

ENGLISH MAIL BAGS RIFLED
New York, March 19.—Twenty-six mail bags addressed to Washington and the British embassy at Washington, were found to have been rifled on board the Cunard liner Saxonia upon her arrival here to-day.

TO DEMOBILIZE GUARD
Washington, March 19.—It was authoritatively stated to-day at the War Department that demobilization of the National Guard would continue as planned.

STEAMER WAS INSURED
Washington, March 19.—The American steamer Illinois, sunk yesterday by a German submarine, was insured by the government's war risk bureau for \$250,000. The government had issued no insurance on the City of Memphis or the Vigilantia.

WAR VETERAN IS DEAD
Samuel W. Sheesley, aged 81, a veteran of the Civil War, died last night at the Polyclinic Hospital. He was a member of Company A, of the 210th Regiment, Pennsylvania Infantry. Funeral services will be held Tuesday evening at 7:30 o'clock from the home of his son-in-law, Frank Gerhart, 79 North Eighteenth street. The Rev. J. A. Leyer, pastor of the Derry Street United Brethren Church, will have charge. Burial will be in Long's Church cemetery, near Matamoras, Pa.

TO PLAN CAMPAIGN FOR LOCAL OPTION

Plans for the campaign in behalf of the local option law for Pennsylvania will be outlined here to-morrow and preparations made for organization of the whole state after the hearing at the Capitol on the Vickerman bill.
The State Local Option Committee, composed of men from every county in the state, will hold its annual meeting in Parlor A, Commonwealth Hotel, at 7:30 p. m. Chairman O'Neill and the executive committee have worked out a plan which will be submitted to the state committee for their approval. It provides for an organization in every county in the state on practical lines for the purpose of bringing about the following:
Conduct an educational campaign for the purpose of inducing all "dry" voters to register and vote at primary and general elections.
To arrange for a convention of delegates from all organizations in the state that are opposed to saloons so that they will all work in harmony.
To name a committee for the purpose of enlisting manufacturers and all employers of labor who are opposed to the saloons from a viewpoint of economy and safety first so that they will work in harmony with other organizations.
To name a campaign committee who will co-operate with the county committees and see that candidates are nominated for Senate and House who are for local option, state prohibition and also pledged to ratify national prohibition when submitted by Congress.
Chairman O'Neill said that the committee may not succeed at this session, but "that the people will be informed what the real conditions are and why the members of the Legislature deny the people the right to vote upon the question of saloons or no saloons."

APPOINT TRUSTEES
The State Board of Education at its regular meeting held last week, appointed the following persons as trustees of the Millersville State Normal School: A. W. Snader, New Holland; J. B. Martin, Lancaster; H. Edgar Sherts, Millersville; M. R. Hoffman, Maytown; Daniel Fleisher, Lancaster; Charles J. Landis, Lancaster; John I. Landis, Millersville; C. Elmer Smith, York; John W. Snokke, Lebanon.

DULL, SPLITTING, SICK HEADACHE
Dr. James' Headache Powders relieve at once—10 cents a package.
You take a Dr. James' Headache Powder and in just a few moments your head clears and all neuralgia and pain fades away. It's the quickest and surest relief for headache, whether dull, throbbing, splitting or nerve-racking. Send someone to the drug store and get a dime package now. Quit suffering—it's so needless. Be sure you get Dr. James' Headache Powders. Lenses there will be no disappointment.—Advertisement.

Internal Bathing's Rapid Growth
It is but natural to expect that a relief from constipation and the many ills which it causes, which is so effectual and so natural as Internal Bathing, should quickly make many converts.
But its general use has increased so tremendously in the past few years as to suggest other reasons, and these are found in the statements of users, that they felt as if "made over" the morning after an Internal Bath.
The elimination of the pernicious and poisonous waste which is ever present in the Lower Intestine gives Nature a chance to work unhampered. And one arises in the morning, clear-headed, able, bright, confident and eager for the day's duties.
Mr. John H. Kletty, of Pittsburgh, Pa., writes:
"I have had one of your J. B. L. Cascades for some little time now. I was formerly troubled with sick stomach, accompanied by vomiting. Since using your Cascade I have not had one single instance of such trouble, and I fully credit the Cascade for this.
"I have always been particular to use the Antiseptic Tonic in the Cascade, and would not consider dispensing with it. I am not very fond of seeing my name printed, but the attacks I speak of above were so evidently due to constipation and in many occasions of using the Cascade were such an object lesson of its value that I am willing to have my name used, but not very anxious. Yours truly,
"Croll Keller, 405 Market street, and George C. Potts' drug store in Harrisburg."

Ultimate Test of Coal
THE coal consumer is confronted to-day with conditions greatly different than of a few years ago.
At one time, coal was just coal.
But to-day, in the light of modern research, there are amazing differences revealed in the various kinds and their uses.
Sun-Glo Coal
was selected for our customers after many tests covering a long period of years. From every mining region is taken several qualities of coal, good, ordinary, and inferior.
Sun-Glo Coal is the best coal from the following districts: Wilkes-Barre, Lehigh, Nanticoke, Mahanoy, Lykens, Lincoln, Brookside, etc.
We operate two coal yards in this city—that's why we can carry so many kinds.
Test out for yourselves Sun-Glo Coal so you may determine the kind you should store for next winter.

BOY MURDERER TO GET RETRIAL

The State Supreme Court at Philadelphia to-day handed down a decision granting a new trial in the case of Ernest Haines, the Jefferson county youth convicted of first degree murder with Henry Ward Mottern, also of Jefferson, for the killing of Haines' father.
The cases of the two youths attracted much attention here as they were before the State Board of Pardons for three months last fall and recommendations for clemency were refused. Counsel for the two then took an appeal to the Supreme Court, seeking a new trial. While this was pending Governor Brumbaugh withdrew the death warrants for the electrocutions, respite having been previously granted. When the warrants were withdrawn the Governor stated that he would await pending legislation to abolish the death penalty.
Sentiment in Jefferson county, which was against the boys when they were convicted, is reported to be now much opposed to their execution.
The Supreme Court also handed down these decisions:
Penrose et al. (Bucks); appeal sustained at appellee's costs.
Ashey vs. Butz (Lehigh); judgment affirmed.
Commonwealth vs. La Prieta (Lackawanna); judgment affirmed.
Hannigan vs. Philadelphia and Reading Railway Company (Bucks); judgment affirmed.
Beitz et al. vs. Becker et al. (Schuylkill); appeal dismissed and decree affirmed at appellant's costs.
Black et al. vs. Eastern Pennsylvania Railway Company (Schuylkill); judgment affirmed.
Lebanon Valley Consolidated Water Supply Company vs. Commonwealth Trust Company (Lebanon); appeal dismissed at appellant's costs.
Iverson's estate—Iverson's appeal (Franklin); decree affirmed.
Bixler et al. vs. Swartz (Northampton); appeal dismissed at cost of appellant.
McNemimen vs. Lehigh Valley Coal Company (Schuylkill); judgment affirmed.
Shaefer et al. vs. Woodside et al. (Schuylkill); judgment reversed, record remitted.

ADAMSON LAW IS HELD BINDING BY COURT
[Continued From First Page]
trainmen's maximum and minimum wages; to require compulsory arbitration of labor disputes which may seriously jeopardize movement of traffic and to take measures effectively to protect the free flow of commerce against any combination, whether of operatives, owners or strangers.
Justice Pitney, for himself, and Justice Van Deventer, delivered a dissenting opinion expressing concurrence in the view of Justice Day that the Adamson law is unconstitutional because Congress, although confessedly not in possession of an expert opinion of the controversy between carriers and the trainmen, arbitrarily imposed upon the carriers the entire and exclusive right to determine the increase in wages, without providing for any compensation to be paid in case the investigation should demonstrate the impropriety of the increase.

OPEN STREETS IN ELIZABETHVILLE

Petitions were filed with the Dauphin County Court to-day for the appointment of viewers to assess benefits and decide damages in the opening of a number of streets in Elizabethville. Preparations are being made for a centennial celebration in the borough and part of the plans provided opening and widening a number of streets.

