

An Effective Laxative For Growing Children

Dr. Caldwell's Syrup Pepsin Highly Recommended as a Family Remedy.

In children the slightest irregularity of the bowels has a tendency to disturb the entire digestive system, and unless promptly remedied invites serious illness. The experienced mother knows that by training her children to regularity in this respect, and when occasion arises administering a mild laxative, she will have little need for the doctor's services.

Mrs. Leo Weigand, 3251 Central Ave., N. E., Pittsburgh, Pa., whose two boys, Frank and Joseph, are shown in the illustration, writes that she has found Dr. Caldwell's Syrup Pepsin a most effective laxative, not only for the children but also for herself, and that she will always keep it in the house to use when needed. Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts easily and naturally, without gripping or other pain or discomfort. It is pleasant to the taste so that children like it, and is equally effective on the strongest constitution.

Dr. Caldwell's Syrup Pepsin can be obtained at any drug store for fifty cents, and should have a place in every home. It will save many times its cost in lessened doctor bills and maintain the health of the entire family. To avoid imitations and ineffective substitutes be sure to get Dr. Caldwell's Syrup Pepsin. See that facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington, St., Monticello, Illinois.

WHAT'S THIS! NO MORE PICKLES, SWISS CHEESE, POTATOES, SUGAR OR SAUERKRAUT FOR SALE HERE?

Harrisburgers with a strain of Pennsylvania-German blood who have a fondness for dill pickles, Swiss cheese and pretzels, will be lucky soon if they can get even the pretzels.

This was the information given today by wholesale dealers who handle the city's food supply. The situation has become exceedingly scarce. The cold weather, too, has made such a demand on the anthracite supply in the city that dealers are looking towards the railroads with something like anxiety for coal shipments.

Twenty-five barrels of sugar was the last of the wholesalers' supply this morning. This had been distributed to different points before noon. The wholesalers made no advance in the price. It is uncertain whether or not when the next shipment will be in.

Potatoes \$2.40 Wholesale
Potatoes to-day were jumped in price to a new high record. At wholesale the tubers sold at \$2.40 a bushel. The supply was exceedingly scarce and will be exhausted soon if the freezing weather does not stop it away. Railroads will not carry potatoes because of the trouble caused by freezing.

Blame for the shortage was placed largely on the railroads. Orders for foodstuffs placed before the first of the year are still "on the road," it was said. Orders placed in January are still in the freight stations awaiting cars. California dried fruits, now in favor with many cooks, are dwindling down with the railroads reticent as to when the next shipment will be in.

Sauerkraut! This Is Too Much!
An effort to relieve the sauerkraut famine has proven futile. There aren't ten barrels of the shredded cabbage within miles and a carload lot of the canned stuff has been lost for weeks after leaving the Michigan "kraut" belt four weeks ago. Cabbage, which formerly sold at 8 and 10 cents, is now selling at 10 and 15 cents a pound. This makes 40 cents the average for a reasonably fair sized head.

Getting back to Swiss cheese, dill pickles and pretzels, it was said that the last of the real imported cheese was eaten more than two months ago and that the last of dill pickles can now be seen in the bins.

German Nation Kept in Dark on Decision to Wage Ruthless War

Zurich, Feb. 13.—(Via Paris) — Although it proved to be impossible to keep secret the intention of the German government to inaugurate unrestricted submarine warfare — the Associated Press having received information in Berlin of the forthcoming action — on four weeks in advance of the official announcement — the German public remained almost entirely in the dark. A rigid censorship was enforced and only a comparatively few persons knew of the significance of the request for conferences among political, military and naval authorities with Emperor William at great headquarters. Even the conference on the Emperor's birthday, at which the decision was definitely reached, was heralded throughout

Germany as being merely the customary love feast.

With the publication of the announcement the rumor immediately came into circulation that Foreign Secretary Zimmermann had held out till the last against unrestrained submarine warfare, giving in only when an open breach with General Ludendorff, Field Marshal Von Hindenburg's chief of staff, threatened. This rumor was denied by those in authority who claimed that Dr. Zimmermann made his own mind up some time ago for more vigorous use of submarines and is now one of the most enthusiastic champions of this policy.

