HOT TEA BREAKS A COLD--TRY THIS

Get a small package of Hamburg Brest Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoonful at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.
