part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder dis-orders come from sluggish kidneys. The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or at-tended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad, Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

liate cause of the serious freight congestion reported by many interior cities, railroad men declared to-day, is their policy of refusing shipments to New York of freight for export unless the shipper can prove that he has cargo room engaged so that his goods can be loaded on a boat immediately after its delivery here. The rigorous application of this rule has transferred the accumulation of freight that otherwise would be piling up here to the warehouses at manufacturing and producing centers in the West and South. For the purpose of relieving ter-minal points the railroads in this terri-

tory are imposing new embargoes. Berefuse freight for points west of Buffalo in order to clear its yards there and allow eastern shipments to come through. The Pennsylvania has ap-