GUARDSMEN ENLIST IN CANADA
Detroit, Feb. 13.— It was learned here that company commanders of the Thirty-first Regiment, Michigan National Guard, are preparing to bring charges of desertion against members of the company who have enlisted with Canadian regiments. It is claimed that 27 members of the regiment have enlisted in Canada.

10,000 Aliens Apply For Papers in N. Y.

New York, Feb. 13.—More than 10,000 new-born citizens of foreign countries have applied for citizenship in New York city since the severance of diplomatic relations with Germany. Of this number 7,149 were Germans and Austrians. Those who have renounced allegiance to Kaiser William and Emperor Charles have come from every walk of life. Many of them have been in business in this country for many years, and in many cases the impelling motive has appeared to be the fear lest they might be placed in detention camp in the event of actual hostilities.

Central High School Notes

The S. S. Society of Central High School held a meeting last evening at the home of Miss Esther Dunlap, 1244 State street. The evening was spent in business, music, dancing and refreshments. The club members include the misses Margaret Geisking, Nora Lippi, Catharine Aldinger, Letha Fair, Elizabeth Leakway, Mildred Goetz, Naomi Matz, Catharine Bowers, Margaret Myers, Martina Moeslein, Rebecca Stewart, Bernarda McCormick, Marie Perry, Gertrude Draught and Estel Schuler. During the meeting plans were completed for a private dance to be held March 2 in Hanshaw's Hall. The dance will be formal for the girls, but informal for the boys. Music will be furnished by the Delone orchestra.

Miss Annabel Swartz, of the high school faculty, who has been ill for some time, has again taken up her work in the school. Rehearsals for the senior boys' oratorical contest were taken up by Miss Swartz on her return.

Sessions changed yesterday and an extra session of chapel was held to commemorate Lincoln's birthday.

Short memorial services were held yesterday in chapel by both sessions in honor of Abraham Lincoln. Remarks were made by the principals.

Miss Margaret Wingard entertains the C. A. O. Society this evening at 220 Kelly street. Cards will be the special feature of the evening.

The Blue and Gray orchestra meets at the home of the leader, Blair E. Smith, 433 Peffer street, this evening.

Announcement is made by President Michael, of the class of 1916, of a class dance for Thursday evening in Hanshaw's Hall, to which all Central students are invited. Proceeds will be used for the William Sherman Steele memorial fund.

BRONZE MEDALS FOR SOLDIERS
Lewistown, Pa., Feb. 13.—A prettily designed medal of bronze will be presented to each member of Company M, Eighth regiment, U. S. N. G., when they return home from the Mexican Club at her home in West Market street, last evening. The face of the medal will carry the soldier's name, on a cross-bar plate and the coat of arms of Pennsylvania, surmounted by an eagle with extended wings. On the other side will be inscribed the words: "Presented by the citizens of Lewistown to members of Company M, Eighth Regiment, N. G. P., 1917, for Mexican Border Service." The medals will be sold for by the sale of welcome home badges.

WORKMAN DROPS DEAD
Columbia, Pa., Feb. 13.—Daniel M. Kline, aged 67 years old, a quill cleaner at the Columbia silk mill, dropped dead just as he was about to start his day's work. When he left home he appeared to be in his usual health. Heart disease was the cause of death. He is survived by his wife and two children.

WILL WITNESS MARDI GRAS
Waynesboro, Pa., Feb. 13.—Mr. and Mrs. John H. Neal left to-day for New Orleans, where they will witness the Mardi Gras, and later go to Miami, Fla., where Mr. Neal will spend the remainder of the winter.

MRS. POTTER HOSTESS
Middleburg, Pa., Feb. 13.—Mrs. M. I. Potter entertained the Home Study Club at her home in West Market street, last evening. A splendid program was rendered. Mrs. Stetler, Mrs. Wetzel and Mrs. Magee gave excellent talks. Refreshments were served.

