SING ORATORIO AS MISSION BENEFIT

Large Choir and Special Soloists Will Present Gaul's "Joan of Arc"

Gaul's masterpiece, "Joan of Arc," will be sung by a chorus of sixty voices with the Udegrove orchestra and under the direction of John W. Phillips, in the Technical High School Auditorium next Tuesday evening, February 27, at 8:15 o'clock, as a benefit for the Standard Bearers of Grace Methodist Church.

The soloists are Miss Mary Buttorff, soprano; John D. Fisher, tenor and Ross Harman, bass. The numbers will be sung with a spirit, giving a fine exhibition of the technique of the singers both in ensemble and solo work. With such a body of singers, Professor Phillips may well declare his ability to put on the works of the master composers in their varied demands for artistic training with little added effort.

The unison of the singers, their accurate and carefully timed modulations, the resonance of the robust chorus, the rhythmic accompaniment of the orchestra and the animated leadership of Professor Phillips, combined, will produce an effect that will inspire all present.

Tickets may be obtained from any member of the Standard Bearer Chorus choir, also at the door the night of the concert.
