"I am the happiest person alive," cries Mrs. Kaminski, of 214 Mulberry St., Reading, Pa., "for my health has been returned to me and I am free from suffering at last."

"Oh, how I suffered no words can tell. My stomach and digestive organs were all upset, I was nervous, headachy and my circulation was very poor. Often it would seem as though all the blood in my body rushed to my head leaving my limbs dead and numb."

"I saw in the newspapers many stories told by people who had been relieved by Tanlac and now I want to add my praise to their's for I know that Tanlac is truly a wonder worker. It relieved the blood pressure in my head at once, and I improved steadily day by day.

"Now I feel simply splendid; I eat lots better and sleep soundly and restfully from 8.30 to 5.30 and I am much stronger now that I can eat and sleep properly.
