to Switzerland and will also render necessary a ration system for the Swiss and the issuance of cards for the principle articles of food

cated? The question is not as impertinent as it sounds. You may be a real teetotaler and yet be "intoxicated"-that is, poisoned by the gases that come from imperfect digestion. The products of food putrefaction are taken up by the blood and often poison the entire system. Cut out meats and starchy foods for a while. Eat Shredded Wheat with milk or cream for breakfast: eat it with stewed fruits and green vegetables for dinner or supper. It will cure autointoxication and make a new man of you. All the meat of the whole wheat in a digestible form. A perfect meal at lowest cost. Made at Niagara Falls, N. Y.