ENGLISH LECTURER TO SPEAK
Joseph McCabe, of London, England, a widely known English lecturer on scientific subjects, will address the members of the Harrisburg Natural History Society, a meeting to be held Tuesday, February 20, in the Technical High School Auditorium. The subject of his lecture will be announced later.

J. B. CUNNINGHAM SPEAKER
Carlisle, Pa., Feb. 13.—Jesse B. Cunningham, of Harrisburg, will be the speaker here on Friday, at the second of the noonday luncheons of the Carlisle Chamber of Commerce. He will take as his subject "Lowering the Insurance Rates."

MARRIED TO TREES IN INDIA
Under the very shadow of the telegraph pole, we find the tree worshippers of India. Many kinds of trees are worshipped in India for many kinds of reasons. Some are supposed to be the abode of demons who must be propitiated. The Sacred Bo tree under which Buddha received enlightenment is worshipped by pilgrims who come in thousands.

In some small villages where there are more women than men, it often happens that there are no men of equal caste to the girl whose time has come to marry. Since the tree represents a deity which can assume any shape or cast, it presents of a marriageable daughter who has become a burden to the family, take her to the village tree-god and marry her to him. She is bound to the tree, and left either to the mercy of the prowling wild beasts, or to be rescued by the first male of a lower caste who is in search of a helpmeet.—"World Outlook" for February.

YOU KNOW IT!
You've often heard the quoter say "That every canine has his day. But when it's time to light the lights, Dogs must subside — cats own the nights!"—Farm Life.

A GOOD MOTTO
Let's hurry For to-day! Maybe sorrow Comes to-morrow.—Farm Life.

Former United States Senator Mason Takes Nuxated Iron

Pioneer in Pure Food and Drugs Legislation, Father of Rural Free Delivery System

to obtain renewed strength, power and endurance after the hardest fought political campaign of his life in which he was elected Congressman from the State of Illinois. The results he obtained from taking Nuxated Iron were so surprising that

SENATOR MASON NOW SAYS

Nuxated Iron should be made known to every nervous, run-down, anemic man, woman and child.

Opinion of Doctor Howard James, late of United States Public Health Service who has prescribed and thoroughly tested Nuxated Iron in his own private practice

WHAT SENATOR MASON SAYS: "I have often said I would never recommend medicine of any kind. I believe that the doctor's place. However, after the hardest political campaign of my life, without a chance for a vacation, I had been starting to court every morning with that horrible tired feeling one cannot describe. I was advised to try Nuxated Iron. As a pioneer in the pure food and drug legislation, I was at first loath to try an advertised remedy, but after advising with one of my medical friends, I gave it a test. The results have been so beneficial in my own case I made up my mind to let my friends know about it, and you are at liberty to publish this statement if you so desire. I am now sixty-five years of age, and I feel that a remedy which will build up the strength and increase the power of endurance of a man of my age should be known to every nervous, run-down anemic man, woman and child."

Senator Mason's statement in regard to Nuxated Iron was shown to several physicians who were requested to give their opinions thereon.

Dr. Howard James, late of the United States Public Health Service, said: "Senator Mason is to be commended on handing out this statement. Nuxated Iron for public print. There are thousands of men and women who need a strength and blood-builder, but do not know what to take. There is nothing like organic iron—Nuxated Iron—to give increased strength, vigor, and staying power. It enriches the blood, brings roses to the cheeks of women and is an absolute source of renewed vitality, endurance and power for men who burn up too rapidly their nervous energy in the strenuous strain of the great business competition of the day."

