

Commerce Chamber Wants Insignia and Town Motto

Carlisle, Pa., March 2.—Urging cooperation and a comprehensive program of activity as the best means to make the work of the body tell, Calvin H. Brown, chief of the organization bureau of the National Chamber of Commerce, addressed the noonday luncheon of the Carlisle Chamber of Commerce to-day. He detailed the plans tried in other cities and showed how they could be worked out here. The Chamber of Commerce has adopted red and white as the official colors and a contest will shortly be held to secure an insignia for the body embracing these colors and also for a suitable motto for the town.

THE RETORT OF PERICLES

One stormy night after the Parthenon rose on the cliff of the Acropolis. An angry Greek for a fancied wrong followed the patient steps of Pericles Home from the Agora, and for raucous hours hurled his hot rages on the noble Greek.

UNTO INFINITY

Beginning was there none, Ending can never be, Alpha and Omega run, Unto infinity.

Plato the secret knew, The soul of Socrates Rose up into the blue Refreshed by the lees, Robert Loveman in March Nautilus.

WOMAN NOW IN PERFECT HEALTH

What Came From Reading a Pinkham Advertisement.

Paterson, N. J.,—"I thank you for the Lydia E. Pinkham remedies as they have made me well and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the aforesaid ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles as they did me."—Mrs. ELSIE J. VAN DER SANDE, 36 No. York St., Paterson, N. J.

AUSTRIA TRIES TO AVOID U. S. BREAK

Plans Every Reasonable Sacrifice to Keep Relations Open With America

By Associated Press Bern, Switzerland, March 1: via Paris, March 2.—The recent report that the Austro-Hungarian Government has determined to make every effort to maintain diplomatic relations with the United States is corroborated by information reaching here from Vienna. The strong impression prevails that Austria-Hungary intends to make every sacrifice which it regards as reasonable to avoid a rupture, although such action apparently would mean flying in the face of Germany.

An American in close touch with Austrian diplomatic affairs who arrived in Bern to-day, said that opinion was divided among those underlying the divergence in the policy of Germany. One group, he said, believed Germany was acquiescing for the purpose of preserving unbroken an indirect bond between herself and the United States while the other group was convinced that Austria was asserting independence of Germany.

That the American embassy at Vienna is not expecting an immediate break is perhaps indicated by the action of Joseph C. Grew, counselor of the embassy, who telegraphed to Mrs. Grew to go to Vienna. She will depart tomorrow.

Predicts Call For Men Will Not Be Readily Answered

Newspapers and periodical magazines are partly responsible for the indifference of many American people toward the international situation, Benjamin M. Nead told members of the Harrisburg Democratic Association, in an address last night, in the Board of Trade building. Mr. Nead referred to the display of national patriotism during the Spanish-American war, and said that lack of interest in the present crisis is due to the sensational developments reported almost daily. He predicted a call for volunteers would not be answered as readily as in '98.

THUNDERSTORMS, MORE SNOW, AND TIGHT RIVER, RECORD

Two thunderstorms, more than fourteen inches of snow, and the river frozen during the entire month of records for February, according to the report of Forecaster E. R. Demain. There were eight clear, ten partly cloudy and ten cloudy days. The highest temperature was fifty-seven degrees, on the 26th, the lowest one degree above zero, on the thirteenth.

MAJOR RUTHERFORD SENT WEST

Major S. McP. Rutherford, of the Eleventh Cavalry, U. S. A., now here on furlough, has been ordered to Chicago by the War Department, as assistant to the adjutant of the department there. Dr. J. L. Good of New Cumberland, in the medical corps of the Eighth Regiment, N. G. P., has been granted a 30-day leave of absence.

SAYS BAPTISM IS NOT ESSENTIAL

Evangelist Palmer Declares Salvation Does Not Come From Water Alone

W. D. REED, Chairman of the men's work committee of the Palmer Evangelistic campaign at the Sixth Street United Brethren Church.

That baptism is not essential to salvation was the point of view taken last evening by Miss Sara Palmer in her address at the Sixth Street United Brethren Church. "Baptism does not save you and is not essential," said Miss Palmer. "A person baptized with a small or large amount of water is not saved for Heaven."

Miss Florence Saxon sang the "Afar From Home." The Rev. S. F. Daugherty, pastor of the United Brethren Church of Annapolis, offered the opening prayer. This evening Miss Palmer will preach on the subject, "The Atonement." Sunday school night will be observed and classes and members of the school are expected to attend this evening.

Arrangements are being made for tomorrow a big children's meeting will be held at 2:30 o'clock and in the evening Miss Palmer will speak on "From Prison Cell to Ruler's Palace." Arrangements are being made for other big days on Sunday, in the morning Miss Palmer will speak on "The Spirit in Prison." In the afternoon a big mass meeting for men and women will be held at 8:30 o'clock when Miss Palmer will preach on "The Lord's Coming" and in the evening she will speak on "The Last Judgment."

Penbrook Minister Says U. S. Must Do Mission Work of the World

York, Pa., March 2.—The Central Pennsylvania conference of the United Evangelical Church in its morning session at East Prospect to-day selected the church in Jersey Shore, Lycoming county, as the scene of the world gathering. An invitation had also been extended by Memorial Church in Baltimore. A report on re-establishment of the boundaries of the districts was presented but no action was taken. In an address to the conference on "The Needs of the Church," the Rev. F. H. Meidel, of Penbrook, declared that the mission work of the world for some years to come will be largely dependent on the United States, because the warring countries of Europe are exhausting their resources.

