

MORE AMERICANS REACH ZURICH

Forty-Six Arrive Safely After Anxious Time in Germany

By Associated Press Zurich, via Paris, Feb. 21. — A score of United States consuls and government agents with their families reached Zurich last night after having spent a more or less anxious week awaiting permission to leave Germany. The arrivals consisted of 46 persons who had gradually assembled in Munich from which town they departed yesterday morning after the bulk of their baggage and papers had been examined. The party arrived in two sections, the first warmly praising their treatment by the Germans and the second containing members who complained bitterly over the enforced delay in their departure and also of having had to leave behind them papers which the German authorities desired to submit to a more rigid censorship. The majority of the travelers, however, reported that they had received studiously courteous treatment and declared that the stringent regulations enforced were nothing more than what was to be expected in view of the situation. In several instances the arrivals told of special favors that had been shown them during the last week. As far as can be learned none of the party had any information about the fate of the Yarrowdale prisoners and knew only of contradictory German press reports. The first arrivals comprised Consul General William P. Gale, Munich, and family; Special Commissioner Gottschalk, Cologne; Consul Milo A. Jewett and family, Kehl; Consul De Soto and wife, Warsaw.

Await Instructions They were met at the depot by Consul General Keene and his staff. Among the arrivals on the next train were Consul General Henry H. Morgan, Hamburg; Vice Consul James C. McNally, Kehl; Vice Consul William W. Brinkman, Coburg; Consul Alfred W. Donegan, Magdeburg; Vice Consul Frederick J. Dietzman, Barmen; Consul Talcker and family, Stettin; Agent Joseph F. Bus, Bremerhaven; Ches. I. Winans and family, Nuremberg; Consul General Leo Allen Bergholz and mother, Dresden; Consul Ingratton, Frankfurt, who is ordered to Barcelona; Michael J. Hendrick and family, Plauen; William P. Kent, Leipzig; Vice Consul L. Raphael Geisler, Cologne; Consul Cornelius Ferris, Jr., Mannheim; the family of Consul Henry C. A. Damm, Aachen; Consul Damm being ordered to Turkey. Left behind in Munich or elsewhere are Consul General Heatly W. Harris, of Frankfurt, who is ill with inflammation of the lungs, and has been given a special assurance by the German authorities that he can go to Copenhagen when he is ordered to do so; John Q. Wood, Chemnitz, who is awaiting instructions; Vice Consul W. Bruce Wallace, Magdeburg, and Vice Consul Ernest Eutenmann, Stuttgart, both left behind ill in Munich. The majority of the consuls who have arrived here will go to Berne tomorrow or soon thereafter to await instructions from Washington.

Grand Jury Investigation of Newsprint Prices to go Ahead Regardless of Plans

By Associated Press New York, Feb. 21. — The federal grand jury investigation of the price of news print paper, it was announced today, will be resumed here next Monday, irrespective of the arrangements being made in Washington for an amicable settlement of the dispute between publishers and manufacturers. Adjournment for the week was taken yesterday in order to give the investigators a chance to review the evidence thus far introduced.

Covenant of Patriotism Endorsed by Presbyterians

By Associated Press Lexington, Ky., Feb. 21. — Two thousand persons attending the biennial convention of the Laymen's Missionary Movement of the Presbyterian Church here unanimously endorsed a covenant of patriotism, presented by William T. Ellis, of Swarthmore, Pa., principal speaker, last night. Mr. Ellis aims to have the covenant given a national scope. He said in part: "I am an American. I love my country and have an unshakable faith in her character and in her mission. Therefore I pledge myself with all my powers to a maintenance of her historic ideals and to a fulfillment of her mission as God's apostle of Christian democracy to mankind. I shall seek to discourage all disparagement of America and to promote every form of intelligent national loyalty and patriotism. Whatever I can do to increase love and reverence for my country and for her flag I will freely and fearlessly and joyously do. Above all partisanship and self-interest I solemnly place my country, promising to pray for America, to support America and to honor America by character and by my work. This pledge I make in humble dependence upon the God of our fathers, whose favor alone has made our country great."

Plan Deportation of Berlin Children to Country

By Associated Press Amsterdam, via London, Feb. 21. — The Berlin Vorwarts says that a mass deportation of Berlin children to the country is planned. It is intended to give ailing children of the three upper classes of the public schools several months in the country. It is believed that this step will relieve the food difficulty in the city and enable the children to be better fed. It is hoped that the children will also be helped as the children do light tasks on farms and other towns are invited to imitate Berlin's example.

Something New in Floor Covering!

There's always something new turning up in floor covering but now we can show you a new quality rug of merit—one that is worthy and that is reasonably priced.

CONGOLEUM RUGS In Very Beautiful Patterns

We have accepted the local agency for the Congoleum Rugs, which are advertised this week in a full page in the Saturday Evening Post. A complete assortment of these serviceable Rugs can now be seen at our store and can be bought as cheap here as in any store in the world.