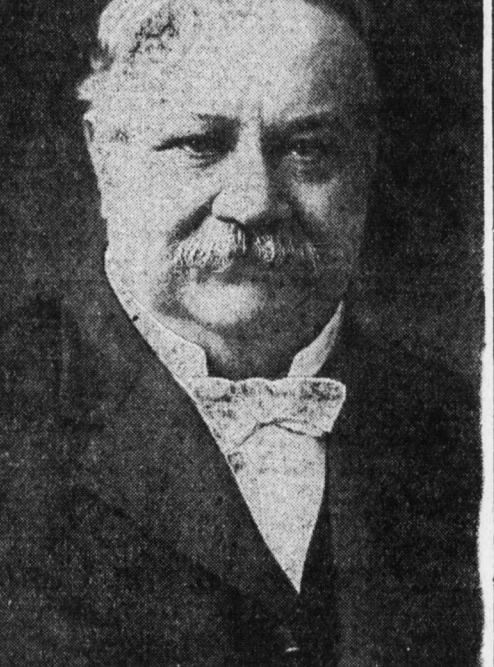

Dr. King, a New York physician and author, said: "I heartily commend Senator Mason's statement in regard to Nuxated Iron. There can be no vigorous iron for men and women who are suffering from anemic means anemia. Anemia means iron deficiency. The skin of anemic men and women is pale; the flesh flabby; the muscles lack tone; the brain fades, and the memory fails, and often they become weak, irritable, despondent and melancholy.

In the most common foods of America—the starchy cereals, table syrups, crackers, polished rice, white bread, sodas, candies, biscuits, macaroni, spaghetti, cornmeal, no longer is iron to be found. Refining processes have removed the iron from Mother Earth from these impoverished foods, and silly methods of home cooking, by throwing down the waste pipe the water in which our vegetables are cooked, are responsible for another grave iron loss.

Therefore, if you wish to preserve your youthful vim and vigor to ripe old age, you must supply the iron deficiency in your food by using some form of organic iron. Just as you would use salt when your food has not enough salt."

Dr. E. Sawyer, Boston physician who has studied abroad in great European medical institutions, said: "Senator Mason is right. In the course of an hundred times over, organic iron, the greatest of all strength builders."

"Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the pressure of a boy of twenty and as full of vigor, vim and vitality as a young man; in fact, a young man of the age was, notwithstanding his age. The secret of his strength, power and endurance was that he had taken Nuxated Iron, and nearly all in. Now at fifty, after taking Nuxated Iron, a miracle of vitality and his face beaming with the buoyancy of youth, he is able to do what is necessary to enable your blood to change food into living tissue. Without it, no matter how much you eat, your food merely passes through you without doing you any good. You don't get the strength out of it, and as a consequence you become weak, pale and sickly looking, just like a plant

Former United States Senator Wm. E. Mason, recently elected Member of the U. S. Congress from Illinois.

From the Congressional Directory, published by the United States Government—"Wm. E. Mason, Senator from Illinois was elected to the 50th Congress in 1887 and to the 51st Congress in 1889. He was re-elected to the 52nd Congress 1891—defeated for the 53rd Congress 1893 to 1903."

Senator Mason is now Congressman-Elect from the State of Illinois.

Senator Mason's championship of Pure Food and Drugs legislation, his fight for the rural free delivery system, and his strong advocacy of all bills favoring labor and the rights of the masses as against trusts and combines, made him a national figure at Washington and endeared him to the hearts of the working man and the great masses of people throughout the United States. Senator Mason has the distinction of being one of the really big men of the nation. His strong endorsement of Nuxated Iron must convince any intelligent thinking reader that it must be a preparation of very great merit and one which the Senator feels is bound to be of great value to the masses of people everywhere, otherwise he could not afford to lend his name to it, especially after his strong advocacy of pure food and drug legislation.

Since Nuxated Iron has obtained such an enormous sale—over three million people using it annually—other iron preparations are often recommended as a substitute for it. The reader should remember that there is a vast difference between ordinary metallic iron and the organic iron contained in Nuxated Iron, therefore always insist on having Nuxated Iron as recommended by Dr. Howard James, late of the United States Public Health Service; Dr. Schuyler C. Jacques, Visiting Surgeon of St. Elizabeth's Hospital, New York, and other physicians. In this connection Dr. Howard James says:

"Iron to be of the slightest value to the human system must be in a combination which may be easily assimilated. In the case of metallic salts of iron, iron acetate, etc., it is very doubtful if sufficient iron can be taken up and incorporated into the blood to be of any service, especially in view of the disadvantages entailed by its corrosive action upon the stomach and the damaging effect upon the dental enamel. When, however, we deal with iron in organic combination, such as for instance, in Nuxated Iron, or better still, Nuxated Iron, a far different story is told. We will observe no destructive action upon the teeth; no corrosive effect upon the stomach. The iron is readily assimilated into the blood and quickly makes its presence felt in increased vigor, snap and staying power."

