Our Sale of Furniture

Is the Great Economic Medium For Furnishing the Home

Never a better time for selecting the furniture than during this sale, never a time when such large assortments are to be seen, never a time when your money goes so far.

A large part of the furniture offered in this sale was bought by us before there had been any considerable advance in price. You get the benefit of these purchases in the prices we are quoting.

We mention but a few of the many special offerings that await you here. There are countless others, equally attractive in themselves and in price.
