

Says Simple Remedy Prolonged His Life

Dr. Caldwell's Syrup Pepsin Effective as a Remedy for Constipation.

Among older people the various organs of the body have a tendency to slow up and weaken, and this is usually first manifest in a pronounced inactivity of the bowels.

SAVE YOUR HAIR! 25 CENT BOTTLE STOPS DANDRUFF

Every bit of dandruff disappears and hair stops coming out.

Try this! Your hair appears glossy, abundant, wavy and beautiful.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its luster, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast.

Get a 25-cent bottle of Knowlton's Dandruff from any drug store or toilet counter, and after the first application your hair will take on that life, luster and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

BETHLEHEM TO HELP THE STATE

Will Establish Plant For Filtration of Water at Steelton Works

Assurance that the Bethlehem Steel Company would co-operate with the State in its plan to clear up the streams was given to Commissioner N. R. Butler and Deputy Attorney General Horace W. Davis yesterday afternoon by Quincy Bent, general manager of the Steelton plant.

Mr. Bent outlined the conditions prevailing at the huge Steelton works and stated that steps were in process whereby the wastes would be utilized and stated that plans were being worked out for elimination of any draining which would pollute the Susquehanna.

The Department of Fisheries has served notices on numerous works along the Susquehanna, Juniata, Schuylkill, Brandywine and Lehigh to stop pollution and in co-operation with the Attorney General's Department, expects to see a notable change brought about in a few years.

More Charters.—Governor Brumbaugh yesterday and to-day approved a score of charters, in the number being a number of coal and manufacturing companies. The rush for charters is something that is keeping the attaches of the Secretary of the Commonwealth on the jump.

To Argue Matter Case.—The appeal of H. Homer Matter in the condemnation of the Matter property for Capitol Park Extension will be argued in the Supreme Court this week. The case will govern a number of other cases and will probably be decided promptly.

Mailmen as Fire Wardens.—Arrangements are being made by national and State officials whereby the rural mail carriers will become aids to the forest fire prevention service. They will give notice of fires by telephone to wardens or watch towers.

Commissioners Move.—The Supreme Court has accorded the use of some of its apartments on the top floor of the east wing to the Public Service Commissioners for offices and consultation during the legislative session which necessitated the Commission giving up some of its rooms.

Respite Urged.—Speaker Baldwin last night sent to the State Board of Pardons a bill asking that in view of legislation pending the abolition of the death penalty that the board recommend that respite be granted or death warrants be withheld until bills in hand are disposed of. There are a number of men either awaiting electrocution or issuance of death warrants.

Club Organized.—The House of Representatives Club, which was a great feature of the session of 1915, was reorganized last night by Reading Clerk Quay Hewitt. The first meeting was held at the desk of Representative "Dick" Powell, of Luzerne. There were twenty-seven recruits.

Appointments Made.—Governor Brumbaugh last night sent to the Senate the appointments of F. F. Turner to be alderman for the Thirtieth ward of Johnstown; Isaac R. Pitt to be commissioner of deeds for the State at West State; and Laura S. Smith at New York; Horace A. Lehart to be justice for Middletown, and Frank L. Smith, Norristown, and Thomas W. Marshall, West Chester, to be trustees of the State Hospital at Norristown.

New York Action Sent.—Secretary of the Commonwealth Woods last night sent to the Legislature the action of the New York general assembly in regard to migratory birds. Named For Powderly.—A building and loan association in Pittsburgh has been named for Terrence V. Powderly, the old labor leader.

Urges Farming.—Deputy Secretary of Agriculture Carothers in a statement made to-day urges intensive farming to get out of the grip of the State on a preparedness basis.

Pardon Board To-morrow.—The State Board of Pardons will sit to-morrow. The Pizzimenti case will come up. The Snyder case will be continued.

Sittings Continued.—Referee Snyder to-day continued the hearings in the compensation cases from this district. Mr. Snyder is known among the State officials as "Golden Rule" Snyder.

O'Neil Welcomed.—Brigadier General O'Neil received a great welcome when he and the members of his staff arrived home in Allentown last night. The general will come here in a few days to visit Adjutant General Stewart.

Wife Spies Woman With Hubby in Auto—Battle

St. Louis, Mo., Feb. 20.—Mrs. Evelyn Dixon, 30 years old, who spied Mrs. Stella Atwood, 24 years old, a waitress, alighting from the automobile of her husband, Ben Dixon, in front of the Columbia theater, at the matinee hour yesterday, with Dixon, stared an exciting hat-pulling bout with the other woman to the edification of hundreds of shoppers and theater goers.

When the two women screamed and screamed and clawed at each other, Dixon tried vainly to separate them. It was not until Traffic Patrolman Reeves went to his assistance that the women were pulled apart. Reeves ordered the husband to drive the party to Central Station. On the way Mrs. Dixon tried repeatedly to renew hostilities.

When the quartet reached the walk in front of the station, the two women again mixed, this time using their fists wildly. Captain Martin O'Brien ran out and assisted Patrolman Reeves in dragging the two apart.

Advertisers Pigs to Sell Lumber—Gets Results

Chicago, Ill., Feb. 20.—One of the devices by which the National Lumber Manufacturers' Association is trying to stimulate the entire industry to a patronage of the advertising columns of the newspapers and magazines is a little sticker being put on all letters from the offices of the association. Here is the sticker:

"Selling lumber by advertising pigs is a new one, but it works. The picture of the pig and of the house to be built is the loss of 'one out of three' brought \$400 in new business in sale of lumber to build shelters."

"This was done by a Missouri dealer for Missouri pigs, with a two-column ad. in two papers in the 'dull season.'"

"Hit In the Tunnel," But He Was Struck On Eye

San Francisco, Cal., Feb. 20.—Rastus Williams could Kolb and Dill in their palmiest days when he testified against Charles Brown yesterday before Police Judge Morris Oppenheim. Williams complained of battery, committed by Brown.

"Where did he hit you?" asked Judge Oppenheim.

"In the tunnel," replied Williams.

"I know," said the Court, "but where?"

"Right near the Bush street entrance."

"You don't understand what I want to know," said the Court.

"Sure I do. He hit me in the Stockton street tunnel."

"I hit him in the eye," volunteered Brown, coming to the rescue of Williams. When the pair shook hands the case was dismissed.