Congoleum Rugs are far superior to low-priced woven Rugs. The surface of a woven rug is soft and absorbent. It takes up dust and dirt, necessitating regular beating to keep it clean. The surface of Congoleum Rugs is beautiful as fine woven rugs, and in addition is firm, non-absorbent and washable.

Congoleum Rugs are positively water-proof. A damp mop keeps them bright and clean. No dusty, dirty beating is ever required.

SIZES AND PRICES:

RUSSELLISM IS ATTACKED

Sunday Moving Pictures Raped, Too, by Miss Palmer, Woman Evangelist

A sensational attack was launched last evening upon the doctrine preached by the late Pastor Charles T. Russell by Miss Sara C. Palmer, who is conducting the revival in the Sixth Street United Brethren Church. Miss Palmer preached on "Hell and Russellism" and distributed copies of a booklet on the famous libel case in which Mr. Russell figured. The pictures shown each Sunday by the denomination were scored by Miss Palmer. She said Russell preached about the second chance, which she declared to be without foundation in

the Bible. Following a solo "Prepare to Meet Thy God" by Prof. Roger Hickman, a number of conversions were announced. Miss Florence H. Saxman sang "Where Will You Spend Eternity?" Large delegations from the First United Brethren Church and from the Otterbein Church were present at the service. Others who attended were Bishop W. M. Stanford, of the United Evangelical Church; the Rev. Mr. and Mrs. Clyde Lynch, of the Lincolnton United Brethren Church; the Rev. Mr. and Mrs. Ayres, of the New Cumberland U. B. Church, and Mrs. Clayton A. Smucker, wife of the pastor of Stevens Memorial Church. This evening the men's and women's classes which meet in the gallery of the church will attend the meeting in a body. Miss Palmer will preach on the subject "A Great Ship Wreck" this evening. Preliminary prayer service will be held in room No. 3 before the opening of the evening services. The following additional homes have been open for prayer-meeting to-morrow and Friday at 9:30 o'clock: Mrs. Charles Jacobs, 827 Woodbine street, and Mrs. Harry Derrick, 614 Oxford street. Delegations from a majority of the

city's Methodist churches last evening heard the Rev. Dr. E. L. Hyde preach on "God Be Merciful to Me, a Sinner" at Camp Curtin Memorial Methodist Church. The services were attended by the Rev. R. H. Colburn, the Rev. William Moses and the Rev. A. H. Stone, Methodist ministers. Cold Water Brigade "Every church has a cold water brigade," said Evangelist Bodell, at the Bodell-Maxwell meetings in the Covenant Presbyterian Church. "No sooner is there a little fire than they pour on water. What the Christian needs is a bellows. The church to-day has the members and the machinery. What it needs is zeal. Says the critic, 'Let's not have zeal without knowledge.' But I would rather have zeal without knowledge than knowledge without zeal, for the only man that never makes a mistake is the dead one." The evangelist was preaching on revivals, and he illustrated the conditions of revival from the incident of Philip and the Ethiopian, showing that God used Philip because he gave to the Spirit of God obedience, faith, zeal and exercised promptness in his obedience. "He got there on time.

Had he been ten minutes late he would not have found the Ethiopian in the desert, and his mission would have been a failure, declared the speaker. At the opening of the service Maxwell sang, "The Good Old Fashioned Way," and in the closing service, "Mother's Prayer." Services will be held at 7:30 to-night. GEORGE WASHINGTON MASONIC ASSOCIATION IN SESSION By Associated Press Alexandria, Va., Feb. 21. — The seventh annual convention of the George Washington Masonic National Association started here to-day with delegates, mostly grand masters, from the various grand jurisdictions in the United States. A pilgrimage to Mount Vernon will be made on Washington's birthday. FASTNACHT SUPPER Dauphin, Pa., Feb. 21. — A successful fastnacht supper and sale was held last evening by the Mite Society of the Methodist Episcopal Church, in the basement and was largely attended. Cake, pies and doughnuts were on sale.

Count Von Reventlow Says War With Kaiser Won't Be Spanish Affair

Amsterdam, via London, Feb. 21. — Count Von Reventlow, writing in the Tages Zeitung, discusses what he considers a possibility that President Wilson might be induced by the pressure of American workmen to declare war on Germany, believing that all transportation difficulties would be removed thereby. Count Von Reventlow says: "If President Wilson believes he has to declare war this will without doubt be done with such a great and clever use of the tom-tom that at first a so-called wave of enthusiasm will go through the whole population. But the question is what will remain when the wave has ebbed and subsequent weeks and months show that things will have to recognize that neither a declaration of war nor energetic measures have removed the difficulties at

home or abroad." Count Von Reventlow then criticizes Ambassador Von Bernstorff's farewell message to America. "We cannot say," he writes, "that this effusive talk of a heart overflowing with friendship is opportune at the present moment. It looks as if the ambassador lost his sense of proper perspective."
