New York, Feb. 7. — Irregularity was indicated by the movement of leading stocks at to-day's opening. U. S. Steel fell over a point on numerous sales of 1,000 to 3,000 shares, with 1% for Canadian Pacific, over 2 points for Crucible Steel and one each for some of the shippings and prominent specialties. Bethlehem Steel lost 5 points.

These setbacks were partly balanced by one point gains for New Haven, Baldwin Locomotive and Pittsburgh Coal and two points for North American. Coppers moved within very narrow limits. Stronger tendencies developed by the end of the first half hour, all the war issues rising briskly.

Renewal of demand for equipments and shares of concerns engaged in the manufacture of war supplies caused a sweeping rebound from the uncertain trend of the opening. Exchange gains of 1 to 3½ points were registered by United States Steel and similar stocks. Bethlehem Steel regained its loss. Baldwin Locomotive rose 6½ with 2 each for American Locomotive and Airbrake and Metals were 1 to 2 points higher, with 5 for Central Leather. Motors and Oils followed the lead of affiliated issues. Rails remained slugsish, New Haven showing irregularity. Foreign bonds were heavy but U. S. government issues were higher on call.