STEEL PROFITS ARE INCREASED

New York, March 19.—The extraordinary results attained by the Bethlehem Steel Corporation last year are being commemorated in the comparisons are made with years preceding the outbreak of the war. The pamphlet report for 1916 issued shows net profits amounting to \$61,717,309, which is more than six times as much as the net profit of \$10,100,000 in 1914 and more than seven and one-half times larger than the net in 1915. Compared with 1915, a year in which war orders helped, the Bethlehem's income account last year showed a total more than two and one-half times larger.
The corporation had a balance of \$43,598,900 available for dividends, equal to \$286.50 per share of common stock, compared with \$17,762,812 the year before and \$5,122,703 in 1913.
The corporation's current assets on December 31 amounted to \$86,763,814 and current liabilities were \$50,420,468, leaving a net working capital of \$36,343,346. Through the sale of \$15,000,000 stock at par and \$50,000,000 two-year notes recently the working funds were increased to approximately \$106,000,000. The average number of employees last year was 47,013, compared with 22,054 the year before. Ages and salaries last year amounted to \$51,499,773, against \$21,800,654 in 1915.
Charles M. Schwab, chairman, takes opportunity in the annual statement to describe at length the bonus system, which the steel man credits as an important factor in Bethlehem's success. It is understood that E. C. Grant, president of the corporation, received \$1,000,000 in bonuses last year.
The report discussed the purchase of the Pennsylvania Steel Company, the Lehigh Coke Company, the Lehigh Iron and Steel Company, and the properties of the Lackawanna Iron and Steel Company, formerly a subsidiary of the Lackawanna Steel Company. The acquisition of these concerns, said Schwab, greatly widened the diversity of Bethlehem products and increased output in numerous important lines.

Commonwealth Now on European Plan Hotel

The last meal to be served American plan, in the historic old Commonwealth Hotel, Market Square, was served last night at supper time. Commencing this morning the hotel will be conducted on the European plan, until July 1, when it will discontinue business.
The Commonwealth Hotel is the oldest hostelry in the city and has been the headquarters of politicians and statesmen since the time of George Washington, who honored the hostelry when he stood on the balcony of its presence. Abraham Lincoln stopped there during the Civil War and the late King Edward, of England, then the Prince of Wales was the guest of the hotel during his visit to America.
C. A. Clements, brother of J. A. Clements, the present proprietor of the Commonwealth, after May 1 will take over the management of the historic Eagle Hotel, Gettysburg.

Wedding Plans, Lawyer's Reason in Asking Court For Continuance of Case

Because Eugene M. Cohen, member of the Dauphin County Bar Association, must be out of town several days this week to prepare for his wedding on Sunday, the Dauphin county court continued the case against Charles Scandilous, charged with indecent assault. Mr. Cohen represents the defendant and when he called the attention of President Judge George E. Kunkel to the case, and explained his reasons for requesting a continuance, the latter humorously remarked: "You shouldn't be mixed up in such a scandalous case."
After the laughter in the courtroom subsided, Judge Kunkel granted Mr. Cohen's request.

PRAISES CHOICE OF MR. ITTNER

Dr. Henry Snyder, the expert employed in 1912 by the old Harrisburg Board of Trade to study the Harrisburg school situation, and regarded as one of the foremost educators in America, has written the Municipal League as to the fitness of William E. Ittner, the architect selected by the special committee of the school board to design the new high schools for this city.
"You could not make a better choice of an architect for your new buildings," Dr. Snyder says.
The letter in full is as follows:
Mr. J. Horace McFarland, Secretary, Municipal League, Harrisburg, Penna.
Dear Mr. McFarland:—
I have not had the pleasure of knowing Mr. William E. Ittner, personally, but have known of his reputation as a school architect for many years, and have visited some of the schools in St. Louis, which he designed. From all that I have seen and heard of his work, I am confident that he is in the front rank of school architects in this country, and that you could not make a better choice of an architect for your new buildings.
With kindest regards, I remain, Yours truly,
HENRY SNYDER, Jersey City, N. J.

