Cold Storage Foods Rapidly Dwindles Down

By Associated Press
Washington, March 9.--Cold storage holdings of eggs in the United States on March 1 showed a decrease of 97.02 per cent, compared with February 1 holdings. The Department of Agriculture's monthly report to-day shows 192,716 dozen in storage. Compared with a year ago, holdings show a decrease of about 35 per cent. American cheese in cold storage

NOT SELLING LAND

The Oklahoma Land car, advertising the sale of United States Government Indian lands, is here to acquaint prospective purchasers with the terms and conditions of the next government sale, and not to sell homesteads, Director George E. Wentz explains. Not an acre of land can be bought on the car, as that can only be bought directly from the government, he asserts.

KNOW HOW TO CHOOSE A WIFE?

Beatrice Fairfax Gives a Few Tips on How the Game Is Played

By BEATRICE FAIRFAX.
When a man is buying a new automobile, or a new suit of clothes, he examines the article pretty thoroughly! Even the choice of a new tie requires rather careful thought as to its wearing qualities, value and the way it will combine with the rest of his attire.
Men folks don't even settle down to a new brand of cigars just because they like their color or the red and gold band which encircles them.
But when it comes to choosing a wife--a life partner--ah, then a man shows what a little boy grown up he is! When he was ten he stood in front of a pastry shop window and pointing to a beautifully iced cake with a luscious strawberry set atop it, he cried, "I want that one." And about as intelligently do women choose their wives.
You mustn't do it boys! You have to know a few "vital statistics" about the girl you marry. Don't marry a girl just because she has a pretty figure and expressive eyes and a wonderful gift for following you in a fox trot. Your steps may not match quite so well when you get out of the ballroom and on to the path of life!
Don't marry a girl just because your heart fairly thumps every time you get into her neighborhood. There will be a good many long winter evenings in a matrimonial partnership and having a few congenial topics to discuss will then prove far more stimulating than does the chemical affinity

which makes your heart go pit-a-pat.
Here are some of the 'things it is worth your while to consider quietly and calmly when you find yourself growing seriously interested in a girl; her health, first of all, for an invalid wife is a handicap and a discouragement to many a man, while in another sort she rouses gentle tenderness.
Congeniality, reliability, common-sense and sweetness of disposition are the friendly elements that ought to enter into a happy marriage. If you and your prospective wife enjoy the same things and her responsiveness to his discouraged moments. Love means sacrifice--and the man who would choose for a wife a woman who would be sweetheart, as well as friend and helpmate, must choose with mind, as well as with heart and eyes.
He must select a responsive yet well-balanced and self-respecting girl--one who is happy to walk with him in green fields and who needs neither moonlight nor the glow of shaded lamps to make her turn to him a face alight with tenderness.

U.S. MARINES ARE LANDED IN CUBA

Bluejackets Will Protect Lives of Americans and Other Foreigners in Havana

HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.--Adv.

their property was reported to-day in dispatches to the State and Navy Departments. The reports said there had been no fighting in the city or its suburbs up to midnight last night.
The naval forces were sent ashore by Commander Belknap, commanding the United States squadron in Santiago harbor, on his own responsibility and at the request of the civil government.
An attack on the city by rebel forces

was impending and Commander Belknap put his men ashore to prevent loss of foreign lives and destruction of foreign property.
TO REMODEL STORE
A building permit was issued yesterday to Mrs. Ella Charles, who has contracted for extensive alterations to a three-story brick building at 412 Woodbine street. Improvements include remodeling the entire store front on the first floor of the structure, together with general repairs. The cost will be \$500.
