Hundreds of New Hats Lend Their Beauty to the Style Supremacy of Our Spring Showing
Charming Models at \$4.95, \$5.95, \$6.50

Shipments of millinery have come in every day this week bringing the newest hats, shapes and trimmings shown by New York's designers.

Trimmed Hats are more fascinating than ever before, introducing styles and effects that are wonderfully clever, startlingly new and original, but nevertheless adorable and wearable.

The styles at \$4.95, \$5.95 and \$6.50 show the new sailors, the new turbans and medium shapes in the new shades of sunset, pearl, blue and lavender that deepens into purple and verges upon rose.

Among the new pattern hats are represented extremely smart models, in cloche, tricorn, turbans, sailors and mushroom shapes in visca braid, centerpillar braid, velour braid, chrysanthemum braid, milans, hems, tagals, bangkok, fine horsehair and lisere and novelty straws.

\$6.95, \$7.50, \$10.00, \$12.50 and \$15.00.

Beautiful Oriental Effects and Novelty Flowers Chief Among the New Trimmings

Trimmings for Spring Hats are decidedly of a novel type with brilliant bead motifs in almost unlimited variety. There are bead medallions, bead ivory effects, bead caboccon, bead bands, etc., in rich color combinations. The ornaments are most attractive showing new treatments in ostrich. Smart little wings and fancies are shown in great variety. Flowers will enjoy a greater vogue than ever, and introduce many beautiful novelties in the flat, appliqued type.
