SCHAPFER WINS LAST MATCH
Philadelphia, March 3.—In the last
match of his series of exhibitions in
this city last night, Willie Hoppe,
champion billiard player of the world,
was beaten by Young Jake Shaffer in
the 250 point Balkline game, 250 to 122.
In the three-cushion match Hoppe
wrestled with Charles Peterson, the
fancy shot expert, for 83 long, torturous
sinnings before amassing the necessary
50 points, while his opponent was making 37.
Peterson added a new feature to
his long repertoire of fancy shots
by running 100 points balkline in 36
seconds.

WHICH WAS WHICH?

Jimmy's mother had told him to stay near the window and watch for the bride and groom and come and tell her when he saw them coming. After waiting for some time his patience was rewarded, but he forgot to run and tell his mother. When they were quite near he suddenly remembered and called out lustily, "Mamma, here comes the Bribe and the Groom."

Yesterday Manager Freihofer, of the Red and Blue crews, received a letter from the Yale crew manager challenging Penn to enter a crew in the Henley regatta, with no man in the boat weighing more than 150 pounds. Coach Wright immediately decided to accept the challenge. He said:
"This is just the race I have been waiting for. I will be able to enter a corking good 150-pound crew against the Elis. There are twenty oarsmen in the squad right now who are eligible to compete for this lightweight crew."

## Here's One of the Ways Malicious Lies were Circulated about CAMEL Cigarettes

In an effort to injure the wonderful sale of CAMEL cigarettes, many unprincipled schemes have been resorted to. The following is one of many ways such lies have been put into circulation.

An individual liar would approach a group of men, produce a newspaper, published in a distant city, and apparently become interested in reading. Suddenly he would exclaim, "What do you think of this?" He would then pretend to read an article about CAMEL cigarettes. In reality, the paper contained no such statement. The individual would at once walk away, carrying the paper with him. A newspaper from a distant city was always used in an effort to cover the tracks of the liar.

Would anyone voluntarily do this kind of unprincipled work? They must have been paid by someone to do it, and all of them should be exposed. An honest man will not knowingly work under the direction of a crooked superior, nor will an honest superior knowingly tolerate a crooked employee. However, some salesmen have told the trade that they had in their possession a newspaper containing a damaging article about CAMEL cigarettes. This was a malicious falsehood, as they had no such newspaper, and when asked to produce it, they were unable to do so.

CAMEL cigarettes are pure and delightful and the most popular cigarettes ever sold at any price. Cigarette smokers will not, for any length of time, permit malicious falsehoods to prejudice them against CAMELS.
