

NEW YORK STATE LEAGUE CIRCUIT TO REMAIN INTACT---WILKES-BARRE WINS

YALE LEADS IN COLLEGIATE MEET

Bulldogs With Cornell Capture Lion's Share in Indoor Events at Philadelphia

Philadelphia, March 5.—The very cream of college athletes competed in the third annual indoor games of the Intercollegiate A. A. A., held at the Commercial Museum Saturday night. Champions and near-champions were conspicuous among the contenders for honors in the early events, in which the athletes of Yale and Cornell carried off the lion's share of the honors.

The six-lap relay, the first of the night's series, was a veritable joy for Yale's fans. The team of Rolfe, Ireland, Cooper and Overton, which disposed of Penn State and Pennsylvania, the only other starters, in easy fashion. State finishes in the runner-up position, a half lap to the lead, while the Red and Blue hopes, out-clasped at every angle, were a lap and some fifty yards to the rear when Overton's Yale's great start flashed across the finish in 9 minutes 59.45 seconds.

Bulldogs Have Runaway

The Bulldogs, with practically the same team line-up that won last year's event, went out with the sound of the gun to make a runaway of it and well they succeeded. Yale placed dependence on Rolfe to bring the New Haven institution in front in the first relay and its trust was not ill placed. Rolfe, of Penn, and Shea, of State, were not in the same class with the Yale runner and gave out trying to follow him after the second lap, to engage in a two-cornered battle for second place.

Price, of the Red and Blue, and Whiting, of State, staged a fairly even battle in the second relay, but the former Zutter and Humphreys, of Penn, did not have a look-in with Foster and Shields, the State flyers, who managed to keep their Yale opponents at least in sight, when Penn fell gradually further and further to the rear.

Penn Leads Sprint Relay

The sprint relay saw the Penn team of Lennon, Walker, Dorsey and Scudder, lead the pack from going to gong, only to have the big C of Cornell show in the van at the tape, when Crim, the intercollegiate 440 point winner, outran Scudder in the final dash for the tape. Larry making a thorough job of it by falling to the floor two yards from home. With this bitter pill to swallow, the Red and Blue runners were subjected to further torture when it was announced that Cornell's time of 4 minutes 20 seconds had clipped the record hung up by Penn's quartet of last year by 2 seconds. Penn State was also a starter in this event, but never was dangerous.

Tommy Lennon brought the Red and Blue home in front with ten yards to spare in the first relay. Shelton of Cornell, running himself out in his efforts to pass the Penn runner. Acheson, of Cornell, however, picked up nearly all the lost ground on Walker, of Penn, in the succeeding relay, but Dorsey proved a little too speedy for Windagle, Cornell's great miler, in the third leg, and saved the remainder of the 15-yard margin to work on over Crim. Larry held his man off over half the distance, but weakened to such an extent on the final lap that he was entirely unsteady in the task of withstanding Crim's winning spurt in the last 50 yards.

NO CHANGES IN NEW YORK LEAGUE

President J. H. Farrell to Direct Old Circuit; Jackson May Lead Elmira

New York State League magnates have pulled themselves together and it now is practically certain that the circuit will remain intact for the 1917 season with Elmira and Utica having clubs in the field. This eliminates all chance of Bethlehem and Allentown getting franchises in the league this year and the doors will be closed to them unless some of the clubs should meet with financial distress during the season and display the S. O. S. sign.

Jimmy Jackson May Manage

So far, a manager has not been selected for the club. Several managers have applications on file, among them being "Wid" Conroy, Charles Loudenschlager, Jimmy Jackson, who has the backing of President Baker, of the Phillies; Jack Dalton, formerly with the Brooklyn Club, German Schaefer, favored by John J. McGraw, Wild Bill Dahlen, formerly with the Giants, Marty McHale, formerly with Jersey City and Jack White, formerly of the Canadian League.

BARONS TROUNCE M'CORD'S BUNCH

State Leaguers Win Out in Final Minutes of Brilliant Game

The Independents, for the second time this season were defeated by the Wilkes-Barre State League team on Saturday night in a brilliant contest played on the Chestnut Street Hall floor. The locals went under by a tally of 37 to 32.

The contest was one of the fastest of the season and was replete with clever passing and sensational shots. The Barons got off to an early start and rolled up, what looked to be a comfortable lead, but the local tossers braced and came within four points of the coal heavers at the end of the first period, the score being 19 to 14.

Locals Take Lead

The locals took the lead early in the second half on brilliant goals by McCord and Rote. They retained a lead of several points until near the end of the game when the Barons cut loose and tied the score at 30. The Barons continued the fast pace and with Cooper leading in the scoring won out in the ebbling minutes.

Rote was high scorer for the locals, from the field with five two pointers to his credit. McCord pierced the goal thrice from the field and twelve times from the fifteen-foot line. The entire local team played fine ball but the fast pace set by the Barons in the final minutes was more than they could cope with. Cooper was the individual star for the visitors, his shots featured the game. The summary:
