

BULGARIA HAS BREAD LINE, TOO

New York, Feb. 21.—That the food problem in Bulgaria is a very serious one is declared by Dr. E. E. Count, superintendent of the Methodist work for Bulgarians, with headquarters at Sofia. He has just come to the United States on leave of absence.

"Tickets for bread, sugar, rice and various other articles are issued to the people," says Dr. Count. "When it was announced that a certain food would be distributed on a certain day, I have known people to get up at 2 o'clock in the morning to secure the supply allotted to them. They stand in a long line, three, four, or even five hours, so that they may receive their small measure of food before the quantity is exhausted. Sometimes even these early comers are forced to go home empty handed."

"Wants No Trouble With U. S. Prices are steadily rising in spite of the government's attempt to control them. When the government prices of sugar was eighteen cents a pound, I have known it to be sold by unscrupulous persons at the rate of eighty cents or a dollar a pound. Cloth that could be bought before the war for \$1.20 or \$1.00 per yard, is now as high as \$3.00 to \$3.50 a yard."

"Mission work is not suspended, but is necessarily carried on under difficulties, as nearly all the male members of the churches have been drafted into service."

"It was frequently told while in Bulgaria that should the central powers go to war with America, nothing could induce Bulgaria to take sides in that issue. She wants no trouble with America and will not declare war against her, even if all other members of her alliance do so."

SYMPTOMS OF HER DISEASE

Backache, Sideache, Nervousness, Dizziness, Faintness, all Disappeared After the Woman's Medicine was Taken.

Kingfisher, Okla.—"For two years I suffered with a severe female trouble, was nervous, and had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. After taking ten bottles I am now well and strong, have no more pain, backache or dizzy spells. Everyone tells me how well I look and I tell them Lydia E. Pinkham's Vegetable Compound did it.—Miss NINA SOUTHWICK, R. F. D. No. 4, Box 39, Kingfisher, Okla.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Advertisement.

FOR A BAD COUGH Here is a fine old-fashioned recipe for a cough, cold or croup. It has been used with great success. Get from your druggist 1 oz. of Farnum's (Double Strength) about 75c worth and add to it 1/4 pint of hot water and 4 oz. of granulated sugar. This will make full half a pint when mixed. Take one tablespoonful times a day. No more racking your whole body with a cough. Clogged nostrils should be kept open so your head clear up. So you can breathe freely. It is easy to prepare, costs little and is pleasant to take. Anyone who has a stubborn cough, or hard cold or croup in any form should give this prescription a trial.

HELP COMING FOR PENNSY BOSSSES

Firemen Gathering Up Idle Men From Shipping Docks; Many Sent to Enola

Officials of the Pennsylvania railroad believe they have solved the help problem. Hustling agents have been sent east, west, north and south. Their instructions are to advertise for help in daily newspapers, and to send men to this city and Enola as rapidly as possible.

Representatives of the Pennsylvania railroad for the past week have been in New York city and other seaport cities getting men who have been thrown out of work because of the tie-up of ocean traffic.

Men Await Orders At Philadelphia it is said there are between 200 and 400 men waiting orders for transportation. New York will contribute large forces. Foreman H. G. Hassler of Enola shops, who has been looking up help at Washington, D. C., sent forty-one men to Enola in two days. Good wages are being offered the men. They will be assigned to improvement work, track and construction gangs.

Valued Home Remedies (Clip Out and Save.) To End Coughs The following formula, easily mixed at home, makes one of the quickest and most reliable remedies obtainable, often curing the worst cough in a day. Take a teaspoonful as often as necessary.

How To Relieve Rheumatism After each meal and at bedtime take a tablespoonful of the following home-made medicine now used all over the United States and noted for its remarkable results. Relief begins at once.

Frost-bites, Corns, Sore Feet Bathe the feet in warm water to which has been added two tablespoonfuls of Calocide compound. This gives instant relief for aching, burning or perspiring feet; corns, callouses, sore bunions; also for frost-bites or chilblains. The Calocide acts through the pores, removing the cause of the trouble. Its use also keeps the feet in a firm, healthy condition, free from swelling and puffing.

These formulas are published by the Medical Formula Laboratories, Dayton, Ohio. The ingredients specified can be procured from any good drug store.

PATRIOTIC SONS MEET TO OBSERVE WASHINGTON DAY

Dauphin Southern District Convention to Be Held Here Tomorrow

The Dauphin-Southern District convention of the Patriotic Sons of America will be held to-morrow, Washington's Birthday, in the Flatiron Building, Nineteenth and Derry streets. The convention this year promises to be the largest and most interesting of any yet held. A program of interest and instruction has been arranged for both afternoon and evening. A short session will start at 1.30 o'clock, and the prominent men will address the delegates, among them being State Vice-president Gabriel H. Moyer, of Palmyra. The evening will be devoted to a fitting and patriotic observance of the birthday of Washington. The exercises will be open to the public with special reservations for the invited organizations, among which are the Patriotic Order of Americans, which is the ladies' auxiliary of the Patriotic Order Sons of America; the United States Daughters of 1812, the Daughters of the American Revolution, and all camps of the Patriotic Order Sons of America, under whose auspices the anniversary is held.

Camps to Gather Here The district convention is comprised of Camps 8, 16, 509, 629, and 719, of this city; Camp 102, of Steelton; Camp 306, of Hummelstown; Camp 371, of Middletown; Camp 424, of Dauphin; Camp 477, of Penbrook; Camp 505, of Highspire; Camp 522, of Enahaut; Camp 516, of Grantville; Camp 535, of Picketon; Camp 705, of Hershey.

The officers of the convention are: President, Walter Altemus, of Camp 505, Highspire; vice-president, W. Miller, of Camp 639, this city; master-of-forms, Robert Keim, of Camp 522, Enahaut; secretary, Ed. H. Weigel, of Camp 8, this city; treasurer, J. M. Shaffner, of Camp 716, this city; conductor, Russell Behman, of Camp 102, Steelton; inspector, Robert Shuler, of Camp 102, Steelton; guard, Charles Pugh, of Camp 522, Enahaut.

CANNOT WORK OR PLAY When you are run down in health so that it impairs the efficiency of your work as well as your power to enjoy the pleasures of life it is time that you gave Dr. Williams' Pink Pills a trial.

The condition that doctors describe as general debility when they describe it as all outside of the experience of most physicians until the blood has become so impoverished that it can be called anemia. Unless this condition of bloodlessness has been reached you simply complain of failing energy, loss of appetite, constipation, lack of ambition and animation. If you are well-to-do your physician will probably advise a change of climate. If not, he will tell you there is nothing much the matter with you. He means that there is no organic trouble. But the blood is thin and the whole system lacks tone. The blood goes everywhere, practically, and improving the quality of the blood by using Dr. Williams' Pink Pills, tones up the whole body, improves the appetite, quickens the step and puts a new punch in life generally. Dr. Williams' Pink Pills for Pale People are sold by your own druggist or will be sent direct by the Dr. Williams Medicine Co., Schenectady, N. Y., at fifty cents a box.

Two Men's Organizations Meet in a Social Way One Hundred and twenty-five men attended the joint luncheon of the Men's organized Bible Class and Men of Zion Brotherhood of Zion Lutheran Church last evening in the lecture room. The room was attractively decorated with national colors. The Class Orchestra, of nine pieces, furnished the music. Davenport served luncheon. Addresses of welcome were made by W. C. Beidleman, president of the Men's class and William M. Garman, president of the brotherhood. The address, "Our Inheritance as Lutheran Men," given by Rev. G. M. Diefenderfer, of Carlisle, and remarks by the Rev. S. W. Herman, the pastor, were forceful and inspiring. Prof. George W. Hill was toastmaster and the entire party thoroughly entered into the singing of patriotic and religious songs.

The young ladies of the Patriotic Order of Americans, the auxiliary to the Patriotic Order Sons of America, will act as ushers and also be the patriotic escort to the speakers and those taking part in program. A PIGMY POCKET REVOLVER A revolver small enough to be carried in the vest pocket and fired when concealed within the hand has been invented by a Frenchman, Turbiaux. It differs completely from anything that has hitherto been made. More-over, it has most of the refinements of the larger weapons, such as a safety device, a ten-cartridge magazine and a device which secures a perfect chamber with the barrel.—Popular Science Monthly for March.
