

Don't say "Break-fast Food"—say "Shredded Wheat"—for while you no doubt mean Shredded Wheat, you may get one of those mushy porridges that are a poor substitute for the crisp, delicious shreds of baked whole wheat—that supply all the nutriment for a half day's work. Two Biscuits with milk or cream make a nourishing meal at a cost of a few cents.

SPROUL INQUIRY PASSES HOUSE

(Continued From First Page)

clusion of two hours of debate in which charges that the Governor had promised appointments for votes were made and the State executive vigorously defended, while the resolution was assailed in bitter terms as unfair and dangerous to the Republican party in the State.

Five Democrats and one Socialist voted against the resolution. Twenty-five Democrats voted in favor of the resolution.

Members who voted for the bill yesterday and against it to-day were: Barner, Ehrhardt and Kichenbacher, and who voted in the negative yesterday and for the bill to-day, Dale.

There were a number of absentees

including men who had voted yesterday.

The Senate resolution for investigation of government in Pennsylvania, which was laid before the House at 11:30 a. m., was supported by Representative Sarig, Berks, the Democratic member who endeavored to amend it yesterday, so that the inquiry would be made by a commission of eminent citizens. Mr. Sarig said that an investigation such as he believed would result was better than none.

The Berks member said the situation among the Republicans reminded him of two of his pupils who had called each other liars and whom he thought were in danger of qualifying to become political leaders. The conditions charged, said he, were the result of the system created in Pennsylvania by politics. He asserted that the Republicans of Pennsylvania had built up the greatest political machine on the American continent, so powerful, he said, that he wondered that there was a Democratic legislator on Capitol Hill.

Mr. Milner, Philadelphia, said the resolution sought to accomplish no good end and that it had been forced down the throats of the legislators until they were ready to gag and the people back home are equally sick of it. The resolution, he said, was an indictment that named no one and provided for "a packed jury" something repugnant to the Anglo-Saxon sense of justice.

Mr. Snyder, Westmoreland, denounced the resolution as unfair and said it had nauseated the people of Pennsylvania.

MRS. SAUL'S BIRTHDAY

An enjoyable surprise party was given Mrs. David F. Saul at her home, 31 South Summit street, Monday evening, in celebration of her birthday. The evening was spent in games and story telling.

Refreshments were served to Mrs. Isabel Dorwart, Mrs. Louisa Rosenberger, Mrs. Nettie Weible, Mrs. Addie Myers, Mrs. Florence Dorwart, Mrs. Iva Cence, Mr. and Mrs. David F. Saul, Leroy, Isabel, Jennie, Dorothy and David H. Saul.

Arthur Bratten, of Washington, D. C., is in town for a week's stay among old friends here.

Miss Grace Dunn and Miss Sara Dunn, of Hagerstown, Md., were recent guests of Mr. and Mrs. Emory Thomas on the way home from New York City.

Mrs. Edward Kirby Lawson, 2533 Main street, Penbrook, has returned from a ten days' visit in Philadelphia.

STOCK DEALINGS LIGHT AND NARROW

Declines Range From 1 to 3 Points on Shippings, Bethlehem Steel, Petroleum, Baldwin, Locomotive and Industrials

New York, Feb. 14. — Dealings at the outset of to-day's session were light and narrow with a preponderance of declines. These ranged from one to three points in shippings, Bethlehem Steel, Mexican Petroleum, Baldwin Locomotive, Studebaker and Ohio Gas with fractional reversals in Great Northern Ore, American Steel Foundries and other specialties. United States Steel opened at a slight recession, moderate pressure being effected a greater loss. Nominal gains were registered by Central Leather, American Sugar, Continental Can, Pittsburgh Coal, Canadian Pacific was heaviest of the rails, yielding almost two points.

The market became increasingly apathetic during the forenoon with partial recoveries from early irregularity, except in specific instances. Sugar issues reflected latest conditions in Cuba, a six-point drop in Cuban-American Sugar being offset by a twelve-point gain in South Porto Rico Sugar, presumably on the theory that the latter might benefit by the disadvantages of the former. Stocks failed to follow up their improvement of the previous day, a four-point decline in Delaware and Hudson and a new minimum for Avon and being among the chief incidents of that division. A new low quotation of 90 1/2 for Anglo-French 5's featured the nominal bond market.

UNVEIL PAINTING AT CAMP CURTIN

Sixteeners to Be in Charge of Memorial Service; to Start Revival

Impressive exercises to-morrow evening will mark the unveiling in the Camp Curtin Memorial Church of the memorial painting in honor of the men who served the Union in the Civil war and their wives.

The services will begin at 7:30 o'clock to-morrow evening and will be in charge of the Central Pennsylvania Society of Sixteeners. The society is made up of graduates of the various Soldiers' Orphan Schools. The Rev. E. H. Hart, former pastor of Fifth Street Methodist Church, will be the principal speaker. Mr. Hart is a member of the society which presented the painting to the church.

Revival services will begin in the church Sunday when the Rev. Dr. E. L. Hyde, of the Philadelphia conference and his work is well known in the congregation. Dr. Hyde has the reputation of being one of the most interesting evangelists in the conferences and his work is well known in Harrisburg church circles.

CUTAWAY REO CHASSIS ATTRACTS

The Automobile Show is one place in the world where one may expect to see unique demonstrations, and the local show is in no way an exception. One of the most striking exhibits of this year's show is the electrically illuminated cut-away Reo chassis exhibited by the Harrisburg Auto Company, of which George G. McFarland is general manager. Every working part of the entire mechanism is cut away to show what takes place in the mysterious interior of an automobile. The crank case is glass enclosed to show the movement of the crank shaft and pistons. The transmission and differential housings are cut away to show the movement of the various gears. The workings of the clutch and even the magneto bare their secrets to the interested crowd that seems to constantly throng about the exhibit. Small electric bulbs show the action of the spark plugs and the motor fan makes intermittent flashes of vari-colored lights as its whirrs whirl.

In keeping with the present-day trend towards permanent top cars, the Harrisburg Auto Company is showing two Sedan Touring cars (four and six-cylinder) that are genuinely new. Kansas City glass panels in the sides are easily dropped out of sight, giving the Reo owner the luxury of the open touring car when the season of the year demands. A four and six-cylinder roadster and a four and six-cylinder seven-passenger touring car complete the Reo exhibit.

OHIO WOMAN'S WISH

For Tired, Weak, Nervous Women

Bellefontaine, Ohio.—"I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as I spent for Vinol. I was weak, tired, worn out and nervous, and Vinol made me strong, well and vigorous after everything else had failed to help me and I can now do my household work with pleasure.—Mrs. J. F. Lamborn.

We guarantee Vinol, which contains beef and cod liver peptones, iron and manganese, peptones and six-cyclophosphates, for all weak, run-down, nervous, debilitated conditions.

NUXATED IRON

The Power behind the Strong Men of Today

Dr. Ferdinand King, a New York City physician and author says: "There can be no strong, vigorous, iron men but healthy, rosy-cheeked women without Iron—Nuxated Iron taken three times per day after meals will increase the strength and endurance of weak, nervous, run-down folks 200 per cent. in two weeks' time in many instances. Avoid the old forms of metallic iron which may injure the teeth, corrode the stomach, and thereby do more harm than good. Take only organic iron—Nuxated Iron." It is dispensed in this city by Croll Keller, G. A. Gorgas, J. Nelson Clark, and all good druggists.
