Be Sure That Your Front Lace Corset Is "La Camille"

No other corsets are designed so carefully and none interprets the style so subtly or lends such graceful charming lines to the figure.

All of the essentials that go to make the ideal front lace corset are embodied in La Camille. It gives the necessary ventilation, for women who have become converted from back to front lacing corsets, have found it impossible to get accustomed to the closed back, having perhaps for years enjoyed the ventilation which the back lacing corsets gave. This Ventilo feature is also found in the front of the corset, where it prevents flesh from protruding and overcomes the last objection which anybody ever had to front lacing corsets. Prices range from \$2.50 to \$12.50

By Constantly Massaging It With So-called Skin Foods or Creams, Often Rancid or Germy.

Substitute Cuticura For One Week

And make Cuticura Soap and Ointment your every-day toilet preparations. They cannot possibly injure the pores. Contrast the purity, fragrance, comfort and convenience of these super-creamy emollients with "beauty fads" so common, tiresome and expensive. A bath with Cuticura Soap and hot water on rising and retiring thoroughly cleanses and stimulates sluggish pores, giving the complexion a fresh healthy glow. If signs of pimples, redness or roughness be present smear them with the Ointment and let it remain five minutes before bathing. Nothing purer, sweeter or more effective for your skin and hair than Cuticura; no matter how much you pay for it. For Free Samples by Return Mail address post-card: "Cuticura, Dept. 22, Boston." Freeland will not be in the league next year, and the chances are that Providence, near Scranton, or else South Bethlehem, will get its franchise.
