Have You a Little GEYSER in Your Home

MARCH 17, 1917.

If not, you should have, for it saves many steps for the tired mother.

The Baby's washing is one of those tasks which confront the Mother practically 30 times each month.

Ine

Sporting

Range

The "Baby" size GEYSER can be pushed into a closet when the washing is done.

It is large enough for the small family's weekly wash.

There are no moving parts exposed. It is as safe, simple and convenient as the baby's high chair.

Come in and see it working.

Harrisburg Light and Power Company

Two Power Ranges

To Maximize Your Enjoyment Yet Minimize Your Expense

HE PEERLESS Eighty Horsepower Eight is a car of "dual per-sonality." It has two distinct power ranges—each highly desirable for its particular purpose.

You can have tremendous power and abundant speed when and where you want it, without the excessive cost in operating the have never before been offered in combination. They have been available only in two cars of entirely different and opposite types.

In ordinary driving you get the velvet smoothness, the keen flexibility and the graceful, effortless performance you would natural-

Peerless.

This is the "loaf-

have had to organize squads to han-i dle them. State Has Money Now.—Between automobile licenses and State taxes payments at the State Treasury have been running heavy this month. On some days the receipts have gone above the \$100,000 mark. This is the period of the year when the State Treasury bulges with money. Cases Settled. The Philadelphia coal rate cases were settled last night by an order of the Public Service Com-mission conditioned on withdrawal of appeals.

appeals. Charters Issued.—The West Shore Building and Loan Association, of Wormleysburg, with a capital of \$500,000, and the Keystone Reamer and Tool Company, of Millersburg, capital \$35,000, were chartered to-day. Western Site Bought.—The State yesterday took tille to the site for the new Western Pennsylvania insane hospital in Westmoreland county.

Rural Schools Will Remain Open Longer

Practically all rural schools in Dau-phin county, which usually close April 4, Will remain open at least until April 14, County Superintendent F. E. Sham-baugh announced to-day. Delay last September in opening schools because of the infantile paraly-sis epidemic is the reason, and it will be necessary to keep the pupils in school at least two weeks longer to complete the usual grade courses. Directors in many of the districts, after conferences with Superintendent fhambaugh and Assistant W. R. Zim-merman, decided to keep the schools open.

Centralians Plan Banquet

By Associated Press London, March 17. — Major Gener-al Zein, governor general of Finland, has been arrested by the commander of the Baltic fleet on the order of the provisional government, according to a Reuter's Petrograd dispatch. Sen-ator Borovitinoff, vice-president of the economic department of the Finnish Senate, has also been arrested. F. I. Roditcherf, leader of the con-stitutional democrats in the Duma, has been appointed minister for Fin-land and directed to proceed at once to Helsingfors. Announcement is made by the Lehigh Valley Coal Company of a reduction in the price of fuel sold to employes, effective from March 1. The cut is from \$3.75 to \$3.50 at on for the prepared sizes and from \$2.60 to \$2.50 for pea coal. Trackmen on the Reading have re-ceived an increase of wages equal to twenty cents a day.

George J. Gildroy has resigned as su-perintendent of the Mahanoy and Hazleton Division, of the Lehigh Val-ley Railroad. He is succeeded by M. A. Mulligan, of the New York Division. Sidney S. Stone succeeds Mr. Mulligan.

New cross ties are being delivered along the Middle Division, of the Pennsylvania Railroad, to be placed during the spring cleanup.

TO RUN POTATO SPECIAL To encourage the growing of pota-toes on its line, and to increase the country's output of potatoes, the Lehig'y Valley Railroad is going to have a "Potato Special." The railroad com-pany's agricultural car has been refit-ted for potato-demonstration purposes. The latest methods of treating seed, the benefits of spraying, the proper in-gredients of the liquid to be used, and all the other things one needs to know about potato-growing will be shown on the car.
