Make Your Dollars Count

Come See the Chalmers

Chalmers 7-Passenger, \$1350

What is it that sets Chalmers cars apart from all others? Why the Chalmers a better value than many other cars —some of much higher price?

Here are a few reasons. Only a few. Read them. Then come to us and let us prove to you that meaning of the word Quality-in a motor car.

Materials

The Chalmers, inch for inch, pound for pound, stands high above the other cars near it, in size or

Chalmers selects only the finest raw materials. For the frame—carbon steel. For the axle shafts and propeller shaft—chrome nickel. For the front -drop forged carbon steel. For the motor casting—close-grained gray iron. For the rear gears—nickel steel, heat treated to secure hardness and toughness. For the transmission housingaluminum alloy.

So it goes throughout the car from end to end. Examine the Chalmers carefully. The deeper you Chalmers materials.

Manufacture

Chalmers builds "from the ground up" in Chalmers own shops. Motors are Chalmers built, from rough castings to the final test. Built with skill, perfect facilities and untold care.

Motor

The motor is a light weight, high power six. Walls are tested for uniform thickness, to prevent the possibility of distorton and loss of compression. A specially designed intake manifold improves carburetion. Handles fuel economically. Insures. easy starting in cold weather.

The crankshaft is designed to transmit maximum power of the motor without distortion or vibration. A one-piece crankshaft of drop forged carbon steel, heat treated. Noted for sturdiness. Strength. Rigidity. Balanced while rotating at high speed on a special machine. The balancing weights are a unit with the shaft.

Transmission and Axles

There is quality in the transmission. In the housing. In the gears. With Hyatt quiet bearings. Gears and shafts are made of nickel steel, case hardened. The transmission housing is cast from aluminum alloy.

The axles are amply strong to withstand all the stresses of hard service. The front axle is an I-beam drop forging of carbon steel. Spindles are extra large. With Timken roller bearings. A disc protector keeps out dust or grit.

Rear axle: light, strong, simple. The identical type used on some of the most costly American and European cars.

Frame and Body

An exceptional frame. Light and stiff. Sturdy inches deep. 2½ inch flanges. ½ inch thickness. Braced by 3 cross members and reinforcing plates.

A sheet steel body. With frame of select ash. Genuine leather upholstery. Luxurious cushions. Soft and Deep. High seat backs. Wide seats. Four bow top. Covered with Pantasote. Curtains equipped with quick and easy fasteners.

Equipment

Equipment is costly and complete. Westinghouse electric starting and lighting. Willard 80 A. H. Battery. Stewart-Warner Speedometer and Vacuum feed fuel system. Gun metal finish instrument board. Nickeled foot rest. These features in the structure of the struct tures indicate the high quality of equipment used on the Chalmers cars.

Appearance Body lines are distinctive. Unique. The radiator is high and narrow. The hood is straight with an unbroken sweep. The windshield is the popular slanted type. Molded oval fenders harmonize with the body.

All of the above means Quality. The kind of quality you need in the car you buy, and the kind of quality you GET in the Chalmers

YALE CAPTURES COLLEGIATE TITLE Pollys (Taylor Alleys.) Pirates

Bulldogs Show Great Offensive Powers; Suffers Only One Defeat During Season

New Haven, Conn., March 19. — By the greatest show of offensive strength that any championship team ever displayed, Yale captured the Intercollegiate Basketball League title by Princeton decisively in the final game of the season. The Blue five, a veteran combination, suffered only one setback during the campaign, that being at the hands of Princeton, but it more than made up for this early defeat when the Tigers were tackled in the game on which the title hinged. The Yale five rightly earned a place with the great teams that have won the title in other years. Save on only two occasions, every man on the team played championship basketball and every regular finished in the first fifteen in individual scoring.

Sisson was only one point behind the Cornell man.

Near Old Record

From the floor Kinney scored 45 baskets, close to the record held by Harry Fisher, the old Columbia star. From the foul line he made only 44 points as against Sisson's 62, but every game in which Yale played was noticeably clean and fewer fouls were called on Yale than on any other team in the league.

Yale's wonderful offensive strength is best shown by the fact that it scored, all told, 141 field goals and 44 fouls for a total of 326 points in ten games. Defensively, Yale was not quite as strong as Princeton, yielding 220 points to its opponents, the total being made up from 91 field goals and 38 fouls.

being made up from 91 field goals and 38 fouls.

Princeton was the best defensive combination, allowing only 201 points to opponents, and permitting only 67 field goals to be scored against it. On the offense, however, the Tigers were weak, scoring only 81 baskets, and ranking lower than Cornell, Dartmouth and Columbia in that respect. The Yale points scored were: Kinney, 130; Olson, 64; Garfield, 49; Walton, 46; Taft, (Capt.), 40.

The following table shows how the teams compared on offense and defense:

fense:

Field G. Foul G. To. Pts.

Harrisburg Team to Open Baseball Season at Conway

Carlisle, Pa., March 19. — Conway Hall will have a strong team this year to face one of the stiffest baseball schedules secured for the preparatory institution in several years. A number of new men have appeared and indoor practice has been held daily, Among the newcomers are Glen and Emory Bretz, of Boiling Springs, the former a star pitcher for the Carlisle High School last year. His brother can either catch or play first base. Swažey, formerly of Bucknell Academy is expected to show up strong as a pitcher. There are fourteen games in all, including the following.

April 14, Harrisburg Y. M. C. A. vs. Conway at Carlisle; 18, Mercersburg Academy vs. Conway at Carlisle; 29, Wyoming Seminary vs. Conway (Pending); 21, Shippensburg Normal vs. Conway at Carlisle; 22, Hill School vs. Conway at Carlisle; 29, Hill School vs. Conway at Lancaster; 28, Harrisburg All-Collegiate against Conway at Bloomfield Academy against Conway at Bloomfield; 26, Millersburg S. N. S. vs. Conway at Carlisle; 28, Harrisburg All-Collegiate against Conway at Carlisle; Any 9, Carlisle Indians vs. Conway at Carlisle; 26, Hillersburg S. N. S. vs. Conway at Carlisle; 26, Hillersburg S. N. S. vs. Conway at Carlisle; 29, Bloomfield Academy vs. Conway at Hagerstown; 12, Shippensburg: 16, Mercersburg Academy vs. Conway at Mercersburg Academy vs. Conway at Mercersburg; 19, Baltimore City College vs. Conway at Carlisle.

M'CORD'S TOSSERS

First Half of Contest Was Close With Locals One Point Behind When Period Ended

Starting a pace too fast for the Harrisburg Independents to follow, in the last ten minutes of play, on Saturday night, on the Chestnut Street Auditorium floor, the Chestnut Street Auditorium floor, the Camden Eastern League five defeated the locals in the third game of a series and thereby carried off the honors two to one. The final score was 58 to 38.

The first thirty minutes of the contest was a nip and tuck affair and a half time the score stood at 23 to 22 in favor of the Skeeters. At the opening of the second half the locals forged to the lead on the field goals by Ford and Rote and a foul toss by McCord. The Camden team soon evened the score and the lead changed hands several times until with but ten minutes to go the Skeeters started a wonderful rally and the locals were left behind. The summary:
