EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength in her nerves and color in her cheeks. There can be no beautiful, healthy, rosy - cheeked woman without iron. The trouble in the past has been that when women needed iron they generally took ordinary metallic iron, which often corroded the stomach and did far more harm than good. To-day doctors prescribe organic iron - Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard looking women 200 per cent. I have used it in my own practice with most surprising results. -Ferdinand King, M. D. NOTE: NUXATED IRON recommended above by Dr. King can be obtained from any good druggist, with or without a physician's prescription, on an absolute guarantee of success or money refunded. It is dispensed in this city by Croll Keller, G. A. Grogan, J. Nelson Clark and all good druggists.

"MY HEADACHES ARE GONE" SHE EXCLAIMED

"When I look back over the years that I suffered so, I wonder now how I ever endured them," says Mrs. Marion Young, of 618 Birch St., Reading, Pa.

"My stomach was in such a awful state that I was hardly able to eat enough to keep me alive, I suffered constantly from terrible, splitting headaches and I was always so drowsy and sleepy that I couldn't begin to look after my home and children properly."

"When I got up in the mornings I never felt refreshed and rested and in a few hours my head would be aching so that work was impossible and I would have to go and lie down before I was any good."

"A friend, Mr. Henry Gerics, gave me a little Tanlac and urged me to try it and it made me feel so much better that I went and got a bottle for myself."

"And my, what a lot of good it has done me you can't imagine. Why, my headaches are all gone now, my appetite has improved and my stomach feels like new. I can eat almost anything and enjoy it, too."

"I sleep much better and any one can see that my eyes are much better and my complexion much clearer. My strength has come back to me and I feel so much better that I can do a lot more work and devote more time and attention to my three children."

Tanlac, the famous reconstructive tonic, is now being introduced here at Gorgas' Drug Store, where the Tanlac man is meeting the people and explaining the merits of this master medicine.

Tanlac is sold at the Gorgas Drug Store in the P. R. R. Station.
