NEWS OF HARRISBURG CHURCHES WAR SHARES TAKE

SATURDAY EVENING,

DR. HUNTINGTON TO HOLD MISSION

Father Superior of the Order of Holy Cross on Second Pilgrimage Here

The Rev. Dr. J. O. S. Huntington will arrive here sometime to-morrow and open a week's popular preaching mission in St. Stephen's Protestant Episcopal Church in Front street

Episcopal Church in Front street, just south of Pine.

Dr. Huntington, who is father superior of the Order of the Holy Cross, is one of the best-known missionaries in the Episcopal Church. This will be his second annual preaching mission here. He will be accompanied by Brother Abishai, a lay member of the Holy Cross, who is his secretary and who was with him last year.

Father Huntington's mission proper will open with a children's service at 4.30 o'clock to-morrow afternoon, and continue throughout the week at the same hour. His first popular preaching mission services will be at 8 o'clock to-morrow night and will continue at that hour throughout the week. All of the mission services are public and free.

In addition to these two daily services, Father Huntington will celebrate holy communion daily in St. Stephen's Church at 8 o'clock, with intercessions at noontime.

The hour of Father Huntington's

at noontime.

The hour of Father Huntington's arrival to-morrow is not certain. He will be here for the afternoon and evening services and should he arrive in time for morning service he will preach at St. Stephen's.

Special Services to Be Held at Market Square

Dr. George Edward Hawes will preach at the Market Square Presbyterian Church to-morrow morning on "Christ's Universal Law," and in the evening on "The Same Required of Non-Christians and Christians." The Christian Endeavor Society will be led by Miss Mary Wills. Imme diately after the morning service there will be a conference of the men of the church with the pastor.

The chief interest of the congregation for the next two weeks will be the Cottage prayermeetings, preliminary to the special services to be

The chief interest of the congregation for the next two weeks will be the Cottage prayermeetings, preliminary to the special services to be held March 18 to April 1. The meetings next week will be held as follows: Tuesday evening, at the homes of Garfield McAlister, 804 North Sixteenth; N. E. Hause, Twenty-second and Bellevue Road; Mrs. K. O. Rouse, 1621 Derry; J. H. Spicer, 2043 North Second; J. J. Franck, 131 Dock; Charles Leas, 1514 Berryhill; Mrs. Bergner, 3 South Front; Mrs. Keefer, 1631 North Front; Percy Walker, 23 South Fifteenth; J. N. O'Hail, 230 Forster. Thursday evening, at the homes of R. W. Fair, Old Orchard; Mrs. A. B. McCarter, 606 North Third; Mrs. Harvey, 106 South; Mrs. Hare, 1137 Market; G. W. Kennedy, 1043 South Cameron; Mrs. H. P. Miller, 2117 North Third; Mrs. E. R. Sponsler, 105 Chestnut; Mrs. Bowers, 221 Hummel; Rudolph Spicer, 313 Walnut; Mrs. Musser, 215 North Second; T. A. Wood, 919 North Sixth. A very interesting note will appear in the church bulletin to-morrow concerning the Rev. McWatty Russell, D. D., LL.D., who will be the preacher for the special services, Dr. Russell served in two pastorates, in the second of which he did a wonderful work. The congregation numbered 400 when he was called and 1,300 when he left. They creeted a 3300,000 building during his pastorate. The contributions of the congregation last year averaged \$110 a member. Dr. Russell left this charge to take the presidency of Westminster College, at New Wilmington. During his presidency he raised a fund of \$500,000 for the college. From Westminster he was called to the Moody Bible Institute, where he has been doing splendid work as a Bible teacher. Dr. Russell is widely known as a brilliant, scholarly preacher of Biblical truth who compels men to think of the great things of God by the vital interest and convincing force of his messages. The people of Market Square are anticipating a season of much pleasure and rich spiritual profit during Dr. Russell's stay in Harrisburg.

New York, March 3.—Wall Street-Active stocks were appreciably high-

Active stocks were appreciably higher during the greater part o fto-day's short session though subject to occasional irregularity because of the heaviness of a few specialties. Chief among these were Studebaker and Earrett Company, the latter making an extreme decline of \$½ points to 110. Gains were most marked in coppers, leading industrials, such as Bethlehem Steel, U. S. Steel and Crucible Steel, oils, Central Leather, American Woolen and a few other issues of less specific description. The closing was strong. Sales were estimated at 300,000 shares. Bonds were irregular with heaviness in Paris 6s.

Spellman, president of the United States Circus Corporation, has offered Billy Sunday \$2,000 a day or \$14,000 a week, to travel with the new Million Dollar Motorized Circus, which goes on the road on May 14. President Spellman makes the offer for as many weeks of the summer as Mr. Sunday can arrange. No stipulation is made as to just what Mr. Sunday will do, but it is intimated that he may preach to the big audiences the big circus will draw each day, and a special service is suggested for the Sabbath, when the proceeds, all or the greater part, will be devoted to charity. Mr. Sunday has not stated whether or not he will accept the offer. NEW YORK BANK STATEMENT

UNITED

Mines Co.

The Stock of the United Magma Mines Co. Possesses Every Essential of a Safe and Profitable Investment. The Company Has the Advantage of Strong Capable and Conservative Management, and the Interests of Stockholders Are Being Consistently Advanced and Promoted Along Intelligent and Practical Lines.

Extract, Feb. 17th, from the Journal of Commerce (Philadelphia)

A limited amount of the capital stock of the United Magma Mine Co. is offered subject to prior sale, at 50c per share, as if, and when issued. The huge property of the company is practically virgin mining ground, enjoying strong surface show-ings, but never opened at It is not impossible that this company may re-peat the sensational history of its neighbor, the famous Magma, whose stock recently advanced from \$17 to \$69 per share. An active market for the stock on the New York Curb is anticipated. Immediate action is advisable. Applications are already pouring in.