Central Secures Men For Police Force

State commissions for special policemen were issued at the Capitol to-day for the new force of the Central Iron and Steel Works, which will patrol the plant in South Harrisburg. The men commissioned are G. C. Hoover, West Fairview; Wilbur D. Baumgardner, Camp Hill; H. L. Meacham, Mechanicsburg; H. B. Meisenhelder, John Vernon, A. J. Logan, Frank A. Grady, Joseph Metzger, W. B. Spriggs, Hugh McCloskey, G. C. Harman, J. Fred Kralls, D. H. Bugler and Thomas C. Tate, Harrisburg. Most of the men have had experience as special officers.

Major Rutherford Goes to Chicago

Major S. McP. Rutherford, of the Eleventh Cavalry, who was detailed here to make the annual inspection of the State Arsenal, was to-day detailed to report to the headquarters of the Central Department at Chicago as assistant adjutant general. Major Rutherford came here on a furlough after service in Mexico. The inspection will be undertaken by Major G. F. Hamilton, Second Cavalry, who began work with Col. L. V. Rausch at the arsenal this afternoon.

PRESIDING ELDERS APPOINTED

York, Pa., March 2.—At last night's session of the Central Pennsylvania Conference of the United Evangelical Church, the following appointments of presiding elders were made for the ensuing year: York, the Rev. J. F. Dunlap; Carlisle, the Rev. J. A. Hollenau; Chambersburg, the Rev. L. L. Sones; Lewisburg, the Rev. M. F. Foxman; and Williamsport, the Rev. M. G. Jamison.

SIGNS FLOOD CONTROL BILL

Washington, D. C., March 2.—President Wilson signed the flood control bill late yesterday in the presence of Senator Kinsell, of Louisiana, and a group of members of Congress from Southern States. "It is a necessary piece of legislation," he said as he affixed his signature.

TEXAS HOUSE DEFERS RESOLUTION

Austin, Tex., March 2.—The House of the Texas legislature defeated finally yesterday a resolution calling for submission of the prohibition question to the people of the State. The House had been in session since Tuesday trying to obtain attendance of a full membership.

ACADEMY OF MEDICINE TO MEET

Members of the council of the Harrisburg Academy of Medicine will meet this evening at the Academy building, 319 North Second street. The monthly meeting of the Dauphin County Medical Society will be held next Tuesday evening.

BABY'S CRY REVEALS DEAD MOTHER

Altoona, Pa., March 2.—The cries of a ten-months-old baby yesterday brought Henry Rines, an assistant foreman at the D. M. Bare paper mill, at Roaring Springs, to his wife's room to find her dead. Mrs. Rines, who was 26 years old, retired Wednesday night in good health.

WRECK PROBES ARE COMPLETED

No Decisions Will Be Announced Until After Inquest; Engineer Suffers Breakdown

Federal and State probes into the cause of the Mt. Union wreck have been completed. Railroad officials will continue their investigation following the action of the coroner's jury, which is expected next week. No further inquiries will be made in Harrisburg, according to John P. Dohoney, inspector for the Public Service Commissioners.

Engineer A. T. Cook, who was on the freight engine that crashed into the Mercantile Express, Tuesday morning, is still at his home, 610 Woodbine street, this city. He is suffering from a nervous breakdown and injury to his feet. He is seeing no one but the immediate members of his family and a few intimate friends.

The testimony of Engineer Cook has been placed in the hands of the State investigator and the federal authorities who completed their inquiries at Altoona yesterday. It is understood that Engineer Cook will appear before the coroner of Huntingdon county as soon as his health will permit.

Signal Blade Defective? Results of the inquiries will not be made public until all reports are completed. While there has been talk of an arrest, none has been made. According to testimony made public much of the blame has been placed on Engineer Cook. However, no official statement has been made placing the responsibility for the wreck.

There were many rumors afloat to-day, none of which could be verified. It was said that one of the blades on the signal post had been found defective, and that the running of a train over the track would cause the blades to move up and down showing both green and white lights. It was also said that contradictory testimony had been given at Altoona that the freight trainmen had testified that the passenger train flagman, S. K. Jacobs, had not gone back as far as reported and that he failed to place torpedoes or a fuse on the tracks. It was also said that official reports would show other rule violations.

F. S. Wagner, of Pittsburgh, who was included in the list of victims of Thursday morning's railroad wreck at Mt. Union, has telegraphed railroad officials at Altoona that he is alive and uninjured in New York city. Because cards and other belongings of his were found in the car Bellwood, a body otherwise unidentified was supposed to be that of Wagner, who had proceeded on his journey on the first train east.

ADOPTS DYLIGHT SAVING New York, March 2.—Daylight saving by advancing the clock one hour will be held in effect yesterday in Portugal, the Azores, Madeira and Cape Verde Islands, continuing to October 31, announced yesterday.

Farmer of To-morrow Must Be a Scientist

Philadelphia, March 2.—The farmer of to-morrow will be the best-educated man in the country, and will be a highly-trained scientist. This was the assertion of A. B. Hess, of Chambersburg, Pa., who addressed the closing session of the Farmers' Institute of Philadelphia county last night in Horticultural Hall. The sessions yesterday and Wednesday were held under the auspices of the Pennsylvania Horticultural Society and the Florists' Club of Philadelphia.

HURT AT BRICK PLANT

New Cumberland, Pa., March 2.—Scott Sweeper, of Newport, Pa., aged about 50 years, an employe at the E. E. Flurie brick plant here, was seriously injured this morning, when he fell backward from an elevation of twelve feet. He sustained severe cuts on his head and Dr. Good, who was summoned, says his skull may be fractured.
