English Soldiers Now Enjoy Theaters on Sunday

London, Feb. 22.—Because 20,000 soldiers wander about the streets of London every Sunday night with nowhere to go, the authorities have been prevailed upon to consent to allow a few theaters to be opened for their entertainment. The law requiring theaters to remain closed on Sundays is rigidly enforced in this country, only moving picture houses, and those in limited number, being allowed to run. Now, however, some of the large theaters where regular performances are given on week-days are to be permitted to remain open for the benefit of the fighting men.
ISSUE TOBACCO TICKETS.
Berlin, Feb. 20.—There is such a scarcity of tobacco in Trieste that it has been decided to issue tobacco tickets. None will be allowed to women.

Reduce Your Fat Without Dieting

Years ago the formula for fat reduction was "diet" — "exercise." Today it is "Take Marmola Prescription Tablets." Friends tell friends — doctors tell their patients, until thousands know and use this convenient, harmless method. They eat what they like, live as they like, and still lose their two, three or four pounds of fat a week. Simple, effective, harmless Marmola Prescription Tablets are sold by all druggists — a large case for 75c. Or if you prefer you may write direct to the Marmola Company, 864 Woodward Ave., Detroit, Mich.

SMOKING COMPARTMENTS FOR WOMEN.

London, Feb. 20. — Cigaret smoking has become so universal among women workers that some of the London suburban railways have decided to reserve ladies' smoking compartments on certain trains.
