Manager McCord Has Been Working Team Hard; City League Players Given Trial

Manager Ike McCord has been working his independent team hard during the past week in preparation for the contest on Saturday night with the Hazleton Pennsylvania State League team. The team will hold another hard practice this afternoon and will be in the best possible condition to meet the up-staters.

The team work and passing of the local was way below the usual standard in the Wilkes-Barre contest last week. Great stress has been put on this department of play and the players are working together well.

Tech High Tossers Play Middletown Tonight

Technical High school's basketball quintet will journey to-night to Middletown, where it will oppose Coach Gotwalt's aggregation in the second contest between the two teams. Tech will use its same lineup that won from Steelton at that place a week ago, in an effort to strengthen its claim to local scholastic honors.

In the first contest played between the two teams just prior to the Christmas holidays, Tech was able to nose out a 25 to 24 victory over the Middletowners. The latter team split in its series with Steelton, and has its best team in four years.

During the intermission the second teams of the two schools will play. With the reserves will be Captain Holland, Huston, Miller, Frock and Fortna. The lineup for the first game will be as follows:

Tech. Middletown.
Harris, f. Bowman, f.
Lingle, c. Conklin, f.
Wilsbach, c. Treichler, c.
Beck, g. Kupp, g.
Snavelly, g. Pollock, g.

COLUMBIA SELECTS MILITARY LEADERS

New York, March 9.—Eight of Columbia's leading athletes have been chosen by the Student Board of the Morningside Heights College to act with a committee of faculty members, headed by President Nicholas Murray Butler, for the purpose of mobilizing the university's resources in event of a war with Germany. The student athletes comprise a sub-committee which will be entrusted with the task of raising one or more companies of Columbia alumni and students as an officers' training school. The work of organization is on, and it is expected that eight companies will be formed, one in charge of each member of the committee.

Can't Report to Yanks; Papa to Be Hanged

Macon, Ga., March 9.—Angel Arragon, the Yankess' Cuban infielder, yesterday brought to camp with him a communication from Jose Acosta, the outfielder, who is supposed to be with Clark Griffith at the present writing. The communication was addressed to Clark Griffith, in Spanish. It was translated by Captain Huston and read as follows:

Washington, March 9.—Members of the House naval affairs committee, including Chairman Padgett and Representative Butler, of Pennsylvania, were on their way to the Pacific coast where they go seeking first hand information as to conditions in navy yards and other naval works. The itinerary includes San Diego, Los Angeles, Vallejo and other coast points. The committee members are making the trip in their unofficial capacity.

REWARD for HONESTY

Purity and Delightfulness Make CAMEL Cigarettes The Most Popular and Best Selling Cigarette Ever Sold at any Price

THIS enviable position has caused false and defamatory statements to be circulated about CAMELS, in order to injure their sale. As our investigation of these reports progresses, it becomes more and more apparent that "men higher up" originated the scheme and have superintended its execution. They were able to slander CAMELS in two ways: By hiring the irresponsible to lie about them, and by, perhaps, fraudulently inducing honest men to circulate the lie. But an honest man is always honest. Once he learns that he has been duped into misrepresentation, he not only stops it, but quits the employment of and exposes those who have misled him into being an innocent party to the fraud.

Slander will not take the PURITY and DELIGHTFULNESS out of CAMELS. It may, for a little while, hurt their sale among those who are easily deceived. But PURE TOBACCOS, scientifically blended, will continue to make CAMELS the most popular and desirable cigarette on the market, regardless of price. The man who smokes them knows. To him there is no substitute, and no other brand can be long substituted for CAMELS by slander and misrepresentation.

An honest man will not work for a company that uses dishonest methods to sell its product, but he need not look for a job. Jobs, and good jobs, are looking for honest men. We have no desire to deal with the cheap crook. But we want more evidence on the "men higher up." If any honest man, who has been induced by those higher up to circulate a lie about CAMEL Cigarettes, will, to our satisfaction, establish that fact, we will make it well worth his while, and he will be fully protected.

To you, Mr. Smoker, we say, CAMELS ARE PURE, and you know they are DELIGHTFUL.