Contrary, it is a most potent remedy for nearly all forms of indigestion as well as for nervous, run-down conditions. The manufacturers have such great confidence in nuxated iron that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lack iron, and increase their strength 200 per cent or over in four weeks, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by Dr. Howard James, 155 N. Nelson Clark and all good druggists.

Delivered to Your Home For a Down Payment of \$15

Balance \$2.50 weekly or \$10 monthly, with bench, scarf, tuning and 36 Music Rolls, your selection, included. Come and see this New Angelus to-day. Other makes \$395 up.

TO DANCE WITH CITY'S FAIREST

Returning Guardsmen Will Be Given Glad Homecoming; Committee Meets Feb. 19

The Eighth Regiment, which has been ordered to leave the Border February 29, will march to the army immediately on its arrival here. There, regardless of the hour they arrive, the guardsmen will be served with sandwiches and coffee.

The general committee, which consists of members of the immediate families of the troopers, will meet next Monday evening, when final arrangements for a big reception will be made. The banquet will be held on the first floor of the armory and dancing will be held on the second floor. A "smoker" and cards will also be on the program for the evening. Several prominent men will speak.

The companies will be "mustered out" shortly after their arrival, but in the event of war with a European power the men of the Eighth Regiment would be among the first to be called to the colors by the federal government.

Drawing Jury to Try Murder Case at Carlisle

Carlisle, Pa., Feb. 13.—Early exhaustion of the regular panel of jurors caused the beginning of the trial of James Anthony, a negro, for the alleged killing of Michael Ury, a farmer, at Newville, with a shovel, to be postponed from yesterday until to-day. The defense took care that none of the men who served on the jury that found Archie Miller guilty served on the present one. Twenty additional men were brought to court this morning by Sheriff Greenwood. It was believed that an additional fifteen would be called later in the day.

OLD IRONWORKER DIES

Carlisle, Pa., Feb. 13.—John W. Lorentz, for many years connected with the Penn Iron Company at Lancaster, and in recent years associated with Edward T. Edwards, who operates one of the mills of the Susquehanna Iron Company, here, died at his home in Lancaster from paralysis, aged 62 years.

LINCOLN DAY SERVICE

Marietta, Pa., Feb. 13.—Forty gray-haired veterans of the Civil War took part in a special service yesterday, commemorating Lincoln's Day, in the Beam church, Willow street. Miss Kathryn Shodgrass presented an American flag to the congregation.

The Quinine That Does Not Cause Nervousness or Ringing in Head

Because of its Tonic and Laxative effect, LAXATIVE BROMO QUININE can be taken by anyone without causing nervousness or ringing in the head. It removes the cause of Colds, Grip and Headache. Used whenever Quinine is needed.

—but remember there is **Only One**

"Bromo Quinine"

That is the Original

Laxative Bromo Quinine

This Signature on Every Box

Used the World Over to Cure a Cold in One Day, 25c.

DUKE OF NORFOLK DIES

London, Feb. 13.—The Duke of Norfolk, ranking member of the English nobility, and one of the foremost English Catholics, died in London Saturday.

TO ADDRESS SOCIETY

Mrs. Cathryn S. Sabin, Immigration secretary of the Scranton Y. W. C. A. will speak at the special services of the Women's Home Missionary Society of the Market Square Presbyterian Church, to be held on Washington's birthday. The one hundred and first anniversary of the Sunday school will be celebrated February 25.

FINE HOME BURNED

Drumore, Feb. 13.—Another fire occurred here yesterday, when the fine home of Charles Steele was totally destroyed. The family was away from home at the time.
