Last Word Final Day--Saturday

Like all good things this sale must come to an end. We have set Saturday for the day when men who wish to reap the rewards of this event must make their choice. It is pretty well agreed among the clothing trade that prices next winter will be higher. No question about the supremacy of Schleisner clothing; no sensible argument why you shouldn't buy now. This is the line-up for Saturday. If your size is not in one group it surely is in another.