trainmen's maximum and minimum wages; to require compulsory arbitration of labor disputes which may seriously jeopardize movement of traffic and to take measures effectively to protect the free flow of commerce against any combination, whether of operatives, owners or strangers.
Justice Pitney, for himself, and Justice Van Deventer, delivered a dissenting opinion expressing concurrence in the view of Justice Day that the Adamson law is unconstitutional because Congress, although confessedly not in possession of an expert opinion of the controversy between carriers and the trainmen, arbitrarily imposed upon the carriers the entire and exclusive right to determine the increase in wages, without providing for any compensation to be paid in case the investigation should demonstrate the impropriety of the increase.

NAVY'S BEST SHOT IS DISMISSED FOR DRINKING

Washington, March 19.—While the navy department has been making a canvass of young officers sufficiently skilled in gunnery to protect American armed liners the most expert young officer in the service, Lieutenant Thos. M. Tipton, has been dismissed from the service by Secretary Daniels on a charge of intoxication.
The case has caused a stir in naval circles because every officer on the court which tried the young officer pleaded for clemency, and Rear Admiral Leigh C. Palmer, chief of the bureau of navigation, added an earnest appeal of his own to save him.

JOHN SKANE DIES

John Skane, a well-known contractor, died yesterday at his home, 405 Keller street. Funeral services will be held Wednesday afternoon at 2 o'clock, from the home. The Rev. E. E. Curtis, pastor of the Westminster Presbyterian Church, will have charge of the services. Mr. Skane is survived by his wife, four daughters, Miss Mary E., Miss Besie, Mrs. George Albaugh and Mrs. A. D. Yingt; also five grandchildren.

URGES LOCAL OPTION

Washington, March 19.—Secretary Tumulty has written a letter to Thomas F. Martin, secretary of the state of New Jersey, urging that the Democratic party in New Jersey support local option in the liquor traffic. He suggested that the Democrats of the New Jersey Legislature can, by co-operation with the Republicans, make this question nonpartisan.

TROLLEY RIOTERS PLACED ON TRIAL

Echoes of the trolley strike last July were brought up again to-day in Dauphin county court when D. C. Greenly and A. H. Yingt, charged with throwing stones at street cars were placed on trial before President Judge George Kunkel, in Courtroom No. 1.
Two other similar cases which have been continued from September sessions in 1916, are listed also. One of these has been continued until Thursday. The Greenly case was called shortly before noon, and was resumed again at 2 o'clock.
In courtroom No. 2 Edward Stover, of Derry township, appeared against Joseph Blumson, charging the latter with giving him a note for \$168 which proved to be worthless. The note was given as payment for four cows.
When the grand jury was called this morning Joseph A. Koons, of Susquehanna township, was made foreman, Benjamin M. Bowers, this city, was excused, and Deputy Sheriff Hoffman reported that Charles M. Care of Lower Paxton township, could not be located.
No true bills were found against James Johnson, charged with assault and battery; Daniel Footman, aggravated assault and battery, and John Conroy, rape.
Of the petit jurors George Arbaugh, city, was excused because of slightly defective hearing; Augustus Baughman, Swatara township, because of quarantine. Others excused were Addison Packler, Harry W. Keeny, and William P. Shuey. Two cases listed for Thursday were continued by request because of illness of attorneys or witnesses.

REVOLT PLEASES ENGLAND

London, March 19.—Premier Lloyd George to-day announced in the House of Commons that on Thursday he would move a motion of congratulation to the Russian Duma.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have
Says Dr. Edwards, a Well-Known Ohio Physician
Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.
These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.
If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headache, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

Would You Gain a Pound

A Week for Three Months?
Then begin taking regularly three grain hypo-nucleic tablets, which are made from a health-germ of ordinary yeast and combined with hypophosphites and an absorbent phosphorus.
Physicians and chemists assert that this tablet is very largely used for increasing the weight and improving the nervous system because of its aid to digestion, assimilation and absorption. The food elements which go to make blood and solid tissue is retained when this treatment is regularly used for several months. Most physicians and apothecary shops supply them in sealed packages.
