Which? A Cream and Sugar Breakfast or a Real One

Cream and sugar do not make a breakfast. And too many breakfasts—or what are called breakfasts—are only excuses for cream and sugar.

Do you feel empty at ten o'clock—do you feel that you lack stamina before the morning is half over—do you lose effectiveness in the most important part of the day—because you have not had sustaining food?

Then give up cream and sugar breakfasts—eat a real breakfast—a Cream of Barley breakfast. It is nourishing—distinctly delicious—energy giving and sustaining. At your Grocer.

Keeps Her Children In Perfect Health

Dr. Caldwell's Syrup Pepsin the Family Laxative For Many Years

Mrs. Aug. Doellefeld, of Carlisle, Ill. recently wrote to Dr. Caldwell, at Monticello, Ill., that she has used Dr. Caldwell's Syrup Pepsin in her home for a number of years, and would not be without it, as with it she has been able to keep her four children in perfect health. Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts on the bowels in an easy, natural way, and regulates the action of this most important function. Nearly all the sickness to which children are subject is traceable to bowel inaction, and a mild, dependable laxative, such as Dr. Caldwell's Syrup Pepsin, should have a place in every family medicine chest. It is pleasant to the taste and children like it, and take it readily, while it is equally effective for adults.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a face simile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington street, Monticello, Illinois.
