

AT HARRIS U. E. Harrisburg Consistory. The original church at Harris and Susquehanna streets was dedicated November 24, 1895. This building became too small for the growing congregation and school, and the new church was built and dedicated June 5, 1910. The church and Sunday school is having an unusual era of prosperity. The present rate of growth will soon tax the capacity of the present building, says the Rev. George F. Schaum, who will have charge of the services on Sunday.
